The City may suspend the payment of a Contingent General Fund Payment for any Fiscal Year, if (i) an Extraordinary Expense Event occurs and is continuing, and (ii) the City provides written notice to Assured Guaranty, not later than 30 days prior to June 1 of any Fiscal Year with respect to which the City seeks such a suspension, describing the Extraordinary Expense Event in detail satisfactory to Assured Guaranty and setting forth a repayment schedule for such suspended Contingent General Fund Payments. The amount of any such suspended Contingent General Fund Payment shall remain an obligation of the City, which shall be payable no later than ten (10) years after the suspension of such Contingent General Fund Payment, and shall bear interest, compounding semi-annually, at the Prime Rate plus 3% until paid. If any suspended Contingent General Fund Payment extends the payment period beyond Fiscal Year 2051-52, the City shall continue to make Special Fund Payments, in an amount not exceeding \$2,009,482 in each Fiscal Year, and such payments shall reduce the amount of any suspended Contingent General Fund Payment. Assured Guaranty shall calculate all amounts due and owing from the City with respect to any such suspended Contingent General Fund Payments in

accordance with this Agreement and such determinations shall be final and binding on all parties hereto absent manifest error.

Section 2.04. Maximum Amount of Payments Payable by City. The Non-Contingent General Fund Payments shall be made in accordance with Section 2.02 of this Agreement. The obligation of the City to make Contingent General Fund Payments shall cease as of the earlier of June 1, 2052 (subject to, and except to the extent extended by subsections (c) and (d) of Section 2.03) or the date by which the cumulative amount of Pension Obligation Bonds Payments (excluding interest payable with respect to any suspended Contingent General Fund Payments, which shall be disregarded for the purpose of this calculation) paid by the City hereunder equals an amount needed to fully reimburse Assured Guaranty for satisfying its obligations under the Bond Insurance Policy, including the sum of (a) the Pension Obligation Bonds Claim; (b) all interest that would have been payable on the Bonds, on and after June 28, 2012, had the City fully performed under the Indenture; (c) interest on all amounts paid by Assured Guaranty with respect to any Bonds under the Bond Insurance Policy, from the date of each such payment by Assured Guaranty calculated at the rate of 5.61273% per annum and compounding semi-annually on each Bond Payment Date, and (d) the reasonable fees and expenses of Assured Guaranty, or its assigns, to enforce any rights and remedies under this Agreement, but excluding any fees or expenses disclaimed under Section 2.07 hereof. For the purpose of calculating the maximum unpaid amount due and payable under this Agreement at any time, Pension Obligation Bond Payments made by the City and actually received by Assured Guaranty will be applied by Assured Guaranty first to the repayment of interest accrued pursuant to subsection (c) of this Section, and second to amounts advanced pursuant to the Bond Insurance Policy. Assured Guaranty shall provide to the City a calculation of the maximum unpaid amount due and payable to Assured Guaranty pursuant to subsections (c)-(d) of this Section upon written request by the City.

Section 2.05. Payments.

(a) All Pension Obligation Bond Payments due and payable under this Agreement shall be made to the Trustee until the Trustee delivers to the City and Assured Guaranty an instrument in form and substance acceptable to Assured Guaranty (i) certifying that principal of and interest on the Other Bonds have been paid in full or adequately provided for under the Indenture, and (ii) directing the City to pay all Pension Obligation Bonds Payments directly to Assured Guaranty, or its assigns. The Trustee shall deliver such instrument to the City and Assured Guaranty promptly after payment of or provision for the Other Bonds has been made (but in any event not later than two Business Days following such event) and shall remit to Assured Guaranty any and all remaining funds it holds on account of the Bonds upon the payment in full of, or adequate provision for, the Other Bonds.

(b) All payments made to the Trustee under this Agreement shall be paid in lawful currency of the United States in immediately available funds to the following account:

Bank:	Wells Fargo Bank
ABA Number:	121000248

Beneficiary Name:	Corporate Trust
Beneficiary Account Number:	0001038377
For Further Credit: 2	2225500
Attn:	M Vonderharr Re Stockton 07

or such other account as shall be designated from time to time, in writing, by Assured Guaranty.

(c) All payments made to Assured Guaranty or its assigns under this Agreement – which payments shall remain due and owing until paid irrespective of any default by Assured Guaranty under the Bond Insurance Policy – shall be paid in lawful currency of the United States in immediately available funds to the following account:

Bank:	The Bank of New York
Account Name:	Assured Guaranty Municipal Corp.
Account Number:	8900297263
ABA Number:	021-000-018
Reference:	City of Stockton, California Reimbursement Agreement
Policy Number:	208382

or such other account as shall be designated from time to time, in writing, by Assured Guaranty.

(d) Any Pension Obligation Bonds Payments which are delinquent shall bear interest, compounding semi-annually, from their Payment Date at the Prime Rate plus 3% until paid.

(e) Amounts paid to the Payees under this Agreement shall be applied first to Non-Contingent General Fund Payments, then, if and as directed by the City, to any suspended Contingent General Fund Payments, then to Contingent General Fund Payments, then to the interest payable pursuant to Section 2.05(d), and then to remaining suspended Contingent General Fund Payments.

Section 2.06. Unconditional Obligation. The obligations of the City to pay all amounts due under this Agreement shall be an absolute and unconditional general obligation of the City, payable from all of its legally available funds and resources, and will be paid or performed strictly in accordance with this Agreement, notwithstanding any condition or circumstance, including the failure of Assured Guaranty to make payments under the Bond Insurance Policy.

Section 2.07. Fees and Expenses and Waiver of Certain Fee and Expense Claims. Assured Guaranty and the City shall each bear their own attorneys' and other professional and consulting fees and expenses in connection with negotiating and entering into this Agreement. On or after the Effective Date, the City shall pay the reasonable fees and expenses of the Trustee (including reasonable fees and disbursements of its counsel and other agents) incurred in and about the performance of its powers and duties under this Agreement and/or the Indenture, [whether such fees and expenses were incurred before or after the effective date hereof – TBD], and such payments shall be in addition to the Pension Obligation Bonds Payments required

hereunder. A schedule of the Trustee's standard fees to administer its obligations under this Agreement and/or the Indenture are attached as Schedule 11 hereto. The City hereby waives any right to seek reimbursement of attorneys' fees related to the Eligibility Contest. Subject to Section 4.07, Section 6.11(d), and Section 6.12(c) of this Agreement, Assured Guaranty hereby waives any rights to seek attorneys' fees under or relating to the Indenture and/or the Bond Insurance Policy.

Section 3.01. Due Organization and Qualification. The City is a municipal corporation and charter city duly organized and validly existing under, and by virtue of, its charter and the Constitution of the State of California.

Section 3.02. Power and Authority. The City has full power and authority to authorize, execute and deliver this Agreement. By proper action the City has duly authorized the execution, delivery and performance of this Agreement. This Agreement constitutes the legal, valid and binding obligation of the City enforceable against the City in accordance with the terms hereof.

Section 3.03. Non-contravention. The execution and delivery of this Agreement by the City, the consummation of the transactions contemplated by this Agreement by the City and the fulfillment of or compliance with the terms and conditions of this Agreement do not conflict with or violate the Constitution of the State of California (including without limitation the indebtedness limitation of Section 18 of Article XVI of the Constitution of the State of California or any other law or regulation of the State of California or any applicable governmental body of competent jurisdiction).

Section 3.04. No Litigation. There is no action, suit, proceeding, inquiry or investigation, before or by any court or federal, state, municipal or other Governmental Authority, pending, or to the knowledge of the City, threatened, against or affecting the City (excepting in all cases the Chapter 9 Case):

- (a) to restrain or enjoin the execution and delivery of and performance by the City under this Agreement;
- (b) in any way contesting or adversely affecting the authority for or the validity or enforceability of this Agreement; or
- (c) which, (i) if determined adversely to it, would result in any Material Adverse Effect or (ii) otherwise would reasonably be expected to have a Material Adverse Effect.

Section 3.05. Disclosures Accurate. As of the date hereof, and as of the date of each certificate required to be delivered to Assured Guaranty hereunder, the written information, schedules, exhibits and/or reports furnished to Assured Guaranty by the City in connection with the negotiation of this Agreement or otherwise in connection with the transactions contemplated

hereby, are or will be true and accurate in all material respects and will be sufficient to provide a reasonable person with an explanation of the calculations.

Section 3.06. No Defaults. Except as to any default that may arise as a result of the pendency of the Chapter 9 Case, no Event of Default has occurred and is continuing.

ARTICLE IV COVENANTS

Section 4.01. Other Creditor Settlements. The City agrees that it will not enter into any settlement agreement (except the Ambac Settlement Agreement and the SEB 2006 Settlement) or provide Plan of Adjustment treatment for any unsecured creditor holding a claim on the petition date (e.g., an unsecured judgment claim) or any capital markets creditor, payable from the General Fund (but excluding payments made by any third-party, such as an insurer) which provides a net present value recovery (applying a 5% discount rate) to such creditor, based upon non-contingent cash payments from the General Fund, in excess of the net present value return of Non-Contingent General Fund Payments provided hereunder to Assured Guaranty, unless Assured Guaranty is provided with the same level of non-contingent cash payments from the General Fund on the Bonds.

Section 4.02. Financial Statements. The City shall deliver to Assured Guaranty in form and detail satisfactory to Assured Guaranty:

(a) not later than 90 days after and as of the end of each Fiscal Year, commencing with the Fiscal Year 2013-14, unaudited fund trial balances of the City;

(b) not later than 210 days after and as of the end of each Fiscal Year, audited financial statements of the City, which financial statements shall include a statement of net position, statement of activities and changes in net position. The audited financial statements shall be audited by independent certified public accountants from a firm experienced in the field of municipal audits and licensed in the State of California, and prepared in accordance with GAAP, and shall be delivered together with an agreed-upon procedures letter from such accountants addressed to Assured Guaranty providing a report showing that such accountants have recomputed the calculations of the Actual Core Revenues and the Contingent General Fund Payment made by the City with respect to such Fiscal Year and have compared the data used in such calculations and found it to be consistent with the audited financial statements or other internal accounts and records of the City for such Fiscal Year;

(c) not later than 30 days after the beginning of each Fiscal Year, a copy of the annual budget for such Fiscal Year, as adopted by City Council;

(d) not later than 30 days following its adoption, a copy of any revised budget for any Fiscal Year, as adopted by the City Council;

(e) such other information relating to the financial condition of the City or the calculation of amounts payable to Assured Guaranty hereunder reasonably requested by Assured Guaranty, promptly upon such request; and

(f) all such information provided to Assured Guaranty by the City shall be kept confidential by Assured Guaranty and shall not be published, disseminated, quoted or circulated to any other party without prior written consent of the City; provided, however, that Assured Guaranty shall be permitted to share such information with a Neutral Accountant appointed under Section 6.12 of this Agreement and shall be permitted to disclose such information in any enforcement proceeding contemplated hereunder.

Section 4.03. Certificates, Notices and Other Information. The City shall deliver to Assured Guaranty, in such form and detail satisfactory to Assured Guaranty:

- (a) the certificates required by Section 2.03(b) and Section 2.03(c) hereof;

- (e) within 30 days after the occurrence of such event, notice of any litigation, investigation or proceeding (i) in which injunctive relief or similar relief is sought, which relief, if granted, would have a Material Adverse Effect or (ii) which otherwise could reasonably be expected to have a Material Adverse Effect;
- (f) within 30 days after the occurrence of such event, notice of any Material Adverse Effect;
- (g) promptly, notice of any announcement by any rating agency regarding the City; and
- (h) promptly, such other data and information as from time to time may be reasonably requested by Assured Guaranty.

Each notice pursuant to this Section 4.03 shall be accompanied by a statement of the City Manager setting forth details of the occurrence referred to therein and stating what action the City has taken and proposes to take with respect thereto.

Section 4.04. Audit Rights. Assured Guaranty shall have the right to audit the methodology and calculation of the payments due hereunder at its expense; provided, however, that if any audit shall reveal an underpayment by the City in the amount of \$50,000 or greater, the internal costs of such audit incurred by Assured Guaranty, or the costs of any auditor retained by Assured Guaranty for such purpose, shall be paid by the City upon presentation of any invoice and demand for payment. In addition, the City shall afford Assured Guaranty the

opportunity to meet and confer with the City's accountants (at the sole expense of the City) with respect to any audit report provided pursuant to Section 4.02.

Section 4.05. Keeping of Records and Books of Account. The City shall keep adequate records and books of account reflecting all financial transactions in conformity with GAAP and in material conformity with all applicable requirements of any Governmental Authority having regulatory jurisdiction over the City.

Section 4.06. Accounting. The City will not adopt, permit or consent to any material change in accounting principles, other than as required or permitted by GAAP or the Governmental Accounting Standards Board, or adopt, permit or consent to any change in its Fiscal Year unless the City provides Assured Guaranty (a) notice pursuant to Section 4.03(d) hereof and (b) restated financial statements in comparative form for the prior Fiscal Year.

Section 4.07. Reimbursement for Expenses; Indemnification.

(a) Upon demand by Assured Guaranty, the City agrees to pay or reimburse Assured Guaranty for any and all reasonable charges, fees, costs, losses, liabilities and expenses which Assured Guaranty may pay or incur, including, but not limited to, fees and expenses of attorneys, accountants, consultants and auditors and costs of investigation, in connection with (i) the enforcement, defense, exercise or preservation of any rights under or in respect of this Agreement including defending, monitoring or participating in any litigation or proceeding relating to the City's obligations under this Agreement and the transactions contemplated by this Agreement, (ii) any amendment, waiver, consent or other action with respect to, or related to this Agreement, whether or not executed or completed, or (iii) any action taken by Assured Guaranty to cure an Event of Default or similar event (or mitigate the effect thereof) hereunder. For the purpose of the foregoing, costs and expenses shall include a reasonable allocation of compensation and overhead attributable to the time of employees of Assured Guaranty spent in connection with the actions described in clauses (i)-(iii) above. Assured Guaranty reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of this Agreement.

(b) The City agrees to indemnify Assured Guaranty, to the extent permitted by law, against any and all liability, claims, loss, costs, damages, fees of attorneys and other expenses which Assured Guaranty may sustain or incur by reason of or in consequence of (i) the failure of the City to perform or comply with the covenants or conditions of this Agreement, or (ii) reliance by Assured Guaranty upon representations made by the City or (iii) an Event of Default by the City under the terms of this Agreement.

Section 4.08. Special Fund Payments. To the extent Special Fund Payments may be payable from revenues dedicated to any "Restricted Revenue Bond and Note Payable Obligations" (as such term is defined in the Plan of Adjustment), such payments will be made as operation and maintenance costs as and to the extent permitted under the documents governing such Restricted Revenue Bond and Note Payable Obligations, and otherwise shall be paid from the restricted revenues associated with each of the Restricted Revenue Bond and Note Payable Obligations only to the extent permitted by the documents governing such obligations and

applicable law. Notwithstanding the foregoing, the City shall remain absolutely and unconditionally liable to make all Special Fund Payments in full in accordance with Sections 2.02 and 2.06 of this Agreement.

ARTICLE V
EVENTS OF DEFAULT; REMEDIES

Section 5.01. Events of Default. The following events shall constitute Events of Default hereunder:

(a) The City shall fail to pay to the Payees any amount payable hereunder when due, including any attorneys' fees or other expenses provided under Sections 2.07, 4.07, 6.11(d) or 6.12(c);

(b) Any representation or warranty made by the City hereunder or in any written report, financial statement or other certificate provided in connection with this Agreement shall have been or is untrue in any material respect;

(c) Except as otherwise provided in this Section 5.01, the City shall fail to perform any of its other obligations hereunder; or

(d) The City shall (excepting in each case the Chapter 9 Case) (i) voluntarily commence any proceeding or file any petition seeking relief under the United States Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency or similar law, (ii) consent to the institution of; or fail to controvert in a timely and appropriate manner, any such proceeding or the filing of any such petition, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator or similar official for the City or for a substantial part of its property, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) become unable, admit in writing its inability or fail generally to pay its debts as they become due or (vi) take action for the purpose of effecting any of the foregoing.

Section 5.02. Remedies. Whenever an Event of Default referred to in Section 5.01 hereof shall have occurred and be continuing, Assured Guaranty or its assigns shall have the right to take any one or any combination of the following remedial actions:

(a) declare all Non-Contingent General Fund Payments payable to the Payees under this Agreement to be forthwith due and payable, whereupon all such amounts shall become and be forthwith due and payable, without presentment, notice of dishonor, protest or further notice of any kind, all of which are hereby expressly waived by the City;

(b) exercise all rights and remedies legally available to Assured Guaranty, including (without limitation) the right to pursue legal action to enforce payment of Contingent General Fund Payments due in each year;

(c) assert or accelerate the full amount of the Pension Obligation Bonds Claim, plus any additional amounts owed and payable under this Agreement (i.e., the

maximum amount payable pursuant to Section 2.04 hereof), less any payments made under this Agreement, in any litigation or bankruptcy, insolvency or other enforcement proceeding in which the City is a debtor;

(d) proceed by appropriate court action to enforce performance by the City of the applicable covenants of this Agreement or to recover for the breach thereof, including the payment of all amounts due from the City, in which event the City shall pay or repay to Assured Guaranty all costs of such action or court action including, without limitation, reasonable attorneys' fees; and

(e) take whatever action at law or in equity that may appear necessary or desirable to enforce its rights, in which event the City shall pay or repay to Assured Guaranty all costs of such action or court action, including, without limitation, reasonable attorneys' fees.

