

Stockton Police Department

Marshall Plan Committee Symposium
February 8, 2013
Eric Jones, Chief of Police

Where we've been...

2011

- ▶ Second Highest Crime Rate and Violent Crime Rate in the State of California
- ▶ 10th Most Violent Crime Rate in the Nation

2012

- ▶ Record 71 Homicides (up 22% over 2011)
- ▶ Violent Crime up 11% over 2011
- ▶ Firearm Violence up 10%
- ▶ Firearm Assaults on Police Officers up 400%

Other Challenges

- ▶ Aging Technology and Equipment
- ▶ Reductions since 2009:
 - 99 Police Officer Positions
 - 53 Civilian and 40 Part-time Positions
 - School Resource Officer, Community Police Officer, Park Patrol, Bicycle Officer Programs
 - Narcotics Unit Elimination
 - Community Service Officer Reductions
 - Neighborhood Service / Code Enforcement
 - Calls-for-Service and Police Response Reductions

2012–13 Policing Plan

Combatting crime via increased partnerships, crime prevention, predictive analysis and enforcement.

- ▶ Focusing on “Guns and Gangs” to reduce violent crime
- ▶ 2012 Violence Reduction Initiative
 - Community Response Teams
 - Community Advisory Board
 - Camera–Room Operations
 - Expanded Law Enforcement Collaborations
- ▶ Homicide Reduction Plan
 - Project Ceasefire

Police Staffing Needs

- ▶ Increase Police Civilian Staffing
 - 93 Civilian (Part-time and Full-time Positions) were eliminated years ago; most must be restored
- ▶ Increase Police Officer Staffing
 - 99 Police Officer Positions eliminated since 2009; all of these positions and more must be added
 - Currently the lowest police officer to 1,000 residents staffing ratio for a city our size with high crime in the nation
 - SPD: 1.1 ratio; Braga report suggests 2.0

Police Officer Staffing

Stockton – Current;	344	▶	1.19
Stockton – Dr. Braga*;	590	▶	2.0
		▶	Oakland: 1.6
		▶	Los Angeles: 2.6
		▶	Boston: 3.5
		▶	Detroit: 3.9
		▶	New York: 4.2
		▶	Chicago: 4.5

Authorized Officer Positions versus
Dr. Anthony Braga's* 2006 Recommendation

Expansion & Rebuilding of the Police Department

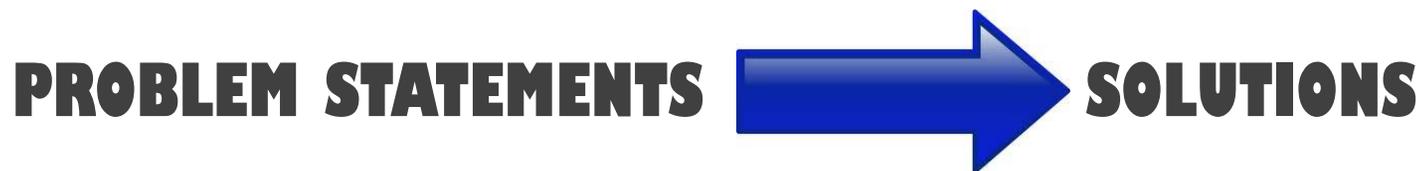

▶ *We recognize:*

- we must remain committed to Project Ceasefire
- continued collaborations are necessary
- community interaction must improve
- call response must be re-examined
- investigation of crimes is critical
- blight and quality-of-life issues need addressing
- presence in our parks and schools should increase

Case Studies

Examples of Policing Problems in Stockton
and Proposed Solutions with the Future Expansion of
the Stockton Police Department

