## PLANNING COMMISSION

To administer the General Plan with the goal of providing a better urban environment for all to enjoy. The General Plan is administered and interpreted in many ways--current and advanced planning projects, zoning and Use Permit hearings, neighborhood analysis and land use studies, and environmental impact reviews. One of the Commission's major functions is the preparation, adoption and interpretation of a comprehensive long-range General Plan which serves as a guide for orderly, responsible development of the City and any land outside its boundaries that affect planning of the City. The Commission serves as an advisory body to the City Council and makes recommendations to the City Council on the General Plan, zoning, code changes, specific plans for streets and highways, redevelopment plans, and conformity of capital improvements with the General Plan.