The City hereby authorizes Assured Guaranty or its assigns to file with the MSRB through EMMA, and to publish on Assured Guaranty's website, notice of any such Event of Default.

Notwithstanding any remedy exercised hereunder, the City shall remain obligated to pay to the Payees any unpaid Pension Obligation Bonds Payments and all other amounts payable hereunder. To the extent permitted by applicable law, the City hereby waives any rights now or hereafter conferred by statute or otherwise which might otherwise limit or modify any of Assured Guaranty's or its assigns rights hereunder.

From time to time after the occurrence and continuance of an Event of Default, all rights, powers, and remedies of Assured Guaranty or its assigns are cumulative and not exclusive, and shall be in addition to any other rights, powers or remedies provided by law or equity.

Section 5.03. No Remedy Exclusive. Unless otherwise expressly provided, no remedy herein conferred upon or reserved to Assured Guaranty or its assigns is intended to be exclusive of any other available remedy, but each remedy shall be cumulative and shall be in addition to other remedies given under this Agreement or of any rights or remedies which Assured Guaranty or its assigns would otherwise have pursuant to law or equity.

Section 5.04. Exercise of Rights. No failure or delay on the part of Assured Guaranty or its assigns to exercise any right, power or privilege under this Agreement and no course of dealing between Assured Guaranty or its assigns and the City or any other party shall operate as a waiver of any such right, power or privilege, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege. No notice to or demand on the City shall entitle the City to any other or further notice or demand in similar or other circumstances, or constitute a waiver of the right of Assured Guaranty or its assigns to any other or further action in any circumstances without notice or demand, but any such right and power may be exercised from time to time and as often as may be deemed expedient.

**ARTICLE VI
MISCELLANEOUS**

Section 6.01. Computations. All computations of amounts due to the Payees hereunder with respect to reimbursement for payments made under the Bond Insurance Policy and all computations of fees and expenses payable under Section 4.07 or 6.11(d) hereof shall be computed by Assured Guaranty, and all such calculations shall be final absent manifest error. All computations of interest hereunder shall be made on the basis of the actual number of days elapsed over a year of 365 days.

Section 6.02. Continuation of Existing Obligations. This Agreement does not modify, amend or alter the Bonds or the obligations of Assured Guaranty to make the scheduled payment of the principal of, and interest on, the Bonds as and when such amounts become due in accordance with the terms of the Bond Insurance Policy. Except as expressly set forth in this Agreement, the Indenture has not been amended or modified and remains in full force and effect.

Section 6.03. Amendments and Waivers. This Agreement may only be amended, modified, waived, supplemented, discharged or terminated by written instrument signed by the parties hereto, with the prior written consent of the Trustee.

Section 6.04. Successors and Assigns. This Agreement shall bind, and the benefits thereof shall inure to, the City and Assured Guaranty and their respective successors and assigns; provided, that the City may not transfer or assign any or all of its rights and obligations hereunder without the prior written consent of Assured Guaranty and the Trustee. Any or all rights of Assured Guaranty under this Agreement may be sold, assigned or pledged by Assured Guaranty without the consent of the City; provided that no such sale, assignment or pledge shall affect Assured Guaranty's obligation to make payment on the Bonds in accordance with the terms of the Bond Insurance Policy. Assured Guaranty shall give notice to the City of any such sale, assignment or pledge, and any such purchaser, assignee or pledgee shall be entitled to enforce all rights and remedies of Assured Guaranty hereunder directly against the City.

Section 6.05. Third-Party Beneficiary. It is the intention of the parties that the Trustee be a third-party beneficiary of this Agreement until all of the Other Bonds have been paid in full or adequately provided for under the Indenture. The Trustee shall receive a copy of all notices given to Assured Guaranty hereunder. Notwithstanding anything herein to the contrary, the Trustee is entitled to all of the rights, privileges and immunities set forth in the Indenture. Furthermore, nothing in this Agreement is intended to impair any rights, remedies and interests, including without limitation, liens, of any of the Parties hereto in any other capacity. Except for Section 2.07 hereof, and subject to the next two sentences, the Trustee will act at the direction of Assured Guaranty with respect to any rights and remedies under this Agreement, and will not undertake any duplicative review or analysis of notices or materials provided by the City herein or otherwise incur any additional expense beyond the amounts set forth in Schedule 11 without written approval from Assured Guaranty. Assured Guaranty's right to direct the Trustee is subject to the terms and conditions of the Indenture, including without limitation the condition that Assured Guaranty is not in payment default under the Bond Insurance Policy. In the event Assured Guaranty is in payment default under the Bond Insurance Policy and so long as such default is continuing, then, the Trustee shall have the right to enforce the provisions of this

Agreement against the City without the consent of Assured Guaranty, provided that the Trustee shall have no right to alter or amend the terms of this Agreement or compromise or reduce the City's payment obligations hereunder.

Section 6.06. Right To Remove and Replace Trustee. Except in the event Assured Guaranty is in payment default under the Bond Insurance Policy, Assured Guaranty shall have the exclusive right to remove the Trustee at any time, and to select a new trustee reasonably acceptable to the City, in accordance with the terms of the Indenture; provided, however that the City shall have no right to consent to any replacement in the event it is in default under this Agreement.

Section 6.08. Survival of Representations and Warranties. All representations, warranties and obligations contained herein shall survive the execution and delivery of this Agreement.

Section 6.09. Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE STATE OF CALIFORNIA.

Section 6.10. Jury Trial Waiver. TO THE EXTENT PERMITTED BY LAW, THE PARTIES HERETO HEREBY WAIVE THEIR RESPECTIVE RIGHTS TO JURY TRIAL OF ANY ACTION, PROCEEDING OR HEARING (HEREINAFTER, A "CLAIM") BASED UPON OR ARISING OUT OF, DIRECTLY OR INDIRECTLY, THIS AGREEMENT, ANY DEALINGS BETWEEN ASSURED GUARANTY AND THE CITY RELATING TO THE SUBJECT MATTER OF THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR ANY RELATED TRANSACTIONS. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT (INCLUDING, WITHOUT LIMITATION, CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS). THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT, ANY RELATED DOCUMENTS, OR TO ANY OTHER DOCUMENTS OR SUPPLEMENTS RELATING TO THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR ANY RELATED TRANSACTIONS. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

Section 6.11. Judicial Reference Procedure.

(a) Judicial Reference. In the event the jury trial waiver provisions set forth in Section 6.10 are not permitted for any reason and the City fails to waive jury trial, Assured Guaranty and the City hereby agree: (i) each Claim shall be determined by a consensual general judicial reference (the "Reference"); (ii) upon a written request, or upon an appropriate motion by either party hereto, any pending action relating to any Claim and every Claim shall be heard by a single Referee (as defined below) who shall then try all issues (including any and all questions of law and questions of fact relating thereto), and issue findings of fact and conclusions of law and report a statement of decision; (iii) the Referee's statement of decision will constitute the conclusive determination of the Claim; (iv) the Referee shall have the power to issue all legal and equitable relief appropriate under the circumstances before the Referee; (v) the parties hereto shall promptly and diligently cooperate with one another and the Referee, and shall perform such acts as may be necessary to obtain prompt and expeditious resolution of all Claims in accordance with the terms of this Section 6.11; (vi) any party hereto may file the Referee's findings, conclusions and statement with the clerk or judge of any appropriate court, file a motion to confirm the Referee's report and have judgment entered thereon and if the report is deemed incomplete by such court, the Referee may be required to complete the report and resubmit it; and (vii) all proceedings shall be closed to the public and confidential, and all records relating to the Reference shall be permanently sealed when the order thereon becomes final.

(b) Selection of Referee; Powers. The parties to the Reference proceeding shall select a single neutral referee (the “Referee”), who shall be a retired judge or justice of the courts of the State of California, or a federal court judge, in each case, with at least ten (10) years of judicial experience in civil matters. The Referee shall be appointed in accordance with Section 638 of the California Code of Civil Procedure (or pursuant to comparable provisions of federal law if the dispute falls within the exclusive jurisdiction of the federal courts). If within ten (10) days after the request or motion for the Reference, the parties to the Reference proceeding cannot agree upon a Referee, then any party to such proceeding may request or move that the Referee be appointed by the Presiding Judge of the Sacramento Superior Court, or of the United States District Court for the Eastern District of California. The Referee shall determine all issues relating to the applicability, interpretation, legality and enforceability of this Section 6.11(b).

(c) Provisional Remedies, Self-Help and Foreclosure. No provision of this Section 6.11 shall limit the right of Assured Guaranty to (i) exercise such self-help remedies as might otherwise be available under applicable law, (ii) initiate judicial or non-judicial foreclosure against any real or personal property collateral, (iii) exercise any judicial or power of sale rights, or (iv) obtain or oppose provisional or ancillary remedies, including without limitation injunctive relief, writs of possession, the appointment of a receiver, and/or additional or supplementary remedies from a court of competent jurisdiction before, after, or during the pendency of any Reference. The exercise of, or opposition to, any such remedy does not waive the right of Assured Guaranty to the Reference pursuant to this Section 6.11.

(d) Costs and Fees. Promptly following the selection of the Referee, the City shall advance equal portions of the estimated fees and costs of the Referee. In the statement of decision issued by the Referee, the Referee shall award costs, including reasonable attorneys’ fees, to the prevailing party, if any, and may order the Referee’s fees to be paid or shared by the parties to such Reference proceeding in such manner as the Referee deems just.

Section 6.12. Alternative Dispute Resolution of Calculation Through Neutral Accountant.

(a) Dispute Notice. If Assured Guaranty disputes any calculation made by the City in any Certificate provided under this Agreement, Assured Guaranty will deliver to the City, within forty-five (45) days after receipt of any Certificate which is the subject of such dispute, a statement (the “Dispute Notice”) setting forth Assured Guaranty’s calculation of any such disputed amount or Assured Guaranty’s request for additional information regarding such calculation. The parties shall thereafter use commercially reasonable efforts to resolve such differences regarding the determination of the disputed amounts for a period of thirty (30) days after Assured Guaranty has given the Dispute Notice, provided that Assured Guaranty may extend this period at its discretion to continue negotiations or to obtain relevant information.

(b) Appointment of Neutral Accountant. If the parties do not reach a final resolution of the amounts disputed under paragraph (a) within thirty (30) days after

Assured Guaranty has given the Dispute Notice, unless Assured Guaranty agrees to continue the parties' efforts to resolve such differences, the Neutral Accountant shall resolve such differences, pursuant to an engagement agreement executed by the parties and the Neutral Accountant, in the manner provided below. The parties shall each be entitled to make a presentation to the Neutral Accountant within ten (10) Business Days after the engagement of the Neutral Accountant, pursuant to procedures to be agreed to among Assured Guaranty, the City and the Neutral Accountant (or, if they cannot agree on such procedures, pursuant to procedures determined by the Neutral Accountant), regarding such party's calculation of such disputed amounts. The Neutral Accountant shall be required to resolve the dispute and determine the disputed amounts within twenty (20) Business Days after the parties' presentation to the Neutral Accountant. Such determination by the Neutral Accountant shall be conclusive and binding upon the parties, absent fraud, misrepresentation or manifest error.

(c) Fees and Expenses. Assured Guaranty, on the one hand, and the City, on the other hand, shall each pay one-half of the fees and expenses of the Neutral Accountant; provided that if the Neutral Accountant determines that one party has adopted a position or positions with respect to the amount in dispute that is frivolous or clearly without merit, the Neutral Accountant (i) may, in its discretion, assign a greater portion of the burden of the Neutral Accountant's fees and expenses to such party, and (ii) shall provide to the parties a written explanation of its reasons for making such a determination.

(d) Exclusive Method of Resolution. The parties agree that the procedure set forth in this Section 6.12 for resolving disputes with respect to any calculation shall be the sole and exclusive method for resolving any such disputes; provided that this provision shall not prohibit either party from bringing any legal action to (i) enforce the ruling of the Neutral Accountant or (ii) challenge the Neutral Accountant's determination based on fraud, misrepresentation or manifest error.

Section 6.13. Consent to Jurisdiction.

(a) THE PARTIES HERETO HEREBY IRREVOCABLY SUBMIT TO THE JURISDICTION OF THE UNITED STATES DISTRICT COURT FOR THE EASTERN DISTRICT OF CALIFORNIA AND ANY APPELLATE COURT WHICH HEARS APPEALS FROM ANY COURT THEREOF, ANY ACTION, SUIT OR PROCEEDING BROUGHT AGAINST IT AND TO OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREUNDER OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY AGREE THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION, SUIT OR PROCEEDING MAY BE HEARD OR DETERMINED IN SUCH COURTS. THE PARTIES HERETO FURTHER HEREBY IRREVOCABLY SUBMIT TO THE JURISDICTION OF THE BANKRUPTCY COURT IN ANY MATTER AS TO WHICH THE BANKRUPTCY COURT HAS CONTINUING JURISDICTION UNDER THE PLAN AND THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY AGREE THAT ALL CLAIMS IN RESPECT OF ANY SUCH

MATTER MAY BE HEARD OR DETERMINED IN THE BANKRUPTCY COURT. THE PARTIES HERETO AGREE THAT A FINAL AND NON-APPEALABLE JUDGMENT IN ANY SUCH ACTION, SUIT OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE PARTIES HERETO HEREBY WAIVE AND AGREE NOT TO ASSERT BY WAY OF MOTION, AS A DEFENSE OR OTHERWISE IN ANY SUCH SUIT, ACTION OR PROCEEDING, ANY CLAIM THAT IT IS NOT PERSONALLY SUBJECT TO THE JURISDICTION OF SUCH COURTS, THAT THE SUIT, ACTION OR PROCEEDING IS BROUGHT IN AN INCONVENIENT FORUM, THAT THE VENUE OF THE SUIT, ACTION OR PROCEEDING IS IMPROPER OR THAT THIS AGREEMENT OR THE SUBJECT MATTER HEREOF MAY NOT BE LITIGATED IN OR BY SUCH COURTS.

(b) To the extent permitted by applicable law, the parties hereto shall not seek and hereby waive the right to any review of the judgment of any such court by any court of any other nation or jurisdiction which may be called upon to grant an enforcement of such judgment.

Section 6.14. Waiver of Personal Liability. No recourse under this Agreement shall be had against, and no personal liability shall under any circumstances attach to, any officer, employee, agent, director, affiliate, advisor or securityholder of Assured Guaranty or any member, director, officer, employee or agent of the City, by the enforcement of any assessment or by any legal or equitable proceeding, by virtue of any statute or otherwise in respect of this Agreement.

Section 6.15. Counterparts. This Agreement may be executed in counterparts by the parties hereto and such counterparts shall constitute one and the same instrument, each of which shall be deemed to be an original instrument.

Section 6.16. Further Assurances. Assured Guaranty and the City agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto (including any financing statements, if applicable) and such further instruments as may be required by law or as shall reasonably be requested by Assured Guaranty for carrying out the intention of or facilitating the performance of this Agreement.

Section 6.17. Severability. With the exception of provisions contained in Article II and Section 6.05 hereof, in the event any other provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, the parties hereto agree that such holding shall not invalidate or make unenforceable any other provision hereof. The parties hereto further agree that the holding by any court of competent jurisdiction that any remedy pursued by any party hereto is unavailable or unenforceable shall not affect in any way the ability of such party to pursue any other remedy available to it.

Section 6.18. Survival of Obligations. Notwithstanding anything to the contrary contained in this Agreement, the obligation of the City to pay all amounts due hereunder and the

rights of Assured Guaranty to pursue all remedies shall survive the expiration, termination or substitution of this Agreement or the Bond Insurance Policy.

Section 6.19. Term. This Agreement shall terminate on the later of (a) July 1, 2053 or (b) the date on which any suspended payments pursuant to Section 2.03(c) or Section 2.03(d) hereof, together with any interest due thereon, and all other amounts due and owing to Assured Guaranty hereunder are paid in full.

- 11. TYPE/NATURE OF TENANT’S BUSINESS: Government offices and technology center and the operation of services consistent with or necessary to the operation thereof.

ARTICLE 1

TERM

1.1 Commencement Date. The Term shall commence on June 1, 2014, the “Commencement Date”.

1.2 Extension Options. Tenant shall have the option (each, an “Extension Option”) to extend the term of the Lease for two consecutive two-year terms (each, an “Extension Term”) upon prior written notice (“Tenant’s Election Notice”) to Landlord no later than ninety (90) days prior to the expiration of the then current Term of the Lease; provided, however, that at the time Tenant gives Tenant’s Election Notice to Landlord, and for the remainder of the then existing Term of the Lease, there is (i) no event of default by Tenant under the Lease and (ii) Tenant has not entered into a Transfer as to the Premises that are subject to such extension, whether or not consented to by Landlord. During either such Extension Term, the provisions of the Lease, as it may be amended in writing executed by each party to the Lease prior to the date of the

commencement of such Extension Term, shall continue in full force and effect, except that Tenant shall accept the Premises in their then “AS-IS” condition, and there shall be no abatement of Rent, nor shall there be credit or allowance given to Tenant for improvements to the Premises solely as the result of Tenant exercising either Extension Term. The Basic Monthly Rent for each Extension Term shall be in the amount set forth in Item 5 of the Basic Lease Provisions. Landlord and Tenant understand and agree that Tenant’s delivery of Tenant’s Election Notice shall bind Tenant to the applicable Extension Term. In no event shall Tenant have the right to exercise the second Extension Option unless it has properly exercised its first Extension Option.