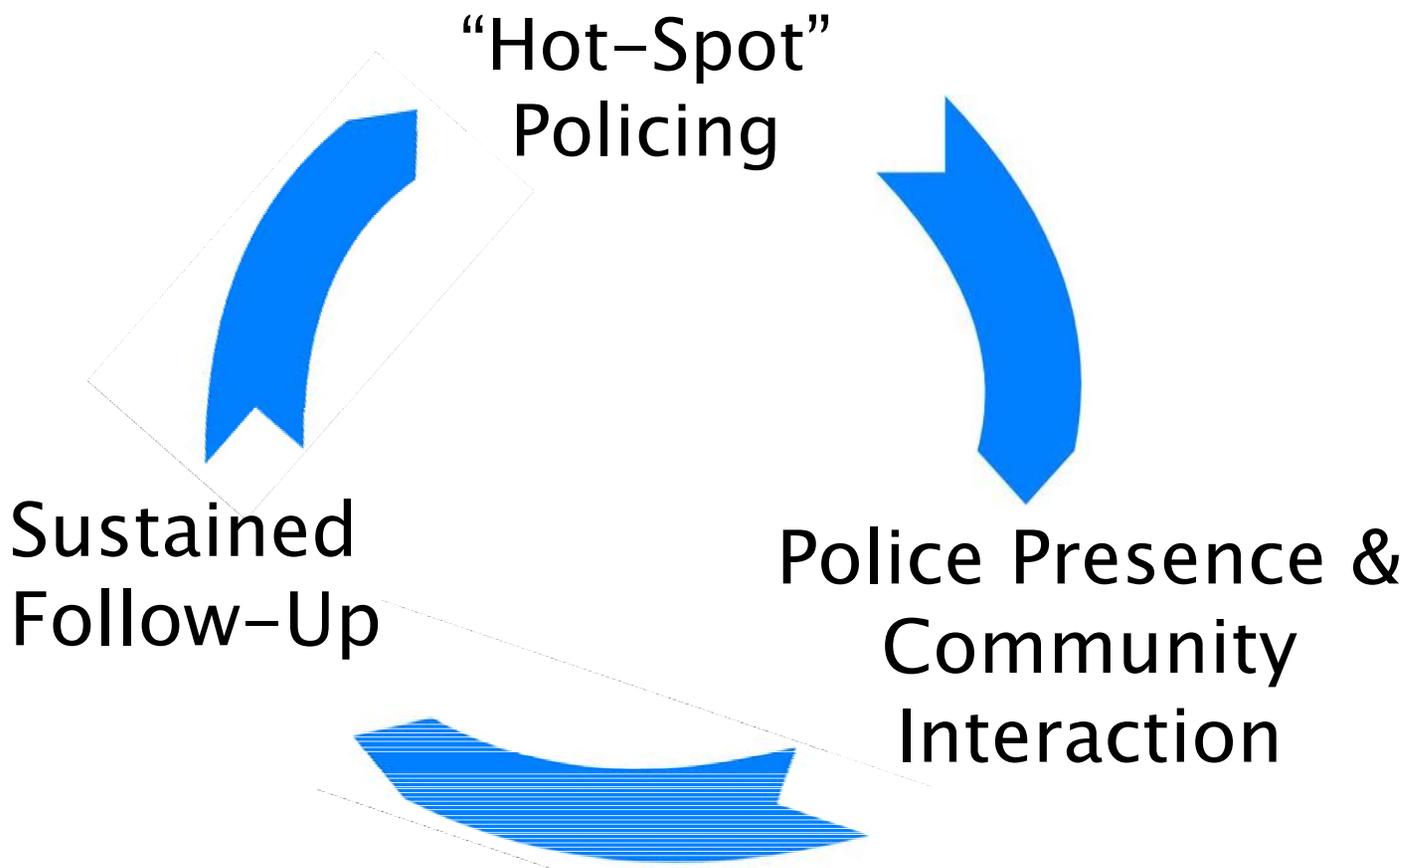

Each solution requires:

- ▶ “Hot-Spot Policing” to take back affected areas
- ▶ Follow-up to sustain the area and address blight
- ▶ Police presence and community interaction

Problem Solving

“Hot-Spot”
Policing

Sustained
Follow-Up

Police Presence &
Community
Interaction

California and Park Streets

- ▶ Shootings
 - ▶ Gang Activity
- 
- ▶ Detectives Teams
 - ▶ Community Response Team (CRT) Expansion
 - ▶ Peacekeepers
-
- ▶ Narcotics Activity
- 
- ▶ Reopen Narcotics Unit
-
- ▶ Blight
- 
- ▶ Police Unit to address blight, quality-of-life

PROBLEM

SOLUTION

Ponce De Leon Ave / Acapulco Way

▶ Violent Assaults
& Shootings

- ▶ Detectives Teams
- ▶ CRT Expansion
- ▶ “Hot-Spot Policing”
- ▶ School & Park Presence

▶ Blight;
Quality of Life

- ▶ Police Unit and
Code Enforcement
- ▶ Community Policing,
More Patrol Officers

PROBLEM

SOLUTION

Kelley Drive / Salters Drive

- ▶ Shootings & Robberies ▶ Intelligence-Led Crime Analysis; “Ceasefire”
▶ Increased CRT, Patrol and Detectives
- ▶ Community Relations ▶ Community Policing, Increased Patrol Officers
- ▶ Blight ▶ Strategic Policing; Code Enforcement

PROBLEM

SOLUTION

Airport Way / Eighth Street Area

▶ Gun Violence

▶ Project Ceasefire
▶ Community Policing /
Patrol Officers

▶ Illegal Narcotics

▶ Narcotics Unit
▶ Community Policing /
Patrol Officers

PROBLEM

SOLUTION

Sonora and Sutter Streets

▶ Robberies

- ▶ “Hot-Spot Policing” with CRT and Patrol
- ▶ Detectives Teams

▶ Narcotics Activity;
“Open Air
Drug Market”

- ▶ Reopen Narcotics Unit
- ▶ Addressing Quality of Life Issues

PROBLEM

SOLUTION

Property Crimes

- ▶ City-wide Residential Burglaries

- ▶ Data-Driven Analysis
- ▶ Increased Detectives
- ▶ Evidence Technicians

- ▶ Diminished Call Response
- ▶ Opportunist Criminals

- ▶ Increased Patrol Officers
- ▶ Increased Crime Prevention

PROBLEM

SOLUTION