ARTICLE 2

RENT

2.1 Basic Monthly Rent. Tenant shall pay to Landlord, without prior notice or demand, without offset or deduction, and in addition to all other amounts payable by Tenant hereunder, annual rent, in equal monthly installments, in the amount set forth in Item 5 of the Basic Lease Provisions (“Basic Monthly Rent”), provided that monthly Landlord shall provide an invoice of any and all expenses (other than Basic Monthly Rent) that may be due and payable by Tenant hereunder, including without limitation any interest on past due rent or Late Fees (defined below), if any (the “Rent Expenses”). Notwithstanding the foregoing, in no event shall any failure by Landlord to provide such an invoice excuse Tenant’s failure to pay Basic Monthly Rent as and when due.

The Basic Monthly Rent and all other amounts payable hereunder shall be paid to Landlord in advance on the first day of each month during the Term, without deduction, offset or abatement, in lawful money of the United States of America at the office of Landlord in the Building, or to such place as Landlord may designate in writing.

Basic Monthly Rent and any other Rent (as defined in Section 2.5) due under this Lease for any period during the Term, which is for less than one (1) month, shall be a prorated portion of the monthly amount due, based upon the actual number of days in that particular month.

Landlord shall have the right to accept all Rent and other payments, whether full or partial, and to negotiate checks in payment thereof without any waiver of rights, irrespective of any conditions to the contrary sought to be imposed by Tenant. Rent shall be deemed paid to Landlord when received by Landlord, or its designee, at Landlord’s address, or at such other address as Landlord shall have designated.

2.2 Interest on Past Due Rent. Basic Monthly Rent and any other Rent not paid when due shall bear interest from the date due until the date paid at the Federal Reserve Board Discount Rate, as of such due date, plus three percent (3%) per annum (“Interest Rate”). The payment of such interest shall not excuse or cure any default or modify any obligations of Tenant under this Lease. Notwithstanding the foregoing, the Interest Rate shall not accrue on Rent Expenses unless any payment thereof is not received by Landlord within five (5) days of Tenant’s receipt of an email therefor pursuant to Section 2.1.

2.3 Late Fee. Tenant acknowledges that the late payment by Tenant to Landlord of Rent will cause Landlord to incur costs not contemplated by this Lease, the exact amount of which will be difficult to ascertain. Such costs may include, without limitation, administrative

costs, processing and accounting charges, and late charges which may be imposed on Landlord. Accordingly, if any installment of Rent shall not be received by Landlord within five (5) days after the date that such amount is due and payable, then Tenant shall pay to Landlord, in addition to the interest provided above in Section 2.2, a late fee in the amount of five percent (5%) of the amount of such Rent (“Late Fee”). The parties agree that such Late Fee represents a fair and reasonable estimate of the costs Landlord will incur by reason of the late payment by Tenant. Acceptance of such Late Fee by Landlord shall not constitute a waiver of Tenant’s default with respect to such overdue amount, nor prevent Landlord from exercising any of its rights or remedies hereunder. Any such Late Fee shall be due and payable by Tenant within five (5) business days after delivery of Landlord’s written notice thereof to Tenant and, if not paid when due, shall be added to the next installment of Basic Monthly Rent due and payable hereunder. The parties agree that it would be impracticable and extremely difficult to fix Landlord’s actual damages in such event. The interest provided for in Section 2.2 and the Late Fee are separate and cumulative and are in addition to and shall not diminish or represent a substitute for any or all of Landlord’s rights or remedies under any other provision of this Lease. If a Late Fee is payable hereunder, whether or not collected, for any three (3) installments of Basic Monthly Rent during any twelve (12) month period, then all further Basic Monthly Rent shall, at Landlord’s sole option, automatically become due and payable quarterly in advance, rather than monthly, notwithstanding any provision of this Lease to the contrary. If any interest or late fees shall be due from Tenant hereunder, then upon receipt of any funds from Tenant, Landlord shall credit and apply such funds first to such interest or late fees, and then to any other monetary obligations of Tenant under this Lease, all in Landlord’s sole and absolute discretion.

2.4 Security Deposit. Tenant deposited with Main Street Stockton the sum of \$111,668.20 (the “**Prior Security Deposit**”) as the security deposit under the terms of the Prior Lease, which Prior Security Deposit has been delivered to Wells Fargo Bank, National Association (the “**Trustee**”). Concurrently with Tenant’s execution of this Lease, (i) Landlord shall obtain from Trustee the Prior Security Deposit, which Tenant agrees is hereby delivered to Landlord as a partial Security Deposit under this Lease, and (ii) Tenant shall deliver to Landlord the additional sum of \$65,963.80 for the remainder of the Security Deposit, which amount represents the difference between the amount of the Prior Security Deposit and the total amount specified in Item 7 of the Basic Lease Provisions (“Security Deposit”). The Security Deposit shall be held by Landlord as security for the faithful performance by Tenant of all terms covenants and conditions of this Lease by Tenant. Tenant agrees that Landlord may apply the Security Deposit to remedy any failure by Tenant to repair or maintain the Premises, to perform any other obligations hereunder, and for past due Rent and future Rent damages that Landlord may recover under the Civil Code of California and any other Regulations now or hereafter in effect. If Tenant has kept and performed all terms, covenants and conditions of this Lease during the Term, Landlord shall, upon the expiration or termination hereof, promptly return any unapplied portion of the Security Deposit to Tenant, or the last permitted assignee of Tenant’s interest hereunder. Should Landlord use or apply any portion of the Security Deposit pursuant to the foregoing, Tenant shall replenish the Security Deposit to the amount required under the Lease within ten (10) business days after receipt of written notice from Landlord. Landlord shall not be required to keep the Security Deposit separate from its general funds, and Tenant shall not be entitled to interest on any Security Deposit. Tenant hereby waives any and all rights under and benefits of Section 1950.7 of the Civil Code of California and any similar Regulation (defined below) now or hereafter in effect.

2.5 Rent. As used herein, “Additional Rent” means all amounts required to be paid by Tenant under this Lease other than Basic Monthly Rent, and “Rent” means, collectively, Basic Monthly Rent and Additional Rent. Notwithstanding anything to the contrary contained herein, all Rent to be paid by Tenant to Landlord shall be delivered to Landlord at the notice address for CBRE set forth in Section 8 of the Basic Lease Provisions, until such time as Landlord may notify Tenant, in accordance with the terms of Section 18.13 hereof, that Landlord wishes for Tenant to deliver any and all Rent to another address.

ARTICLE 4

SERVICES, FACILITIES AND MAINTENANCE

4.1 Landlord’s Provision of Services.

(a) Landlord shall furnish to the Premises heating, ventilation and air conditioning (collectively, “HVAC”) (excluding HVAC services supplied in connection with Tenant’s HVAC Chillers (as hereinafter defined)), telecommunications service, water for reasonable and normal drinking, lavatory, and emergency sprinkler use and replacement light bulbs and/or fluorescent tubes and ballasts for standard overhead fixtures for reasonable and normal office and technology use as of the Commencement Date of this Lease. Landlord shall furnish such services to the Premises between the hours of approximately 7:00 a.m. and 6:00 p.m., Mondays through Fridays, except those holidays designated yearly by Landlord. Notwithstanding the foregoing, Landlord shall furnish to the Premises HVAC services, to the extent required for Tenant’s HVAC Chillers (collectively, the “Chiller Services”), and electricity twenty-four (24) hours per day, seven (7) days per week, and three hundred sixty-five (365) days per year. All services described in this Section 4.1(a) shall be provided subject to Building-wide shutdown for routine maintenance or due to force majeure (as defined in Section 18.5). Upon Tenant’s written request, Landlord shall provide additional HVAC or any of the other utilities or services referred to above (other than Chiller Services and electricity) at Tenant’s request to Landlord. Tenant shall pay to Landlord an amount reasonably determined by Landlord from time to time for such additional services (other than Chiller Services and electricity). Tenant shall keep and cause to be kept closed all window coverings when necessary because of the sun’s position, and Tenant also shall at all times cooperate fully with Landlord and abide by all the regulations and requirements which Landlord may prescribe for the proper functioning and protection of the HVAC system. Notwithstanding anything to the contrary contained herein, Tenant shall provide any and all telecommunications cabling for the Premises necessary for Tenant to use the Premises in accordance with the Permitted Uses set forth in Section 9 of the Basic Lease Provisions; in no event, shall Landlord be responsible for providing such services to the Premises.

(b) Landlord shall provide customary and routine cleaning and janitorial service for the Premises, provided that the Premises are used exclusively as offices and for the Permitted Uses and are kept reasonably in order by Tenant with reasonable wear and tear excepted; such services shall be consistent with janitorial services provided at comparable buildings in the Stockton, California area.

(c) Landlord shall replace building standard lighting in the Premises, as required, without charge to Tenant.

4.2 [Intentionally Omitted.]

4.3 Interruption of Standard Services. Landlord shall not be in default hereunder or liable for any damages directly or indirectly resulting from the inadequacy, defect or failure in the supply of any service described in Section 4.1 caused by (i) the installation or repair of any equipment in connection with the furnishing of utilities or services, (ii) acts of God or the elements, labor disturbances of any character, any other accidents or any other conditions beyond the reasonable control of Landlord, or by the making of repairs or improvements to the Premises or the Project, or (iii) the limitation, curtailment, rationing or restriction imposed by any governmental agency or service or utility supplier on use of water or electricity, gas or any other form of energy or any other service or utility whatsoever serving the Premises or the Project. Furthermore, Landlord shall be entitled, without any obligation or compensation to Tenant, to cooperate voluntarily in a reasonable manner with the efforts of national, state or local governmental agencies or service or utility suppliers in reducing the consumption of energy or other resources; if Landlord shall so cooperate, Tenant shall also reasonably cooperate therewith. Notwithstanding the foregoing, after the tenth (10th) consecutive day of a failure to supply any of the services described in Section 4.1, to the extent within Landlord's reasonable control, Tenant shall be entitled to an abatement of Basic Monthly Rent beginning from the first day of such failure, until such time as such utilities are restored. If such utilities cannot be restored within forty-five (45) days, to the extent within Landlord's control, Tenant may terminate this Lease by fifteen (15) days prior written notice to Landlord; provided, however, if Tenant does not elect to terminate this Lease it shall be entitled to abate Basic Monthly Rental until such time as such utilities are restored, commencing on the tenth (10th) consecutive day of such failure to supply services.

4.4 Common Facilities. The term "Common Facilities" as used in this Lease means all areas and facilities within the exterior boundaries of the Project which are provided and designated from time to time by Landlord for the general use and convenience of Tenant and some or all other tenants of the Project and their respective employees, invitees or other visitors. Tenant, its employees and invitees shall have the nonexclusive right to use the Common Facilities along with others entitled to use same, subject to Landlord's rights and duties as hereinafter set forth and subject to the other provisions of this Lease. Without Tenant's consent and without liability to Tenant, and provided that Landlord uses reasonable efforts to minimize any resultant interference with Tenant's use of and access to the Premises, Landlord may do the following:

(a) Establish and enforce reasonable rules and regulations concerning the maintenance, management, use and operation of the Common Facilities;

(b) Close off any of the Common Facilities to whatever extent required in the reasonable opinion of Landlord and its counsel to prevent a dedication of any of the Common Facilities or the accrual of any rights by any person or the public to the Common Facilities; provided, that in no event shall Tenant's access to the Premises be completely or unreasonably restricted;

(c) Close any of the Common Facilities for maintenance, repair, alteration or improvement purposes;

(d) Select, appoint and/or contract with any person for the purpose of operating and maintaining the Common Facilities; and

(e) Change the size, use, shape or nature of any of the Common Facilities.

4.5 Parking. Tenant shall have the non-exclusive right, so long as this Lease remains in full force and effect, and subject to applicable rules and regulations promulgated by Landlord from time to time, to use the number of parking spaces specified in the Basic Lease Provisions in the Parking Garage, upon such terms and conditions as may be specified in the Basic Lease Provisions, but in no event during the Term of this Lease shall Tenant be required to pay any charges, fees or taxes for its use of the Tenant's Spaces. Landlord shall have certain rights and authority relating to the use and control of the Parking Garage, including, without limitation, the right to rearrange or relocate the parking spaces and improvements in the Parking Garage, to close all or any portion of the Parking Garage for the purpose of maintaining, repairing, restoring, altering or improving same, and to do and perform such other acts in, to and with respect to the Parking Garage at the sole discretion of Landlord; provided that, if Landlord closes all or any portion of the Parking Garage or relocates Tenant's parking spaces, Landlord will use reasonable efforts to provide to Tenant alternate parking arrangements within a reasonable distance of the Parking Garage; provided, that such alternate parking arrangements must be within the Project. Tenant may not sell, assign or transfer its parking rights under this Lease, except pursuant to a Transfer (as defined in Section 8.1) consented to by Landlord or a Permitted Transfer (as defined in Section 8.3); provided, however, that Tenant may rent any or all of Tenant's Spaces to any employees, consultants, advisors, vendors and subcontractors of Tenant working in the Building. Tenant and its invitees, visitors and customers shall also have the right to use in common with other tenants of the Building and their invitees, visitors and customers and the general public any portions of the Parking Garage designated for public use, subject to the rates, rules and regulations, and any other charges, fees and taxes to be collected by Landlord, for such Parking Garage. Landlord reserves the right to establish and alter, from time to time, all such rates, rules and regulations. Tenant acknowledges that neither Landlord nor any agent of Landlord has made any representation or warranty as to the suitability of the Parking Garage or as to the availability of parking spaces in the Parking Garage for the conduct of Tenant's business except as set forth in the Basic Lease Provisions and in this Lease. Notwithstanding anything to the contrary contained herein, except as may be provided in the Basic Lease Provisions, parking spaces provided to Tenant under this Lease shall be unassigned and non-reserved.

4.6 Excess Utilities. Tenant shall not, without the prior written consent of Landlord, use in the Premises any apparatus, device, machine or equipment using excess water; nor shall Tenant connect any apparatus or device to sources of water except through existing water pipes in the Premises. If Tenant shall require excess water or any other resource (except for electricity and bandwidth for telecommunications) in excess of that customarily supplied for use of similar premises as general office space and technology space, Tenant shall first request the consent of Landlord and obtain, at Tenant's sole cost and expense, any additional consent required from governmental authorities. In the event that (i) Landlord gives its consent or (ii) Landlord determines, in Landlord's sole judgment, that Tenant's use of Premises has resulted in Tenant consuming excess water or any other resource (except for electricity and bandwidth for telecommunications) and, in either case any such additional governmental consent is obtained, then Landlord may cause a separate metering device to be installed in the Premises so as to measure the amount of the resource consumed within the Premises. The cost of any such

separate metering device including, but not limited to, the cost of installation, maintenance and repair thereof shall be paid by Tenant. Tenant shall promptly pay the cost of all excess resources consumed within the Premises, together with any additional administrative expense incurred by Landlord in connection therewith. Notwithstanding anything to the contrary contained herein, in no event shall Landlord be required to provide bandwidth services to the Premises, and all such services shall be provided by Tenant (or Tenant shall arrange for the provision of such services), at Tenant's sole cost and expense.

4.7 Payment as Additional Rent. Any sums payable under this Article 4 shall be considered Additional Rent and may be added to any installment of Rent thereafter becoming due, and Landlord shall have the same remedies for a default in payment of such sums as for a default in the payment of any other Rent.

4.8 Landlord to Maintain. Subject to the provisions of Sections 6.3 and 4.9 and Article 12, Landlord shall maintain in reasonably good order and condition the Common Facilities, Parking Garage, the foundation and structural portions of the Building (including, without limitation, the structural soundness of the roof (structure and membrane), foundations, the exterior walls of the Building, and load bearing walls), and the Building systems providing the services and utilities to be furnished by Landlord pursuant to Section 4.1 above (including, without limitation, the Building HVAC, all wiring, plumbing, other conduits and utility lines and pipes).

4.9 Tenant to Maintain. Notwithstanding anything to the contrary contained herein, Tenant shall be required to maintain and, if necessary or desirable, repair, at its sole cost and expense, with contractors approved by Landlord (which approval shall not be unreasonably withheld, conditioned or delayed) each of the Tenant's HVAC chillers installed by Tenant (regardless of whether such chillers were installed prior or subsequent to the date hereof), which are used solely for the purpose of cooling all or any part of the technology or communications equipment on the Premises (collectively, the "Tenant's HVAC Chillers"). In connection with Tenant's maintenance or repair of the Tenant's HVAC Chillers, Tenant shall be permitted access to Tenant's HVAC Chillers upon twenty-four (24) hours prior written notice to Landlord, and, notwithstanding the foregoing, Landlord hereby agrees to use commercially reasonable efforts to provide Tenant same-day access to Tenant's HVAC Chillers for the purpose of maintaining or repairing same, if Tenant's request for such access is received by Landlord between the hours of approximately 7:00 a.m. and 6:00 p.m., Monday through Friday, excluding Landlord designated holidays; provided, however, that in the event of an emergency, access will be provided at other times as soon as practicable at Tenant's cost.

ARTICLE 5

ACCEPTANCE OF PREMISES

Tenant acknowledges that neither Landlord nor any agent of Landlord has made any representations or warranties with respect to the suitability or fitness of the Premises for the conduct of Tenant's business or for any other purpose. The taking of possession or use of the Premises by Tenant shall conclusively establish that the Premises and the Building were at such time ready for occupancy and in conformity with the provisions of this Lease in all respects. Nothing contained in this Article shall affect the commencement of the Term or the obligation of Tenant to pay any Rent due under this Lease.

ARTICLE 6**ALTERATIONS AND REPAIRS**

6.1 **Alterations.** Tenant shall not, without the prior written consent of Landlord, make any alterations, improvements or additions to the Premises or the Project or any part thereof. All alterations, improvements or additions, made to the Premises shall become Landlord's property and remain upon the Premises at the termination or expiration of the Lease (excepting only Tenant's moveable office furniture, technology equipment (including, without limitation, the Tenant's HVAC Chillers, subject to Section 16.1), trade fixtures and office and professional equipment); provided, however, that Landlord shall have the right to require Tenant to remove such alterations, improvements or additions made by Tenant after the date of this Lease at Tenant's cost upon the termination or expiration of this Lease, and the repair of any damage caused to the Premises, the Building or any other portion of the Project as a result of any such removal shall be paid for by Tenant. All alterations, improvements and additions shall be made in compliance with all applicable Regulations (defined below) and in a good and first-class workmanlike manner using new materials, which shall be at least equal in quality to the original installations. Any contractor selected to make such alterations, additions or improvements must (a) be bondable and licensed in the State of California; (b) be approved in advance, in writing, by Landlord; and (c) provide insurance coverage acceptable to Landlord naming Landlord, Landlord's asset manager, and Landlord's property manager as additional named insureds. At Landlord's option, any alterations, additions or improvements desired by Tenant shall be made by Landlord (or its contractors) for Tenant's account, and Tenant shall pay the cost thereof to Landlord prior to Landlord's contracting for such work; provided, however, that the bid obtained by Landlord shall not exceed the lowest bona fide bid, from a contractor reasonably satisfactory to Landlord, theretofore obtained by Tenant and communicated in writing to Landlord. Upon completion of any alterations, additions or improvements, Tenant shall furnish to Landlord a set of "as built" plans and specifications therefor, in both electronic (CAD) and print formats, and, within ten (10) days after such completion, Tenant shall cause an appropriate notice of completion to be recorded in the Official Records of San Joaquin County, California. Upon request, Landlord will advise Tenant of Landlord's approved contractor(s). After the date of execution of this Lease, if Tenant makes any alterations or improvements to the Premises, Tenant shall pay a construction administration fee, if any, owed to Landlord's property manager pursuant to the then existing management agreement between Landlord and Landlord's property manager. Notwithstanding the foregoing, Landlord's prior consent shall not be required for any alterations that (i) are reasonably estimated to cost less than Ten Thousand Dollars (\$10,000); (ii) are not visible from outside the Premises; (iii) do not affect the structural portions of the Buildings; and (iv) comply with all Regulations.

6.2 **Indemnity.** Tenant indemnifies, defends, protects and holds Landlord and the other Landlord Parties (as defined in Section 9.1) harmless from all costs, damages, liens for labor, services and materials relating to work performed by Tenant or its agents, whether prior to or following the Commencement Date, and shall defend and hold Landlord and the other Landlord Parties harmless from all costs, damages, liens and expenses (including attorney's fees and court costs) related thereto.

6.3 **Tenant.** Except as set forth in Section 4.8 and Article 12 below, Tenant shall, at all times during the Term and, at Tenant's sole cost and expense, keep the Premises and every part thereof in good order, condition and repair, reasonable wear and tear excepted. All repairs

performed by Tenant shall be of quality or class at least equal to the original mode of construction of the Building. Tenant hereby waives any and all rights under and benefits of subsection 1 of Section 1932, and Sections 1941 and 1942, of the Civil Code of California and any similar Regulation (defined below) now or hereafter in effect. It is hereby understood and agreed that Landlord has no obligation to alter, remodel, improve, repair, decorate or paint the Premises or any part thereof, except as specified in Section 4.8 and Article 12 below, and that no representations relating to the condition of the Premises or any portion of the Project, including, but not limited to the Building, have been made by Landlord (or any employee or agent thereof) to Tenant, except as may be expressly set forth in this Lease. If, at any time, Tenant fails to make any repair required to the Premises, then Landlord shall have the right, if it so elects, to make such repair and to immediately charge the costs of the same, together with a five percent (5%) overhead and administrative cost, to Tenant as Additional Rent.

6.4 [Intentionally Omitted.]

6.5 Liens. Tenant shall keep the Project free from any liens arising out of any work performed, material furnished or obligations incurred by Tenant. In the event that Tenant shall not, within ten (10) days following the imposition of any such lien, cause the same to be released of record by payment or posting of a proper bond or other security reasonably acceptable to Landlord, Landlord shall have, in addition to all other remedies provided herein and at law or in equity, the right, but no obligation, to cause same to be released by such means as it shall deem proper including, but not limited to, payment (from the Security Deposit or otherwise) of the claim giving rise to such lien. All such sums paid by Landlord and all expenses incurred by it in connection therewith shall be considered Additional Rent and shall be payable to it by Tenant on demand with interest at the Interest Rate (as defined in Section 2.2). Landlord may require, at Landlord's sole option, that Tenant cause to be provided to Landlord, at Tenant's sole cost and expense, a performance and labor and materials payment bond acceptable to Landlord with respect to any improvements, additions or alterations to the Premises. Landlord shall have the right at all times to post and keep posted on the Premises any notices permitted or required by applicable Regulation (defined below), or which Landlord shall deem proper, for the protection of Landlord, the Project and any other party having an interest therein from mechanics' and materialmen's liens, and Tenant shall give Landlord at least five (5) business days' prior written notice of commencement of any work on the Premises.

ARTICLE 7

PREMISES

7.1 [Intentionally Omitted].

7.2 Permitted Use. Tenant shall use and occupy the Premises only for the Permitted Uses set forth in the Basic Lease Provisions.

7.3 Conduct of Business.

(a) Tenant shall not do or permit anything to be done in or about the Project which will, in any way, obstruct or interfere with the rights of other tenants or occupants of the Building, or injure or annoy them, or allow the Premises or the Project to be used for any improper, immoral, unlawful or objectionable purpose, nor shall Tenant cause, maintain, or permit any nuisance or waste in, on, or about the Project.

(b) Tenant shall not use the Premises or permit anything to be done in or about the Premises or the Project which shall: (i) conflict with any law, statute, ordinance, or governmental rule or regulation now in force or that may hereafter be enacted or promulgated (including without limitation the Americans with Disabilities Act, as the same may be amended from time to time), the requirements of the Certificate of Occupancy for the Building or with the requirements of any covenant, condition or restriction affecting the Project (collectively, “Regulations,” and individually, a “Regulation”); or (ii) except as a result of a Permitted Use, increase the rate for any fire insurance in effect for the Building or cause a cancellation of such insurance or otherwise negatively affect said insurance in any manner. Tenant shall, at its sole cost and expense, promptly comply with all Regulations in force or which may hereafter be in force, and with the requirements of any fire insurance underwriters or other similar body affecting the use and occupancy of the Premises; provided, that in no event shall Tenant be required to make any (x) structural improvements or capital expenditures, including, but not limited to, capital improvements, capital repairs, capital equipment, and capital tools, or (y) rental payments or other related expenses incurred in connection with leasing equipment ordinarily considered to be of capital nature to the Premises; provided, however, that the foregoing provision shall be subject in all respects to any and all indemnification obligations of Tenant set forth herein.

7.4 [Internationally Omitted].

7.5 Signs. Tenant shall not, without the prior written consent of Landlord, place, construct or maintain any sign, advertisement, awning, banner or other decoration on or visible from, or otherwise use, the exterior of the Premises (including, but not limited to, the outer surfaces of the exterior walls and doors of the Premises, the roof of the Building, the Common Facilities, and the public areas of the Project). Tenant shall pay the cost of any such sign approved by Landlord together with the costs of installation thereof. Landlord will provide standard lettering identifying Tenant for the building directories as Landlord, in its sole discretion, may determine. Landlord shall have the sole right to determine and change from time to time the type of such directory(ies) and such sign and the contents thereof including, but not limited to, size of letters, style, color and placement. Any changes to the directory signage shall be at Tenant’s expense. Notwithstanding the foregoing, any Tenant signage that exists as of the Commencement Date shall be deemed to be consented to and approved by Landlord.

7.6 Load and Equipment Limits. Tenant shall not place a load upon any floor of the Premises which exceeds the load per square foot which such floor was designed to carry, as determined by Landlord or Landlord’s structural engineer, but in no event greater than that allowed under the current applicable building code. The cost of any such determination made by Landlord’s structural engineer shall be paid for by Tenant upon demand. Tenant shall not install business machines or mechanical equipment which cause noise or vibration to such a degree as to be objectionable to Landlord or other Building tenants. Notwithstanding the foregoing, Tenant represents and warrants that Tenant has been in possession of the Premises prior to the execution of this Lease, and any and all improvements existing at the Premises, and equipment located at the Premises, is permitted and not in violation of this Lease. Additionally, as of the Commencement Date and for the duration of this Lease, any action taken by Tenant to maintain, supplement, improve or replace such improvements or equipment, as permitted under this Lease, will not be deemed to violate this Section 7.6.

7.7 Notice. Tenant shall give Landlord prompt notice of any damage to or defective condition in any part or appurtenance of the Building's mechanical, electrical, plumbing, HVAC or other systems serving, located in, or passing through the Premises.

7.8 Personal Property Taxes. Tenant shall pay before delinquency all taxes, assessments, license fees, and other charges that are levied and assessed against Tenant's trade fixtures and other personal property installed or located in or on the Premises, and that become payable during the Term (the "Personal Property Taxes"). On demand by Landlord, Tenant shall furnish Landlord with satisfactory evidence of these payments. If any taxes on Tenant's personal property are levied against Landlord or Landlord's property, or if the assessed value of the Building and other improvements in which the Premises are located is increased by the inclusion of a value placed on Tenant's personal property or leasehold improvements, as determined by Landlord, and if Landlord pays the taxes on any of these items or the taxes based on the increased assessment of these items, Tenant, on demand, shall immediately reimburse Landlord for the sum of the taxes levied against Landlord, or the proportion of the taxes resulting from the increase in Landlord's assessment. Landlord shall have the right to pay (and Tenant shall have the obligation to reimburse Landlord for) any and all Personal Property Taxes regardless of the validity of the levy.

7.9 Real Estate Taxes. To the extent Real Estate Taxes (as hereinafter defined) are levied or assessed against the Project, Landlord shall pay before delinquency all such Real Estate Taxes; provided, however that Landlord shall have the right to undertake an action or proceeding against the applicable collecting authority seeking an abatement of Real Estate Taxes or a reduction in the valuation of the Project (or any portion thereof) and/or contest the applicability of any Real Estate Taxes. In any instance where any such permitted action or proceeding is being undertaken by Landlord, Tenant shall cooperate reasonably with Landlord, and execute any and all documents reasonably required in connection therewith. Landlord shall be entitled to any refund of Real Estate Taxes received by Tenant or Landlord, whether or not such refund was a result of actions or proceedings instituted by Landlord. As used herein the term "Real Estate Taxes" means any form of assessment, levy, charge, tax, or imposition imposed by any authority having the direct power to tax, including any city, county, state or federal government, or any school, agricultural, lighting, drainage or other improvement or special assessment district thereof, or any other governmental charge, general and special, ordinary and extraordinary, foreseen and unforeseen, which may be assessed against any legal or equitable interest of Landlord in the Project, but specifically excluding any and all Personal Property Taxes.

7.10 Possessory Tax. Notwithstanding anything to the contrary contained herein, Tenant shall pay, before delinquency, all possessory interest or use taxes, assessments, or fees levied or assessed upon the Premises, or any portion thereof.

ARTICLE 8

ASSIGNMENT AND SUBLETTING

8.1 Transfer. Tenant shall not cause or permit any of the following without the prior written consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed (any of the following, a "Transfer"): (a) assign, mortgage, pledge, encumber or otherwise transfer, voluntarily, by operation of law, or otherwise, any interest in this Lease, the term or estate hereby granted, or any interest hereunder; (b) permit the Premises or any part thereof to be utilized by anyone other than Tenant (whether as concessionaire, franchisee,

licensee, permittee or otherwise); or (c) except as hereinafter provided, sublet or offer or advertise for subletting the Premises or any part thereof. Tenant shall not permit any transferee to further assign, sublease, hypothecate, encumber or otherwise transfer any such interest, without obtaining Landlord's prior written consent. In determining whether to grant consent to a Transfer, Landlord may consider various factors including, without limitation, the following: (w) business criteria relating to the proposed transferee's background, experience, reputation, general operating ability and ability to perform Lease obligations, and potential for succeeding in its business, (x) financial criteria relating to the proposed transferee's financial responsibility, credit rating and capitalization, (y) the identity and personal characteristics of the proposed transferee and its invitees and guests, and (z) the nature of the proposed use and business of the proposed transferee and its effect on the tenant mix of the Building. Without limiting the generality of the foregoing, Landlord hereby reserves the right to reasonably condition consent to any Transfer upon Landlord's determination that (i) the proposed transferee is at least as financially and morally responsible as Tenant then is, or was upon the execution hereof, whichever is greater, and (ii) the proposed transferee shall use the Premises in compliance with all applicable Regulations. Notwithstanding any provision in this Lease to the contrary, but subject to Landlord's agreement not to unreasonably withhold consent as set forth in the first sentence of this Section 8.1, Tenant shall not enter into any proposed Transfer (1) with a prospective tenant that is negotiating directly with Landlord to lease space in the Building, (2) at a time when Landlord is offering space for lease in the Building of similar size and for a similar term as that space being offered by Tenant for sublease or assignment within the Building, or (3) that would result in (A) detraction from the first-class character or image of the Building or diminution in the value thereof, (B) the Premises being occupied by more than one (1) tenant, or (C) a breach by Landlord of any then-existing exclusive right in favor of any other tenant of the Building, any loan obligation or agreement, any covenants, conditions and restrictions of record, or any insurance policy. Any Transfer entered into without Landlord's consent, shall be voidable and, at Landlord's election, shall constitute a default under this Lease. All Transfers are subject to Section 11.1.

8.2 Notice and Procedure. If at any time or from time to time during the Term, Tenant desires to enter into a Transfer, then at least thirty (30) days, but not more than one hundred twenty (120) days, prior to the date when Tenant desires the Transfer to be effective (the "Transfer Date"), Tenant shall give Landlord a notice (the "Notice") which shall set forth the name, address and business of the proposed assignee or sublessee, information concerning the character of the proposed assignee or sublessee (including financial statements, business, credit and personal references and history), a detailed description of the space proposed to be assigned or sublet, which must be a single, self-contained unit (the "Space"), any rights of the proposed assignee or sublessee to use Tenant's improvements, the intended Transfer Date, and the fixed rent and/or other consideration and all other material terms and conditions of the proposed Transfer, all in such detail as Landlord may reasonably require. If Landlord reasonably requests reasonable additional detail, the Notice shall not be deemed to have been received until Landlord receives such reasonably requested reasonable additional detail. Landlord shall have the option, exercisable by giving notice to Tenant at any time within thirty (30) days after Landlord's receipt of the Notice (the "Option Period") (a) in the case of an assignment or sublease, to terminate this Lease as to the Space as of the Transfer Date, in which event Tenant shall be relieved of all further obligations hereunder as to the Space; or (b) in the case of a sublease, to sublease the Space from Tenant upon the terms and conditions set forth in the Notice, except that the rent shall be the lower of the per square foot Rent described in Articles 2 and 3 payable under this Lease for the Space, or that part of the rent and other consideration set forth in the Notice which

is applicable to the Space. If Landlord exercises its option to sublet the Space, then Tenant shall sublet the Space to Landlord upon the terms and conditions set forth in clause (b) above; provided: (i) Landlord shall at all times under such sublease have the right and option further to sublet the Space without obtaining Tenant's consent or sharing any of the economic consideration received by Landlord; (ii) the provisions of Section 7.2 shall not be applicable thereto; (iii) Landlord and its subtenants shall have the right to use in common with Tenant all lavatories, corridors and lobbies which are within the Premises and the use of which is reasonably required for the use of the Space; (iv) Tenant shall have no right of set-off or abatement or any other right to assert a default hereunder by reason of any default by Landlord under such sublease; and (v) Landlord's liability under such sublease shall not be deemed assumed or taken subject to by any successor to Landlord's interest under this Lease. Should Landlord fail to exercise either option within the Option Period, such failure shall not constitute Landlord's consent to the Transfer. Notwithstanding anything herein to the contrary, the foregoing Landlord recapture right shall not apply to any proposed sublease of a portion of the Premises for a term of one (1) year or less. If Landlord elects not to exercise either option, then Tenant shall be free to enter into the Transfer subject to the following conditions:

(a) The Transfer shall be on the same terms set forth in the Notice given to Landlord;

(b) No Transfer shall be valid and no assignee or sublessee shall take possession of the Space until Landlord has consented in writing to the Transfer and an executed counterpart of the assignment or sublease has been delivered to Landlord;

(c) In no event shall any assignee or sublessee (with the exception of Landlord should Landlord elect to sublet the Space pursuant to subsection (b) above) have a right to further assign or sublet the Space;

(d) The Transfer shall not result in more than two portions of the Premises being sublet at any one time during the Term by more than two different sublessees;

(e) If the Lease shall be assigned, or the Premises shall be sublet, Landlord may collect Rent directly from any such assignee or sublessee, as the case may be, in the event of default by Tenant; and

(f) Fifty percent (50%) of any sums or other economic consideration received by Tenant as a result of any Transfer, whether denominated rent or otherwise, which exceed, in the aggregate, the total sums which Tenant is obligated to pay Landlord under this Lease (prorated as to any sublease to reflect obligations allocable to that portion of the Premises subject to such sublease) shall be payable to Landlord as Additional Rent under this Lease, without affecting or reducing any other obligation of Tenant hereunder. Amounts payable under this Section by Tenant to Landlord shall be based on figures net of any costs incurred by Tenant in connection with the transaction in question. The provisions of this Section shall apply regardless of whether the Transfer is made in compliance with the provisions of this Lease. Any payments made to Landlord pursuant to this Section shall not cure any default under this Lease arising from any Transfer. Tenant shall not artificially structure any Transfer in order to reduce the amount payable to Landlord under this Section, nor shall Tenant take any other steps for the purpose of circumventing its obligation to pay amounts to Landlord under this Section; in the event that Tenant does same, Tenant shall be in default of this Lease and the amount payable to Landlord under this Section shall be the amount that would have been payable to Landlord had

same not occurred plus a late fee on such amount (as described in Section 2.3). Tenant shall deliver to Landlord a statement within thirty (30) days after the end of each calendar year in which any part of the Term occurs specifying as to such calendar year, and within thirty (30) days after the expiration or earlier termination of the Term, specifying with respect to the elapsed portion of the calendar year in which such expiration or termination occurs, each Transfer in effect during the period covered by such statement and the date of its execution and delivery, the number of square feet of the rentable area demised thereby, and the term thereof; and a computation in reasonable detail showing: (i) the amounts (if any) paid and payable by Tenant to Landlord pursuant to this Article 8 with respect to any Transfer for the period covered by such statement, and (ii) the amounts (if any) paid and payable by Tenant to Landlord pursuant to this Article 8 with respect to any payments received from a sublessee or assignee during such period but which relate to an earlier period.

8.3 Permitted Transfer. Notwithstanding anything to the contrary contained herein, Tenant shall have the right, without obtaining Landlord's prior written consent, but subject to the terms hereof, to do any of the following (each, a "Permitted Transfer") (i) transfer to a Permitted Transferee any interest in this Lease, the term or estate hereby granted, or any interest hereunder or (ii) sublet the Premises or any part thereof to a Permitted Transferee. For the purposes hereof, a "Permitted Transferee" means an entity that (a) controls, is controlled by, or is under common control with Tenant, (b) results from the transfer of all or substantially all of Tenant's assets or stock, or (c) results from the merger or consolidation of Tenant with another entity. If Tenant desires to enter into a Permitted Transfer, Tenant shall, as a condition to the effectiveness of such Permitted Transfer hereunder, at least thirty (30) days prior to the date when Tenant desires the Permitted Transfer to be effective, provide Landlord with written notice of such Permitted Transfer, together with detailed evidence of the financial condition of the Permitted Transferee, the proposed form of sublease or assignment and such other information as Landlord, in the exercise of its business judgment, shall request. As used in this Section, "control" means ownership of voting securities sufficient to elect a majority of the board of directors of a corporation, or analogous ownership interests of non-corporate entities.

8.4 Continuing Liability of Tenant. Regardless of Landlord's consent to a Transfer or Tenant entering into a Permitted Transfer, no subletting, assignment or other transfer shall release Tenant's obligation or alter the primary liability of Tenant to pay Rent and to perform all other obligations to be performed by Tenant hereunder. The acceptance of Rent by Landlord from any other person shall not be deemed to be a waiver by Landlord of any provision hereof. Consent to one Transfer shall not be deemed consent to any subsequent Transfer. If any assignee of Tenant or any successor of Tenant defaults in the performance of any of the terms hereof, Landlord may proceed directly against Tenant without the necessity of exhausting remedies against such assignee or successor. In no event shall Landlord's enforcement of any provision of this Lease against any assignee be deemed a waiver of Landlord's right to enforce any term of this Lease against Tenant or any other person. Landlord may consent to subsequent Transfers or amendments or modifications to this Lease with assignees of Tenant, without notifying Tenant, any successor of Tenant, or any guarantor under this Lease, and without obtaining its or their consent thereto, and such action shall not relieve Tenant of its liability under this Lease.

8.5 Bankruptcy Case. Tenant filed a petition for chapter 9 relief on June 28, 2012, which case is pending in the United States Bankruptcy Court for the Eastern District of California (the "Bankruptcy Court") under Case No. 12-32118 (the "Bankruptcy Case"). Tenant

hereby represents and warrants that it has received any Bankruptcy Court approval legally required to enter into this Lease and to honor all of its obligations hereunder.

8.6 Subsequent Bankruptcy Case. In the event that the Bankruptcy Case is dismissed, and Tenant subsequently files another petition for chapter 9 relief (initiating the "Subsequent Bankruptcy Case") and an order for relief is entered in the Subsequent Bankruptcy Case, Section 365 of the Bankruptcy Code shall apply to the Lease. In addition to the requirements of Section 365 of the Bankruptcy Code, if Tenant proposes to assume and assign this Lease pursuant to Section 365 to any person or entity who has made or accepted a bona fide offer to accept an assignment of the Lease on terms acceptable to Tenant, then notice of the proposed assignment setting forth (a) the name and address of the proposed assignee, (b) all of the terms and conditions of the offer and proposed assignment, and (c) the adequate assurance to be furnished by the proposed assignee of its future performance under the Lease, shall be given to Landlord by Tenant no later than twenty (20) days after Tenant has made or received such offer, but in no event later than ten (10) days prior to the date on which Tenant applies to a court of competent jurisdiction for authority and approval to enter into the proposed assignment. Landlord shall have the prior right and option, to be exercised by notice to Tenant given at any time prior to the date on which the court order authorizing such assignment becomes final and non-appealable, to receive an assignment of this Lease upon the same terms and conditions, and for the same consideration, if any, as the proposed assignee, less any brokerage commissions which may otherwise be payable out of the consideration to be paid by the proposed assignee for the assignment of this Lease. If this Lease is assigned in a Subsequent Bankruptcy Case pursuant to the provisions of the Bankruptcy Code, Landlord (i) may require from the assignee a deposit or other security for the performance of its obligations under this Lease in an amount substantially the same as would have been required by Landlord upon the initial leasing to a tenant similar to the assignee; and (ii) shall receive, as Additional Rent, the sums and economic consideration described in this Article 8. Any person or entity to which this Lease is assigned, pursuant to Section 365 of the Bankruptcy Code, shall be deemed, without further act or documentation, to have assumed all of the Tenant's obligations arising under this Lease on and after the date of such assignment. Any such assignee shall, upon demand, execute and deliver to Landlord an instrument confirming such assumption. No provision of this Lease shall be deemed a waiver of Landlord's rights or remedies under the Bankruptcy Code to oppose any assumption and/or assignment of this Lease, to require a timely performance of Tenant's obligations under this Lease, or to regain possession of the Premises if this Lease has neither been assumed nor rejected within sixty (60) days after the date of the order for relief or within such additional time as a court of competent jurisdiction may have fixed. Notwithstanding anything in this Lease to the contrary, all amounts payable by Tenant to or on behalf of Landlord under this Lease, whether or not expressly denominated as Rent, shall constitute rent for the purposes of Section 502(b)(6) of the Bankruptcy Code.

8.7 Fees to Landlord. Tenant shall pay to Landlord a fee of \$1,000 plus Landlord's costs and expenses (including, but not limited to, reasonable attorneys', accountants', architects', engineers' and consultants' fees in an amount not to exceed \$2,000) incurred in connection with the processing and documentation of any Transfer (whether or not the Transfer is approved by Landlord or actually occurs) or any Permitted Transfer.

ARTICLE 9

LIABILITY AND INDEMNIFICATION

9.1 Tenant's Waiver of Claims and Indemnity. Tenant, to the extent permitted by applicable Regulation, waives all claims for loss, theft or damage to property and for injuries to persons, including death, in, upon or about the Premises or the Project, from any cause whatsoever except loss, damage or injury caused by the gross negligence or willful misconduct of Landlord and, without limiting the generality of the foregoing, whether caused by water leakage of any character from the roof, walls, basement or any other portion of the Premises or the Project, or by gas, fire, oil or electricity, or by any interruption of utilities or services, or by any tenant, occupant or other person, or by any other cause whatsoever in, on or about the Premises or the Project. Notwithstanding any contrary provision in this Lease, neither Landlord, nor its members, officers, agents, managers, contractors, servants, employees or invitees (collectively, with Landlord, the "Landlord Parties") shall in any event be liable for consequential damages hereunder. Tenant indemnifies, defends, protects and holds Landlord and the other Landlord Parties harmless from and against any loss, liability, claim, damage or expense (including attorneys' fees and court costs) arising out of or resulting from Tenant's use or occupancy of the Premises, the Building, the Common Facilities or any other area within the Project, whether prior to, or following, the Lease Commencement Date, other than that caused by the gross negligence or willful misconduct of Landlord, its partners, agents, servants or employees. If any action or proceeding is brought against Landlord or any other Landlord Party by reason of any such matter, Tenant shall, upon Landlord's request, defend same at Tenant's expense by counsel selected by Tenant that is reasonably satisfactory to Landlord. The provisions of this Section 9.1 shall survive the expiration or termination of this Lease.

9.2 Negligence of Third Parties. Neither Landlord nor any other Landlord Party shall be liable to Tenant for any damage by or from any act of negligence of any tenant or other occupant of the Project, except as set forth in Section 9.3. Tenant agrees to pay for all damage to the Premises or the Project, as well as all damage to tenants or occupants thereof caused by Tenant's misuse, overuse, overloading or neglect of the Premises or the Project, the apparatus, improvements or appurtenances thereof, or caused by any licensee, contractor, agent or employee of Tenant.

9.3 Landlord Indemnity. Landlord shall indemnify, protect, defend and hold harmless Tenant and its agents, from and against any and all claims, liabilities, losses, costs, damages, injuries or expenses, including reasonable attorneys' fees, arising out of or relating to gross negligence or willful misconduct of Landlord or Landlord's agents, employees or invitees.

ARTICLE 10

INSURANCE

10.1 Insurance to be Carried by Tenant. Tenant shall during the Term, at its sole cost and expense, obtain and maintain the following types of insurance:

(a) A policy or policies of property insurance in the name of Tenant covering Tenant's leasehold improvements and any property of Tenant located on, or used in connection with, the Premises, including, but not limited to, furniture, additions and fixtures, and providing protection against all perils included within the classification of fire, extended coverage,

vandalism, malicious mischief, theft, terrorism, special extended peril (all risk) and sprinkler leakage, in an amount equal to at least one hundred percent (100%) of the replacement cost thereof from time to time (including, without limitation, cost of debris removal), with an agreed amount endorsement, and providing protection against loss of income and extra expense;

(b) Commercial general liability insurance with a combined single limit of Two Million Dollars (\$2,000,000) per occurrence in the name of Tenant (naming Landlord as an additional insured thereunder, and, if requested by Landlord, naming any manager of any of the Premises or the Project, and any mortgagee, trust deed holder, ground lessor or secured party with an interest in this Lease, or any portion of the Project, as additional insureds thereunder); such policy shall specifically include, without limitation, personal injury, broad form property damage, and contractual liability coverage, the last of which shall cover the insuring provisions of this Lease and the performance by Tenant of the indemnity agreements in Article 9 above; such policy shall contain cross-liability endorsements and shall provide coverage on an occurrence basis; the amount of such insurance required hereunder shall be subject to adjustment from time to time as reasonably requested by Landlord;

(c) Worker's Compensation insurance coverage as required by applicable Regulation, together with employer's liability insurance coverage;

(d) Business Interruption insurance in such amounts as will reimburse Tenant for direct or indirect loss of earnings attributable to all perils commonly insured against by prudent tenants (in the reasonable judgment of Landlord or its lenders ("Landlord's Lenders") or attributable to prevention of access to the Premises or to the Building as a result of such perils; and

(e) Any other form or forms of insurance as Landlord or Landlord's Lenders may reasonably require from time to time in form, in amounts and for insurance risks against which a prudent tenant would protect itself (in the reasonable judgment of Landlord or Landlord's Lenders) , provided that if Tenant elects to insure under a Joint Powers Agreement as permitted by this Section 10.1 such other forms of insurance as may become required pursuant to this Section 10.1(e) shall only be required if provided for under the Joint Powers Agreement.

Each policy evidencing insurance required to be carried by Tenant pursuant to this Article shall contain a provision showing Landlord, Landlord's Lenders and Landlord's property manager, and any other parties in interest as designated by Landlord, as additional named insureds.

Notwithstanding anything in this Article 10 to the contrary, at the inception of this Lease and for the duration of this Lease if so elected by Tenant, Tenant shall be permitted to maintain, in lieu of any insurance required hereunder, self-insurance or other insurance coverage programs including without limitation an insurance pooling arrangement or Joint Powers Agreement; provided, however, that (a) Tenant shall be required to maintain commercial general liability insurance as required under Sections 10.1(b) and 10.2 in the amount of any self-insured retention or deductible provided for under the Joint Powers Agreement; and (b) the right to self-insure shall not be granted to any assignee of Tenant.

10.2 Policy Forms and Delivery. Unless otherwise maintained by Tenant as permitted under Section 10.1, all policies shall be taken out from insurers licensed in California, acceptable to Landlord and in form satisfactory to Landlord. All policies must be issued by insurers with a

policy holder rating of “A-VIII” or better and a financial rating of “X” in the most recent version of Best’s Key Rating Guide. Without limiting the generality of the foregoing, any deductible amounts under said policies shall be subject to Landlord’s approval. Tenant agrees that certificates of such insurance shall be delivered to Landlord as soon as practicable after the placing of the required insurance, but in no event later than thirty (30) days prior to the date Tenant takes possession of the Premises. All policies shall require at least ten (10) days prior written notice to Landlord, and to any other additional insureds thereunder, by the insurer prior to termination, cancellation or material change in such insurance. Tenant shall, at least thirty (30) days prior to the expiration of any of such policies, furnish Landlord with a renewal or binder therefor. Tenant may carry insurance under a so-called “blanket” policy, provided that such policy provides that the amount of insurance required hereunder shall not be prejudiced by other losses covered thereby, and as otherwise approved by Landlord. All insurance policies carried by Tenant shall be primary with respect to, and non-contributory with, any other insurance available to Landlord. Such policies shall provide that the interests of Landlord and any other additional insureds designated by Landlord shall not be invalidated due to any breach or violation of any warranties, representations or declarations contained in such policies or the applications therefor. Upon failure of Tenant to procure, maintain and place such insurance and pay all premiums and charges therefor, Landlord may, but shall not be obligated to, purchase such insurance, and in such event, Tenant shall pay all premiums and charges therefor to Landlord as Additional Rent within five (5) days after demand.

10.3 Use of Proceeds. In the event of damage or destruction to the leasehold improvements in the Premises covered by insurance required to be taken out by Tenant pursuant to this Article, Tenant shall use the proceeds of such insurance for the purposes of repairing or restoring such leasehold improvements. In the event of damage or destruction of the Building entitling Landlord or Tenant to terminate this Lease pursuant to Article 12 hereof, if the Premises have also been damaged, Tenant will pay to Landlord that portion of its insurance proceeds relating to the leasehold improvements in the Premises that were paid for by Landlord.

10.4 Landlord’s Insurance. During the Term, Landlord shall keep and maintain property insurance for the Project in such amounts, and with such coverages, and Landlord may keep and maintain such other insurance (including, but not limited to, earthquake insurance), as Landlord may reasonably determine or as any of Landlord’s Lenders may require. Tenant acknowledges that it shall not be a named insured in such policies and that it has no right to receive any proceeds from any such insurance policies carried by Landlord. Notwithstanding any contrary provision herein, Landlord shall not be required to carry insurance covering the property described in Subsection 10.1(a) above or covering flood or earthquake.

10.5 Waiver of Subrogation; Indemnities. Landlord and Tenant waive their respective right of recovery against the other and their respective managers, officers, directors, partners, agents and employees to the extent damage or liability is insured against under a policy or policies of insurance required to be carried hereunder, whether or not such damage or liability may be attributable to the negligence or act of either party or its respective agents, invitees, contractors, servants or employees. Such waiver by each party shall be effective for the benefit of the other party notwithstanding any failure by the waiving party to carry the insurance required by the provisions of this Lease. Each insurance policy required to be carried by either Landlord or Tenant shall include such a waiver of the insurer’s rights of subrogation. Where liability or damage to the Premises is insured against under both the policy or policies of insurance carried by Landlord and the policy or policies of insurance carried by Tenant, to the

extent that insurance proceeds are available from the policy or policies of insurance carried by the party bearing the responsibility to indemnify with respect to such liability or damage, such waiver shall not limit, restrict or alter any indemnity made by Landlord or Tenant hereunder and the insurance proceeds available from the policy or policies of insurance carried by the party bearing responsibility to indemnify with respect to such liability or damage shall be applied to the liability or the repair of such damage prior to the application of the insurance proceeds available from the policy or policies of insurance carried by the other party.

10.6 Premium Increases. Tenant shall pay any increases in insurance premiums relating to property in the Project (whether such insurance is maintained by Landlord or Tenant) to the extent that any such increase is specified by the insurance carrier as being caused by Tenant's acts or omissions or use or occupancy of the Premises.

10.7 Landlord's Insurance.

(a) Liability Insurance. During the Term of this Lease, Landlord shall, at Landlord's sole cost and expense obtain and keep in full force and effect comprehensive general liability insurance insuring Landlord against any and all liability arising out of its control of the Project. Said insurance shall be in an aggregate coverage amount equal to Two Million Dollars (\$2,000,000), with excess general liability insurance coverage of Twenty Five Million Dollars (\$25,000,000). Any insurance policies hereunder may be "blanket policies."

(b) Property Insurance. During the Term of this Lease, Landlord shall obtain and keep in force during the Term a policy or policies of insurance covering loss or damage to the Building and the Project exclusive of the cost of excavations, foundations and footings, in the amount of Forty-Three Million Dollars (\$43,000,000), or such lesser amount deemed sufficient by Landlord to protect its interest in the Project, providing protection against all perils included within the classification of fire, extended coverage, vandalism, malicious mischief, plate glass (subject to the perils of the basic policy), sprinkler leakage, earthquake caused sprinkler leakage, and such other perils as Landlord deems advisable or may be required by a lender having a lien on the Building.

ARTICLE 11

TRANSFER OF LANDLORD'S INTEREST

11.1 Transfer Rights. In the event of a transfer of all or any portion of Landlord's interest in this Lease or the Project, other than a transfer for security purposes only, Landlord shall, upon consummation of such transfer, be released from any liability relating to obligations or covenants thereafter to be performed or observed under this Lease, and, in such event, Tenant agrees to look solely to Landlord's successor in interest with respect to any such liability. Landlord may transfer or credit any security deposit or prepaid Rent to Landlord's successor in interest, and upon such transfer or credit Landlord shall be discharged from any further liability therefor, provided that Landlord's successor-in-interest expressly acknowledges the rights of Tenant, as tenant, under this Lease.

11.2 Tenant Cooperation. If Landlord transfers the Project to a governmental or non-profit entity that is able to utilize tax-exempt financing to purchase the Project, then Tenant covenants and agrees to reasonably cooperate, at no cost or expense to Tenant, with Landlord and the prospective purchaser in order to facilitate the issuance of tax exempt debt. Any right of

the Tenant to transfer or sublease all or any portion of the Premises pursuant to Article 8 is subject to this covenant, and if the Tenant has entered into a sublease that, in the reasonable discretion of a prospective purchaser, precludes the use of tax exempt financing, then Tenant shall use commercially reasonable efforts, at no cost or expense to Tenant, to terminate or amend any such sublease arrangement to help facilitate the issuance of such tax exempt debt.

ARTICLE 12

DAMAGE OR DESTRUCTION

12.1 Repair or Termination.

(a) If the Premises are damaged by fire or other casualty of the type insured by Landlord, then the damage shall be repaired by Landlord, provided such repairs can reasonably be made within one hundred twenty (120) days after the commencement of repairs without the payment of overtime or other premiums and that the insurance proceeds are sufficient to pay the costs of such repairs. Landlord shall give written notice to Tenant within thirty (30) days after the occurrence of the damage if Landlord concludes the damage can be so repaired. Until such repairs are completed, Basic Monthly Rent shall be abated in proportion to the part of the Premises which is unusable by Tenant in the conduct of its business (but there shall be no abatement of Rent by reason of any portion of the Premises being unusable for a period of fifteen (15) days or less). If the damage is due to the negligence or willful misconduct of Tenant or its employees, then there shall be no abatement of Rent. Except for such rental abatement, Tenant shall have no claim against Landlord with respect to any such damage or repairs. If Landlord is required or elects to restore the Premises, then Landlord shall not be required to restore alterations made by Tenant, Tenant's improvements, trade fixtures or personal property, including but not limited to any paneling, decorations, railings, floor coverings, alterations, additions or fixtures installed on the Premises by or at the expense of Tenant, such items being the sole responsibility of Tenant to restore, and any damage caused by the negligence or willful misconduct of Tenant or any of its agents, contractors, employees, invitees or guests shall be promptly repaired by Tenant, at its sole cost and expense, to the reasonable satisfaction of Landlord.

(b) Landlord shall not be liable for any failure to make any such repairs if such failure is caused by accidents, strikes, lockouts or other conditions beyond the reasonable control of Landlord.

(c) If such repairs cannot reasonably be made within such one hundred twenty (120) days with or without the payment of overtime or other premiums, or if such repairs will cost more than the available insurance proceeds, then Landlord may, at its option, make such repairs within a reasonable time, and, in such event, this Lease shall continue in effect and the Basic Monthly Rent shall be abated in the manner provided above. Landlord's election to make such repairs must be evidenced by written notice to Tenant advising Tenant within forty five (45) days after the occurrence of the damage whether or not Landlord will make such repairs. If Landlord does not so elect to make such repairs then Landlord may, by written notice to Tenant given within sixty (60) days after the occurrence of the damage, terminate this Lease as of the date of the occurrence of such damage and Landlord shall refund to Tenant any Rent previously paid for any period of time subsequent to such termination.

(d) With respect to any damage and repairs, Tenant waives the provisions of Section 1932(2) and 1933(4) of the Civil Code of California or any successor statute thereto or similar statute hereinafter enacted.

(e) All proceeds of any insurance maintained by Tenant or Landlord upon the Premises (including insurance on Tenant improvements) shall be used to pay for the repairs to the property covered by said insurance, to the extent that repairs are made pursuant to this Article.

(f) Landlord shall not have any obligation whatsoever to repair, reconstruct, or restore the Premises or any portion of the Building when the damage occurs during the last eighteen (18) months of the Term.

12.2 Loss of Enjoyment. No damages, compensation or claim shall be payable by Landlord to Tenant for any inconvenience, loss of business or annoyance of Tenant arising from any repair or restoration of any portion of the Premises or the Project, including, but not limited to, the Building or the Common Facilities, performed by Landlord or its agents. Landlord shall use good faith efforts to effect such repair or restoration promptly and in such manner as not unreasonably to interfere with Tenant's use and occupancy of the Premises.

12.3 Automatic Termination. A total destruction of the Building shall automatically terminate this Lease as of the date of such total destruction.

ARTICLE 13

DEFAULTS AND REMEDIES

13.1 Events of Default. The occurrence of any of the following shall constitute a default and breach of this Lease by Tenant:

(a) Any failure by Tenant to pay any Rent, as and when due, where such failure continues for three (3) days after written notice thereof by Landlord to Tenant;

(b) The abandonment of the Premises, or any significant portion thereof, by Tenant;

(c) The appointment of a receiver to take possession of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease, where possession is not restored to Tenant within forty-five (45) days; the attachment, execution or other judicial seizure of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease, where such seizure is not discharged within forty-five (45) days;

(d) Any failure by Tenant to observe or perform any of its obligations under that certain Real Property Option Agreement and Joint Escrow Instructions of even date herewith entered into by and between _____ and Tenant;

(e) If any mechanics' lien is filed or recorded against the Project or the Premises, and such lien results from the actions or omissions of Tenant or any subtenant (or any contractor, consultant, agent, employee, or invitee of Tenant or any subtenant), and Tenant fails either to (i) cause any such mechanics' lien to be released within ten (10) business days after the

date the same comes to the attention of Tenant or to (ii) post a bond or other security agreement in the amount of such mechanics' lien, in the event Tenant elects, in its sole discretion, to dispute same;

(f) At Landlord's sole option, Tenant's failure to observe or perform according to the provisions of Article 10 (excluding any provision regarding payment of Rent, which shall be governed by Subsection (a) above), Article 15 or Section 18.11 hereof within (10) days after demand from Landlord; and

(g) Any failure by Tenant to observe and perform any other provision of this Lease (other than the provisions described in (a) through (f) of this Section 13.1) or the Rules and Regulations attached hereto as Exhibit "C", where such failure continues for thirty (30) days after written notice thereof by Landlord to Tenant; provided, however, that in the event that any such cure cannot reasonably be completed within such thirty (30) day period, and provided further that Tenant has commenced and is diligently pursuing such cure, Tenant shall have an additional period of thirty (30) days to complete such cure.

The notices referred to in Subsections (a) and (g) above, shall be in lieu of, and not in addition to, any notice required under Section 1161, et seq. of the California Code of Civil Procedure or any successor statute thereto or similar statute hereinafter enacted

13.2 Landlord's Remedies.

(a) In the event of any default by Tenant, as defined herein, in addition to any other remedies available to Landlord at law or in equity, Landlord shall have the immediate option to (but shall not be obligated to) terminate this Lease and all rights of Tenant hereunder by giving Tenant written notice of such election to terminate; provided, that Tenant has been afforded all applicable notice and cure periods permitted under this Lease. In the event that Landlord shall elect to so terminate this Lease, then Landlord may recover from Tenant all of the following, to the extent permitted by applicable Regulations:

(i) The worth at the time of award of any unpaid Rent which had been earned at the time of such termination; plus

(ii) The worth at the time of award of the amount by which the unpaid Rent which would have been earned after termination until the time of award exceeds that portion of rental loss which Tenant proves could have been reasonably avoided; plus

(iii) The worth at the time of award of the amount by which the unpaid Rent for the balance of the Term after the time of award exceeds the amount of such rental loss which Tenant proves reasonably could be avoided; plus

(iv) Any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom, including, but not limited to, unamortized brokerage commissions, tenant improvement expenses and advertising expenses incurred by Landlord (in each case regarding both this Lease and any new lease with any new tenant regarding the Premises), any expenses of remodeling the Premises and the cost of restoring said Premises to the condition required under this Lease; plus

(v) At Landlord's election, such other amounts in addition to or in lieu of the foregoing as may be permitted from time to time by applicable Regulations.

For purposes of Subsection 13.2(a), the "time of award" means the date upon which the judgment in any action brought by Landlord against Tenant by reason of such default is entered or such earlier date as the court may determine. As used in (i) and (ii) above, the "worth at the time of award" shall be computed by allowing interest at the maximum interest rate allowed by applicable Regulation. As used in (iii) above, the "worth at the time of award" shall be computed by discounting such amount at the discount rate of the Federal Reserve Bank at San Francisco at the time of award, plus one (1) percentage point. Tenant agrees that such charges shall be recoverable by Landlord under California Code of Civil Procedure Section 1174(b) or any similar, successor or related Regulation. Further, Tenant hereby waives the provisions of California Code of Civil Procedure Section 1174(c) and California Civil Code Section 1951.7 or any other similar, successor or related Regulation providing for Tenant's right to satisfy any judgment in order to prevent a forfeiture of this Lease or requiring Landlord to deliver written notice to Tenant of any reletting of the Premises.

Notwithstanding anything to the contrary contained herein, including, but not limited to, anything contained in clause (ii) or (iii) above, Landlord hereby acknowledges that Tenant is a municipality, and, as a result thereof, certain Landlord remedies set forth in this Section 13.2(a) may not be enforceable under applicable Regulations, including, but not limited to, under Article XVI, Section 18(a) of the California Constitution. Notwithstanding the foregoing, however, Tenant hereby acknowledges and agrees that, in accordance with the terms hereof, Landlord shall be entitled to receive all remedies under this Lease to the fullest extent permitted by applicable Regulations. This Section 13.2(a) is subject to the express condition that at no time shall Tenant be required to pay to Landlord any amount under the terms hereof that could subject Landlord to either civil or criminal liability as a result of such amount being in excess of the amount permitted by applicable Regulations. If by the terms of this Section 13.2(a), Tenant is at any time required or obligated to make a payment to Landlord in excess of the amount permitted by applicable Regulations, then such remedies expressly permitted hereunder shall be deemed amended to the extent required by applicable Regulations.

(b) In the event of any such default by Tenant, Landlord shall also have the right, with or without terminating this Lease, to reenter the Premises to remove all persons and property from the Premises. Such property may be removed and stored in a public warehouse or elsewhere at the cost of and for the account of Tenant, and such property shall be released only upon Tenant's payment of such charges, together with all sums due and owing under this Lease. If Tenant does not reclaim such property within the period permitted by applicable Regulation, Landlord may sell such property in accordance with applicable Regulation and apply the proceeds of such sale to any sums due and owing hereunder, or retain said property, granting Tenant credit against sums due and owing hereunder for the reasonable value of such property.

(c) In the event of the abandonment of the Premises by Tenant or in the event of any default by Tenant, if Landlord does not elect to terminate this Lease as provided in this Section and, until Landlord does elect to terminate this Lease, this Lease shall continue in full force and effect, and Landlord may, from time to time, without terminating this Lease, enforce all of its rights and remedies under this Lease. Specifically, Landlord has the remedy described in California Civil Code Section 1951.4 (lessor may continue lease in effect after lessee's breach

and abandonment and recover rent as it becomes due, if lessee has the right to sublet or assign, subject only to reasonable limitations).

(d) Landlord shall not, by any reentry or other act, be deemed to have accepted any surrender by Tenant of the Premises or Tenant's interest therein, or be deemed to have terminated this Lease or Tenant's right to possession of the Premises, unless Landlord shall have notified Tenant in writing that it has so elected to terminate this Lease.

(e) Landlord may suspend or discontinue all or any of the services specified in Article 4 during the continuance of any default of the Lease; and no such suspension or discontinuance will be deemed or construed to be an eviction, constructive or actual, or an ejection of Tenant.

(f) If Landlord reenters the Premises, Tenant shall have no claims for damages that may be caused by Landlord's reentering or removing and storing the property of Tenant, and indemnifies, defends, protects and holds Landlord harmless from all losses, costs, expenses (including attorney's fees and court costs) or damages occasioned by Landlord. No such entry shall be considered or deemed to be a forcible entry by Landlord.

(g) All rights, options, and remedies of Landlord contained in this Lease shall be construed and held to be cumulative, and no one of them shall be exclusive of the other, and Landlord shall have the right to pursue any one or all of such remedies or any other remedy or relief which may be provided by applicable Regulations, whether or not stated in this Lease. The exercise of any one or more of such rights or remedies shall not impair Landlord's right to exercise any other right or remedy including, without limitation, any and all rights and remedies of Landlord under California Civil Code Section 1951.8, California Code of Civil Procedure Section 1161 et seq., or any similar, successor or related Regulation.

(h) Nothing in this Section 13.2, and no termination pursuant to any other provision of this Lease, shall be deemed to affect Landlord's right to indemnification for liability or liabilities arising prior to the termination of this Lease under the indemnification clause or clauses contained in this Lease.

(i) Tenant hereby irrevocably authorizes and directs any sublessee, upon receipt of a written notice from Landlord stating that Tenant is in default hereunder, to pay to Landlord directly the rent and income due and to become due under such sublease. Tenant agrees that such sublessee shall have the right to rely upon any such statement and request by Landlord, and that such sublessee shall pay rent and income to Landlord without any obligation or right to inquire as to whether such default exists and notwithstanding any notice or claim from Tenant to the contrary. Tenant shall have no right or claim against such sublessee or Landlord for any such rent or income so paid by such sublessee to Landlord. Landlord shall not, by reason of any direct collection of rent or income from a sublessee, be deemed liable to such sublessee for any failure of Tenant to perform and comply with any of Tenant's obligations under such sublease.

(j) To the extent permitted by applicable Regulation, Tenant hereby waives all provisions of, or protection under, any Regulations of the State of California or other applicable jurisdiction to the extent same are inconsistent and in conflict with specific terms and provisions hereof.

13.3 Landlord's Event of Default.

(a) Unless a shorter period of time is specified by which Landlord is required to perform an obligation under this Lease, Landlord shall not be deemed to be in default under this Lease unless and until it has failed to perform any of its obligations hereunder within thirty (30) days after written notice by Tenant to Landlord specifying the manner in which Landlord has failed to perform such obligation; provided, however, that if the nature of Landlord's obligation is such that more than thirty (30) days are reasonably required for its performance, then Landlord shall not be deemed to be in default if it shall commence such performance within such thirty (30) day period and thereafter diligently prosecute the same to completion. In the event of a default by Landlord hereunder, the extent of Landlord's liability shall be strictly limited to and shall not extend beyond Landlord's interest in the Building. **[Note: Receiver will add extra exculpatory language.]**

(b) If Landlord fails to cure a default within the time period described in this Lease, and if such default renders all or any part of the Premises untenable or unusable for Tenant's ordinary business, Tenant shall have the option to cure the default, in addition to any other remedies permitted by applicable Regulations. Should Tenant elect to cure the default, all reasonable costs associated with such cure, including reasonable attorneys' fees (if any), shall be reimbursed by Landlord to Tenant following receipt of Tenant's invoice for said costs. If Landlord's default hereunder prevents Tenant's use of the Premises in accordance with the Permitted Uses set forth in Section 10 of the Basic Lease Provisions, there shall be an abatement of Basic Monthly Rent for the period of such non-use.

ARTICLE 14

EMINENT DOMAIN

If (i) twenty five percent (25%) or more of the rentable space in the Building or Parking Garage, or (ii) after restoration, such portion of the Premises as in Tenant's reasonable judgment makes the balance of the Premises untenable or otherwise unsuitable for Tenant's use and requirements, shall be lawfully taken or condemned or conveyed under threat of such taking or condemnation, for any public or quasi-public use or purpose (such taking, condemnation or conveyance being referred to herein as a "Taking"), then either party hereto may immediately terminate this Lease by serving written notice upon the other party hereto within thirty (30) days thereafter. If twenty five percent (25%) or more of the Project excluding the Premises shall be taken or appropriated under the power of eminent domain or conveyed in lieu thereof, Landlord may so terminate this Lease by serving written notice upon the other party hereto within thirty (30) days thereafter. Tenant shall not be required to assign to Landlord any portion of an award/settlement made by reason of such Taking to Tenant. If a material part of the Building is condemned or taken or if a substantial alteration or reconstruction of the Building shall, in Landlord's opinion, be necessary or desirable as a result of such Taking, Landlord may terminate this Lease by written notice to Tenant within thirty (30) days after the date of the Taking. If a part of the Premises shall be so taken, appropriated or conveyed and neither party hereto shall elect to so terminate this Lease, (a) Basic Monthly Rent payable hereunder shall be abated in the proportion that the rentable area of the portion of the Premises so taken, appropriated or conveyed bears to the rentable area of the entire Premises, and (b) if the Premises shall have been damaged as a consequence of such partial taking, appropriation or conveyance, Landlord shall, to the extent of any severance damages received by Landlord, restore the Premises continuing

under this Lease; however, Landlord shall not be required to repair or restore any damage to the property of Tenant or to make any repairs to or restoration of any alterations, additions, fixtures or improvements installed on the Premises by or at the expense of Tenant, and Tenant shall pay any amount in excess of such severance damages required to complete such repairs or restoration. Notwithstanding anything to the contrary contained in this Section, if the temporary use or occupancy of any part of the Premises shall be taken or appropriated under the power of eminent domain or conveyed in lieu thereof during the Term, this Lease shall be and remain unaffected by such taking, appropriation or conveyance and Tenant shall continue to pay in full all Rent payable hereunder by Tenant during the Term; in the event of any such temporary taking, appropriation or conveyance, Tenant shall be entitled to receive a separate award (not reducing Landlord's award) as compensation for loss of the use or occupancy of the Premises during the Term. To the extent that it is inconsistent with the above, each party waives the provisions of California Code of Civil Procedure Section 1265.130 allowing either party to petition the superior court to terminate the Lease in the event of a partial taking of the Premises.

ARTICLE 15

SUBORDINATION

Without the necessity of any additional document being executed by Tenant for the purpose of effecting a subordination, this Lease is subject and subordinate to all declarations of restrictions, ground leases, deeds of trust or other security interests of any kind now or hereafter encumbering or affecting the Project or any portion thereof; subject, however, to the qualification that so long as Tenant is not in default under this Lease, its peaceful use and occupancy of the Premises under this Lease shall not be impaired, restricted or terminated by any such mortgagee, beneficiary, secured party or ground lessor whose interest arises after the date hereof. Notwithstanding the foregoing, Landlord shall have the right to subordinate or cause to be subordinated any such ground leases, deeds of trust or other security interests to this Lease. In the event of foreclosure or exercise of any power of sale under any deed of trust superior to this Lease, Tenant, upon demand, shall attorn to the purchaser at any foreclosure sale or sale pursuant to the exercise of any power of sale, in which event this Lease shall not terminate and Tenant shall automatically be and become the tenant of the purchaser; provided, however, no landlord or purchaser at any foreclosure sale or sale pursuant to the exercise of any power of sale, or any successor thereto shall be liable for any act or omission of any prior landlord (including Landlord) or be subject to any offsets, counterclaims, or defenses which Tenant might have against any prior landlord (including Landlord), or be bound by any Rent which Tenant might have paid in advance to any prior landlord (including Landlord) for a period in excess of one month or by any Security Deposit or other prepaid charge which Tenant might have paid in advance to any prior landlord (including Landlord), or be bound by an agreement or modification of this Lease made after Tenant has written notice of the interest of such party, without the prior written consent of such party, or be obligated to repair the Premises in the event of total or substantial damage beyond that which can reasonably be accomplished from the net proceeds of insurance made available to such landlord. Tenant covenants and agrees to execute and deliver, not less than ten (10) business days after demand by Landlord or any lienholder or successor in interest, and in a commercially reasonable form requested thereby, any commercially reasonable additional documents evidencing the priority or subordination of this Lease and the attornment of Tenant with respect to any such ground leases, deeds of trust or other security interests; provided, that such entities agree to the non-disturbance of Tenant's rights as tenant under this Lease if Tenant is not in default hereunder. Tenant hereby irrevocably appoints Landlord as

attorney-in-fact of Tenant to execute, deliver and record any such documents in the name and on behalf of Tenant if Tenant fails to do same pursuant to the foregoing. Upon request by Tenant, Landlord shall exercise commercially reasonable efforts to obtain execution by Landlord's Lenders of a Subordination, Non-Disturbance and Attornment Agreement. Moreover, if, in connection with the obtainment of financing for the Project or any portion thereof, a prospective lender requests reasonable modifications hereto as a condition to the furnishing of such financing, Tenant shall not unreasonably withhold or delay its consent thereto, provided such modifications do not increase the obligations of Tenant hereunder or adversely affect Tenant's rights hereunder.

ARTICLE 16

SURRENDER OF PREMISES; REMOVAL OF PROPERTY

16.1 Tenant's Removal of Property. Upon the expiration or termination of the Term of this Lease, Tenant shall quit and surrender possession of the Premises, and all repairs, changes, alterations, additions and improvements thereto, to Landlord in as good order, condition and repair as the same are now or hereafter may be improved by Landlord or Tenant, reasonable wear and tear and repairs which are Landlord's obligation excepted, and in a reasonable state of cleanliness. In such event, Tenant shall, without expense to Landlord, remove from the Premises all debris, rubbish, furniture, equipment, business and trade fixtures, free-standing cabinet work, moveable partitions and other articles of personal property owned by Tenant or installed or placed by Tenant at its expense in the Premises and all similar articles of any other persons claiming under Tenant, including, but not limited to, any and all telecommunications or other cabling equipment, but excluding the two 8" pipes running from the Premises to the Building roof. Unless otherwise requested to do so by Landlord, however, Tenant shall not remove any additions or improvements to the Premises, such as carpet, interior partition walls and doors, "built-ins", shelves, built-in fixtures or other similar items, it being understood and agreed that such items are and shall remain the property of Landlord. Tenant shall also repair, at its expense, all damage to the Premises resulting from such removal; provided, however, that Landlord also may elect, in its sole discretion, and at Tenant's sole cost and expense, to repair all or any amount of damage anywhere in or on the Project caused by such removal of any property, reasonable wear and tear accepted. Notwithstanding the foregoing, if Tenant elects to remove its HVAC Chillers located on the roof of the Building, Landlord shall obtain from Landlord's property manager a third party estimate for the repair of the damage likely to be caused by such removal (the "Damage Repair"), and the amount of such estimate shall be deposited in immediately available funds (the "Deposit") with Landlord or its property manager before such HVAC Chillers may be removed by Tenant. Within three Business Days following the completion of the Damage Repair to the reasonable satisfaction of Landlord, and delivery of an unconditional lien release to Landlord (if the Damage Repair is undertaken by non-Tenant contractors), Landlord shall return the Deposit to Tenant. Tenant shall, upon the expiration or sooner termination of the Term hereof, deliver to Landlord all keys to all doors in, upon and about the Premises including, but not limited to, all keys to any vault or safe to remain on the Premises.

16.2 Abandoned Property. Whenever Landlord shall reenter the Premises as provided in this Lease, any property of Tenant not removed by Tenant upon the expiration of the Term of this Lease or within ten (10) business days after a termination by reason of Tenant's default, as provided in this Lease, shall be considered abandoned, and Landlord may remove any or all such

items and dispose of same in any manner or store the same in a public warehouse or elsewhere for the account and at the expense and risk of Tenant.

ARTICLE 17

HAZARDOUS MATERIALS; EXCESSIVE BURDEN; WASTE

Tenant shall not cause or permit any nuisance in or about the Premises or the Project, nor shall Tenant cause or permit any Hazardous Materials (as hereinafter defined) to be brought to the Premises or the Project or used, handled, stored, released or disposed of in, under or about the Premises, Building or any other portion of the Project except for ordinary and general office and technology supplies typically used in the ordinary course of business within office buildings and technology centers and in full compliance with all applicable Regulations. Tenant shall not conduct business or other activity in or about the Premises of such a nature as to place an unreasonable or excessive burden upon the Common Facilities. Tenant shall not commit or suffer the commission of any waste in or about the Premises or the Project. As used in this Lease, the term "Hazardous Materials" means and includes any hazardous or toxic materials, substances or wastes as now or hereafter designated under any Regulation, including, without limitation, asbestos, petroleum, petroleum hydrocarbons and petroleum based products, urea formaldehyde and other chlorofluorocarbons. Tenant indemnifies, defends, protects and holds Landlord and the other Landlord Parties harmless from all costs, damages, liens and expenses (including attorney's fees and court costs) related to Tenant's breach of any provision of this Article 17.

ARTICLE 18

MISCELLANEOUS

18.1 Landlord's Inspection and Maintenance. Tenant shall permit Landlord and its agents at all reasonable times to enter the Premises for the purpose of inspecting the same and/or for the purpose of protecting the interest therein of Landlord, and to take all required materials and equipment into the Premises and perform all required work therein; provided, that Landlord uses commercially reasonable efforts to avoid interfering with Tenant's business operations. Notwithstanding the foregoing sentence, except in the case of an emergency, Landlord must provide twenty-four (24) hours prior written notice to Tenant of its intent to enter the Premises and must permit a representative of Tenant to be present at all times if Tenant so desires; provided, however, that, if no Tenant representative is available within seventy-two (72) hours of Landlord's prior written notice, Landlord shall nonetheless be entitled to proceed.

18.2 Exhibition of Premises. Tenant shall permit Landlord and its agents to enter and pass through the Premises at all reasonable hours to:

- (a) Post notices of nonresponsibility; and
- (b) Exhibit the Premises to holders of encumbrances and to prospective purchasers, mortgagees or lessees of the Building.

Notwithstanding the foregoing, at all times Landlord shall use commercially reasonable efforts not to interfere with Tenant's business operations at the Premises. If during the last month of the Term, Tenant shall have removed substantially all of Tenant's property and

personnel from the Premises, Landlord may enter the Premises and repair, alter and redecorate the same, without abatement of Rent and without liability to Tenant, and such acts shall have no effect on this Lease.

18.3 Rights Reserved by Landlord. Landlord reserves the following rights, exercisable without liability to Tenant for (a) damage or injury to property, person or business, (b) causing an actual or constructive eviction from the Premises, or (c) disturbing Tenant's use or possession of the Premises:

- (a) To name the Project and to change the name or street address of the Project;
- (b) To install and maintain all signs on the exterior and interior of the Project;
- (c) To have pass keys to the Premises and all doors within the Premises, excluding Tenant's vaults and safes and any rooms housing servers and any rooms containing sensitive and confidential materials (collectively, the "Confidential Areas"), as determined by Tenant in its reasonable discretion, and Landlord shall have the right to use any and all means which Landlord may deem necessary or proper to open said doors in an emergency in order to obtain entry to any portion of the Premises, and any entry to the Premises or portions thereof obtained by Landlord by any of such means or otherwise shall not under any circumstances be construed or deemed to be a forcible or unlawful entry into, or a detainer of, the Premises, or an eviction, actual or constructive, of Tenant from the Premises or any portion thereof;
- (d) To enter the Premises for the purpose of making inspections, repairs, alterations, additions or improvements to the Premises or the Project and to take all steps as may be necessary or desirable for the safety, protection, maintenance or preservation of the Premises or the Project or Landlord's interest therein, or as may be necessary or desirable for the operation or improvement of the Project or in order to comply with applicable Regulations; and
- (e) To change the arrangement and/or location of entrances or passageways, doors and doorways, and corridors, elevators, stairs, toilets or other public parts of the Building, provided that such changes do not unreasonably interfere with the suitability of the Premises for Tenant's use.

Tenant hereby waives any claim for damages for any injury or inconvenience to or interference with Tenant's business, any loss of occupancy or quiet enjoyment of the Premises, and any other loss occasioned thereby, except to the extent caused by Landlord's gross negligence or willful misconduct. Notwithstanding anything to the contrary contained in this Section 18.3, except in the case of an emergency, Landlord will not have, and will not be granted, access to any of the Confidential Areas without (i) obtaining Tenant's prior written consent to such access and (ii) permitting a representative of Tenant to be present at all times during such access.

18.4 Quiet Enjoyment. Tenant, upon paying the Rent and performing all of its obligations under this Lease, shall peaceably and quietly enjoy the Premises, subject to the terms of this Lease and to any mortgage, lease, or other agreement to which this Lease may be subordinate.

18.5 Force Majeure. Any prevention, delay or stoppage of work to be performed by Landlord or Tenant which is due to strikes, labor disputes, inability to obtain labor, materials, equipment or reasonable substitutes therefor, acts of God, governmental restrictions or regulations or controls, judicial orders, enemy or hostile government actions, civil commotion, fire or other casualty, or other causes beyond the reasonable control of the party obligated to perform hereunder, shall excuse performance of the work by that party for a period equal to the duration of that prevention, delay or stoppage. Nothing in this Section, however, shall excuse or delay Tenant's obligation to pay Rent or other charges under this Lease.

18.6 Counterparts. This Lease may be executed in multiple counterparts, all of which shall constitute one and the same Lease.

18.7 No Option. The submission of this Lease to Tenant shall be for examination purposes only, and does not and shall not constitute a reservation of or option for Tenant to lease, or otherwise create any interest of Tenant in the Premises or any other premises within the Project. Execution of this Lease by Tenant and its return to Landlord shall not be binding on Landlord notwithstanding any time interval, until Landlord has, in fact, signed and delivered this Lease to Tenant.

18.8 Further Assurances. The parties agree to promptly sign all documents reasonably requested to give effect to the provisions of this Lease.

18.9 Mortgagee Protection. Tenant agrees to send by (i) United States certified or registered mail, return receipt requested, postage prepaid, or (ii) any nationally recognized courier service (such as FedEx), for next-day delivery, to be confirmed in writing by such courier or other method prescribed by Landlord, to any first deed of trust beneficiary of Landlord whose address has been furnished to Tenant, a copy of any notice of default served by Tenant on Landlord. Notwithstanding the provisions of Section 13.3, if Landlord fails to cure such default within the time provided for in this Lease, such beneficiary shall have an additional thirty (30) days to cure such default; provided that if such default cannot reasonably be cured within that thirty (30) day period, then such beneficiary shall have such additional time to cure the default as is reasonably necessary under the circumstances.

18.10 Attorneys' Fees. If either party incurs any expense, including reasonable attorney's fees, in connection with any action instituted by either party by reason of any dispute under this Lease or any default or alleged default of the other party, the party prevailing in such action shall be entitled to recover its reasonable expenses from the other party. The term "prevailing party" means the party obtaining substantially the relief sought, whether by compromise, settlement or judgment.

18.11 Tenant's Certificates. Within ten (10) days after any written request which either party may make from time to time, such requested party (the "Requested Party") shall execute and deliver to the other party (the "Requesting Party") a certificate (the "Certificate") substantially in the form attached hereto as Exhibit "D" and hereby made a part hereof. Any failure by the Requested Party to so execute and deliver the Certificate shall, at the Requesting Party's election, constitute a certification by the Requested Party that the statements which may be included in the Certificate (as same may have been so amended or supplemented) are true and correct, except as the Requesting Party shall otherwise indicate. Landlord and Tenant intend that the Certificate may be relied upon by either party's Lenders, and any prospective lender, purchaser, subtenant or assignee.

18.12 Holding Over.

(a) If Tenant, with Landlord's written consent, remains in possession of all or any portion of the Premises after the expiration or sooner termination of the Term, such holding over shall be deemed to constitute a tenancy from month to month only, upon such terms and conditions hereof as existed at the expiration or termination of the Term; provided, however, during such holding over, Basic Monthly Rent shall be the Basic Monthly Rent in effect immediately prior to such expiration or termination or such other amount mutually agreed upon between Tenant and Landlord, and any and all options and rights of first refusal or other preferential rights of Tenant shall be deemed to have lapsed and to be of no further force or effect. Landlord may terminate such tenancy from month to month by giving Tenant at least thirty (30) days written notice thereof at any time. Acceptance by Landlord of any Rent after such expiration or termination shall not be deemed to constitute Landlord's consent to such holding over.

(b) If Tenant, without Landlord's express, written consent, remains in possession of all or any portion of the Premises after the expiration or sooner termination of the Term, then, in addition to all other rights and remedies available to Landlord under other provisions of this Lease or at law or in equity, Tenant shall be treated as a Tenant at sufferance only, upon the terms and conditions set forth in this Lease so far as applicable, but at a Basic Monthly Rent equal to the greater of (i) one hundred fifty percent (150%) of the Basic Monthly Rent applicable to the Premises immediately prior to the date of such expiration or earlier termination; or (ii) one hundred and fifty percent (150%) of the prevailing market rate for buildings of similar quality and use in the same geographic area as the Premises (as reasonably determined by Landlord) for the Premises in effect on the date of such expiration or earlier termination. Acceptance by Landlord of any Rent after such expiration or termination shall not constitute a consent to a hold over hereunder or result in an extension of this Lease. Any and all options and rights of first refusal or other preferential rights of Tenant shall be deemed to have lapsed and to be of no further force or effect. Tenant shall pay an entire month's Rent, with Basic Monthly Rent calculated in accordance with this Section 18.12.

(c) If, for any reason, Tenant fails to surrender the Premises on the expiration or earlier termination of this Lease (including upon the expiration of any subsequent month-to-month tenancy consented to by Landlord pursuant to Section 18.12(a) above), then, in addition to, and by no means in lieu of, the other provisions of this Section 18.12, all other rights and remedies granted to Landlord under the provisions of this Lease, Tenant shall indemnify, protect, defend (by counsel approved in writing by Landlord) and hold Landlord harmless from and against any and all claims, judgments, suits, causes of action, damages, losses, liabilities and expenses (including attorneys' fees, court costs and any and all consequential damages awarded as a result thereof) resulting from such failure to surrender, including, without limitation, any claim made by any succeeding tenant based thereon, and Tenant hereby acknowledges and agrees that if Tenant holds over without Landlord's consent, Tenant shall be liable to Landlord for any net loss, liability or expense, that Landlord may suffer as a result, including lost rent (net of expenses). Landlord shall, in addition, continue to have all remedies for holdover as may be available to Landlord under other provisions of this Lease or at law or in equity. The foregoing indemnity shall survive the expiration or earlier termination of this Lease.

18.13 Notices. All notices, which Landlord or Tenant may be required or may desire to serve on the other shall be in writing and shall be served by personal delivery, by mailing the

same by registered or certified mail, return receipt requested, postage prepaid, or sent by a nationally recognized courier service (such as Fed Ex) for next-day delivery, to be confirmed in writing by such courier, addressed as set forth in the Basic Lease Provisions or addressed to such other address or addresses as either Landlord or Tenant may from time to time designate to the other in writing in accordance with this Article. Notices, demands and other communications given in the foregoing manner shall be deemed given when actually received or refused by the party to whom sent, unless mailed, in which event same shall be deemed given on the day of actual delivery as shown by the addressee's registered or certified mail receipt or at the expiration of the third (3rd) business day after the date of mailing, whichever first occurs. Notwithstanding anything to the contrary contained herein, but by no means limiting the foregoing, until such time as Landlord may otherwise notify Tenant in writing in accordance with the terms hereof, all communications to be delivered by Tenant to Landlord shall be delivered to Landlord at both of Landlord's addresses for notices set forth in Section 8 of the Basic Lease Provisions, and no notice shall be deemed received by Landlord until such notice has been received by Landlord at both such addresses.

18.14 Rules and Regulations. Tenant agrees to abide by and comply with the Rules and Regulations delivered to Tenant by Landlord from time to time. Landlord shall not be liable to Tenant for any violation of such Rules and Regulations by any other tenant. In the event of any inconsistencies between this Lease and the Rules and Regulations, the language of this Lease shall prevail. Landlord shall have the right, from time to time, to amend and modify the Rules and Regulations. Landlord shall have no liability for its failure to enforce the Rules and Regulations against any other lessee in the Building.

18.15 Governing Laws. This Lease shall be governed by and construed in accordance with the laws of the State of California.

18.16 Headings and Titles. The marginal titles to the Articles of this Lease are inserted for convenience of reference only and shall have no effect upon the construction or interpretation of any part hereof.

18.17 Heirs and Assigns. Subject to the limitations on assignment, subletting and transfers, this Lease shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, executors, administrators, successors and assigns.

18.18 Time of Essence. Time is of the essence with respect to the performance of every provision of this Lease.

18.19 Severability. If any condition or provision of this Lease shall be held invalid or unenforceable to any extent under any applicable Regulations or by any court of competent jurisdiction, then the remainder of this Lease shall not be affected thereby, and each condition and provision of this Lease shall be valid and enforceable to the fullest extent permitted by applicable Regulation.

18.20 Authority. Each individual executing this Lease on behalf of a party hereto represents and warrants that she or he is duly authorized to execute and deliver this Lease on behalf of such party and that this Lease is binding upon such party in accordance with its terms.

18.21 [Intentionally Omitted.]

18.22 No Light, Air or View Easement. Any diminution or shutting off of light, air or view by any structure which may be erected on lands adjacent to the Project (whether or not by Landlord) shall not in any way affect this Lease or impose any liability on Landlord and shall not entitle Tenant to any reduction of Rent.

18.23 Entire Agreement. This Lease, along with any Exhibits affixed hereto, constitutes the entire and exclusive agreement between Landlord and Tenant relative to the Premises. This Lease may not be changed, modified, abandoned or discharged, in whole or in part, nor any of its provisions waived, except by a written instrument which is executed by both parties hereto.

18.24 Recording. Neither this Lease, nor any memorandum hereof shall be recorded without Landlord's prior written consent.

18.25 Joint and Several Liability. If Tenant is comprised of more than one person or entity, then the obligations hereunder imposed upon such persons and entities shall be joint and several.

18.26 Confidentiality. Tenant acknowledges and agrees that the terms of this Lease are confidential and constitute proprietary information of Landlord. Disclosure of the terms hereof may adversely affect the ability of Landlord to negotiate other leases and impair Landlord's relationship with other tenants. Accordingly, Tenant agrees that it, and its partners, members, officers, directors, employees, agents and attorneys, shall not intentionally and voluntarily disclose the terms and conditions of this Lease to any newspaper or other publication or any other tenant or apparent prospective tenant of the Project or any real estate agent (other than the broker(s) identified in the Basic Lease Provisions), either directly or indirectly, without the prior written consent of Landlord; provided, however, Tenant may disclose the terms to prospective subtenants or assignees under this Lease, to any other public entity or public official to which Tenant is required to disclose the terms of this Lease as a result of Tenant being a public entity, and to its attorneys and accountants, in each case, on a "need-to-know" basis, provided all of the same are instructed as to the confidentiality hereof.

18.27 No Representations or Warranties. Neither Landlord nor Landlord's agents or attorneys have made any representations or warranties with respect to the Premises, the Building, the Real Property, the Common Facilities or this Lease, except as expressly set forth herein, and no rights, easements or licenses are or shall be acquired by Tenant by implication or otherwise.

18.28 Exculpation. In no event shall any Landlord Party be liable for the performance of Landlord's obligations under this Lease. Tenant shall look solely to Landlord to enforce Landlord's obligations hereunder and shall not seek any damages against any Landlord Party. The liability of Landlord for Landlord's obligations under this Lease shall not exceed and shall be limited to Landlord's interest in the Building, and Tenant shall not look to any other property or assets of Landlord or any other Landlord Party in seeking either to enforce Landlord's obligations under this Lease or to satisfy a judgment for Landlord's failure to perform such obligations.

18.29 Consents. Tenant hereby waives any monetary claim against Landlord which it may have based upon any assertion that Landlord has unreasonably withheld or unreasonably delayed any requested consent, and Tenant agrees that its sole remedy shall be an action or proceeding to enforce any such provision or for specific performance, injunction or declaratory judgment. In the event of such a determination, the requested consent shall be deemed to have

been granted; however, Landlord shall have no liability to Tenant for its refusal to give such consent. The sole remedy for Landlord's unreasonably withholding or delaying of consent shall be as provided in this Section.

18.30 Waiver. The failure of Landlord to exercise its rights in connection with any breach or violation of any term, covenant, or condition herein contained, shall not be deemed to be a waiver of such term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition herein contained. The subsequent acceptances of Rent hereunder by Landlord shall not be deemed to be a waiver of any preceding breach by Tenant of any term, covenant or condition of this Lease other than the failure of Tenant to pay the particular Rent so accepted, regardless of Landlord's knowledge of such preceding breach at the time of acceptance of such Rent. Waiver by Landlord of any term, covenant or condition contained in this Lease may only be made by a written document signed by Landlord.

18.31 No Merger. The voluntary or other surrender of this Lease by Tenant, or a mutual cancellation thereof, shall not work a merger, and shall, at the option of Landlord, terminate any and all existing subleases or subtenancies, or operate as an assignment to Landlord of any or all of such subleases or subtenancies. No act or omission of Landlord or any representative thereof shall be deemed to constitute acceptance of any surrender, and no surrender shall be deemed to have occurred, unless in a writing executed by Landlord and approved in writing by any of Landlord's Lenders, should such approval be required under the terms of any loan agreement, mortgage or deed of trust, as the case may be.

18.32 Form of Payment; Business Days. Rent and all other sums payable under this Lease must be paid in lawful money of the United States of America. As used in this Lease, "business day" means any day excluding (a) Saturday, (b) Sunday, (c) any day which is a legal holiday under the laws of the State of California, and (d) any day on which banking institutions located in such state are generally not open for the conduct of regular business.

18.33 Cumulative Remedies. None of Landlord's rights or remedies hereunder shall be deemed to be exclusive, but shall, wherever possible, be cumulative with all other rights and remedies hereunder and at law and in equity.

18.34 Mutual Covenants. Each provision of this Lease performable by Tenant shall be deemed to be both a covenant of Tenant and a condition to Landlord's performance hereunder.

18.35 Relationship. Nothing contained in this Lease shall be construed to create the relationship of principal and agent, partnership, joint venture or any other relationship between the parties hereto, other than the relationship of landlord and tenant.

18.36 Modification. This Lease may not be modified except by a written document executed by the parties hereto.

18.37 Representations and Warranties. Neither Landlord nor any broker, agent or representative thereof has made any warranty or representation with respect to the tenant mix of the Building, the identity of prospective or other tenants of the Building, or otherwise except as explicitly set forth herein.

18.38 Construction. The language in all parts of this Lease shall be in all cases construed simply according to its fair meaning, and not strictly for or against Landlord or Tenant.

The principal of construction against draftsmen shall have no application in the interpretation of this Lease. Any reference to any Section herein shall be deemed to include all subsections thereof unless otherwise specified or reasonably required from the context. Any reference to “days” or “months” herein shall refer to calendar days or months, respectively, unless specifically provided to the contrary. The terms “herein”, “hereunder” and “hereof” as used in this Lease mean “in this Lease”, “under this Lease” and “of this Lease”, respectively, except as otherwise specifically set forth in this Lease.

18.39 Exhibits. Any and all exhibits and addenda referred to in this Lease are incorporated herein by reference as though fully set forth herein.

18.40 Other Agreements. Tenant hereby warrants and represents that neither its execution of nor performance under this Lease shall cause Tenant to be in violation of any agreement, instrument, contract or Regulation by which Tenant is bound. Tenant agrees to indemnify Landlord against any loss, cost, damage or liability including, without limitation, reasonable attorneys’ fees arising out of Tenant’s breach of this warranty and representation.

18.41 Discrimination. Tenant covenants by and for itself, its successors and assigns, and all persons claiming under or through them, and this Lease is made and accepted upon and subject to the following conditions: That there shall be no discrimination against or segregation of any person or group of persons, on account of sex, marital status, age, race, color, religion, creed, national origin or ancestry, in the leasing, subleasing, renting, transferring, use, occupancy, tenure or enjoyment of the Premises herein leased, nor shall Tenant itself, or any person claiming under or through it, establish or permit such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, sublessees, subtenants or vendees in the Premises.

10.3.2. Upon the occurrence of an Optionee's Default, Optionor shall be entitled to pursue all rights and remedies available under this Agreement, at law and/or in equity (subject to Section 10.4 below), including but not limited to specific performance; provided, however, that Optionor shall not have the right to seek or recover consequential, speculative or punitive damages.

10.3.3. No termination of the Escrow by Optionee or Optionor following a breach by the other party shall be deemed to waive such breach or any remedy otherwise available hereunder to the non-breaching party.

10.4. Judicial Reference; Waiver of Jury Trial. Any dispute, claim, controversy or action between the parties (collectively, "**Dispute**") arising directly or indirectly out of or in any way relating to this Agreement or the Property shall be resolved by a general judicial reference and a statement of decision issued thereon pursuant to California Code of Civil Procedure § 638, and/or other successor or applicable statute, court rule or provision of law, in accordance with the provisions set forth below:

10.4.1. Such Dispute shall be tried by a judicial referee as judge pro tem under an order of general judicial reference to try and determine all issues of fact and law, whether legal or equitable, and to issue a statement of decision thereon, to be chosen by the parties from a list of retired California, Appellate and Supreme Court judges and justices. The parties expressly waive any right to a trial by jury. If the parties are unable to agree, then the retired judge or justice who shall act as the referee shall be appointed by the Los Angeles County Superior Court

in accordance with California Code of Civil Procedure § 640, and/or other successor or applicable statute, court rule, or provision of law, with each of the parties entitled to only one disqualification pursuant to California Code of Civil Procedure § 170.6, which right to disqualification must be exercised, if at all, at the hearing on the petition to obtain the judicial reference order and/or to have the referee appointed. The action shall be conducted and the issues determined in compliance with all judicial rules and all statutory and decisional law of the State of California as if the matter were formally litigated in the Superior Court and not by way of judicial reference.

10.4.2. The cost of the reference shall initially be borne pro rata by the parties, but the prevailing party shall be entitled to obtain reimbursement for its pro rata share of the reference cost, and shall be awarded its attorneys' and experts' fees and all other costs and expenses of litigation pursuant to Section 12.9 below.

10.4.3. The referee shall conduct and decide all pretrial, trial and post trial procedures which may arise as if the matter were formally litigated in the Superior Court, and shall issue a written statement of decision. The judgment entered upon the decision of the referee shall be subject to all post trial procedures and to appeal in the same manner as an appeal from any order or judgment in a civil action. All rules of evidence as set forth in the California Evidence Code, all rules of discovery as set forth in the California Code of Civil Procedure, other applicable California and federal statutory and decisional law, and all rules of court shall be applicable to any proceeding before the referee.

10.4.3.1. This judicial reference agreement may be specifically enforced by the filing of a complaint or petition or motion seeking specific enforcement as may be directed by applicable statute and/or rule of court.

10.4.3.2. The parties agree and consent to the exclusive jurisdiction and venue of the Los Angeles County Superior Court, and specifically recognize and acknowledge the waiver of their right to remove any action to federal court on the basis of diversity jurisdiction or on any other basis.

10.4.3.3. The parties may apply to the Los Angeles County Superior Court for injunctive or other prejudgment relief prior to the appointment of the referee, and such application and related proceedings prior to the appointment of the referee shall not be a waiver of the enforceability and application of this judicial reference agreement to such Dispute or any other Dispute.

- (a) the City shall fail to make any Restructured Lease Payment when due (subject to any applicable abatement with respect to such Restructured Lease Payment) in accordance with Section 2.3(a) hereof;
- (b) the failure by the Successor Agency to make any Pledge Payment when due at the times and in the manner set forth in the Amended and Restated Pledge Agreement;
- (c) the failure by the City or the Successor Agency to perform any of its covenants, agreements or obligations under the Agreement (except for the failure to make any Restructured Lease Payment required hereunder, which failure is governed by Section 6.1(a), above) or the Amended and Restated Pledge Agreement (except for the failure to make any Pledge Payment required thereunder, which failure is governed by Section 6.1(b), above), and such failure continuing for thirty (30) days after written notice thereof from the 2004 Arena Bond Trustee or NPMFG;
- (d) subject to the terms of the Agreement and the Amended and Restated Pledge Agreement, the failure by the City or the Successor Agency to comply with the Bond Documents, except as their effect is modified pursuant to this Agreement, which failure continues for the period(s), if any, set forth in the applicable Bond Documents, after written notice thereof from the 2004 Arena Bond Trustee or NPMFG, if applicable; or

Section 6.2 Remedies Upon Occurrence of Termination Event. Upon the occurrence of a Termination Event (and subject to the deferral or waiver by NPMFG and the 2004 Arena Bond Trustee, at the direction of NPMFG, of the rights and remedies available to them following a Termination Event or the reinstatement by NPMFG and the 2004 Arena Bond Trustee, at the direction of NPMFG, of the forbearance provided in this Agreement), this Agreement shall remain in full force and effect, and each the following shall occur:

- (a) Effect on Forbearance. The Forbearing Parties shall no longer be required to forbear from exercising any remedies available to them at law or equity, or under the terms of the Bond Documents.
- (b) Ability to Exercise Remedies. NPMFG shall have the right to direct the 2004 Arena Bond Trustee to exercise, and the 2004 Arena Bond Trustee shall have the right to exercise, at the direction of NPMFG, any and all rights and remedies that may be available at law or equity or under the terms of the Bond Documents. Such rights and remedies include, without limitation, the following:

(i) the right to repossess, re-enter and re-let the Property (and the City and the Successor Agency hereby expressly consent to the repossession, reentry and reletting of the Property by the 2004 Arena Bond Trustee or the NPFPG, as may be applicable); *provided, that*, notwithstanding any reentry by the 2004 Arena Bond Trustee or NPFPG, the City shall continue to remain liable for its obligations under the Bond Documents (including, without limitation, the City's obligations to make Lease Payments under the Arena Lease Back); and

(ii) the right to exercise any or all of the City's and the Successor Agency's rights under the Arena Contract Collateral, including, without limitation, the right to collect any revenues or other payments due and owing to the City under the Arena Leases and Arena Contracts.

NPFPG and the 2004 Arena Bond Trustee hereby acknowledge that, following any such termination of the Arena Lease Back, the Arena Lease Out shall remain in full force and effect, and the rights of NPFPG and the 2004 Arena Bond Trustee to possess, repossess, re-enter, re-let or otherwise obtain and maintain possession and control of the Property shall, at all times, remain subject to the terms, conditions and qualifications applicable to the rights of the Successor Agency to possession and control of the Property. NPFPG and the 2004 Arena Bond Trustee further agree that, in the event of such possession, repossession, re-entry or re-let by NPFPG and/or the 2004 Arena Bond Trustee from and after any termination of the Arena Lease Back, then (i) NPFPG or the 2004 Arena Bond Trustee, as applicable, shall not commit, suffer or permit any waste on the Property, (ii) to the extent that NPFPG or the 2004 Arena Bond Trustee, as applicable, remains in possession until the expiration or other termination of the Arena Lease Out, NPFPG or the 2004 Arena Bond Trustee, as applicable, shall quit and surrender the Property in the same good order and condition as the same were in at the time of such possession, repossession or re-entry by NPFPG and/or the 2004 Arena Bond Trustee, excepting only reasonable wear and tear, and (iii) if NPFPG or the 2004 Arena Bond Trustee, as applicable, re-lets or otherwise transfers the entirety of its interest in the Property and the Arena Lease Out, NPFPG or the 2004 Arena Bond Trustee, as applicable, shall take commercially reasonable steps to ensure that any transferee reaffirms and agrees to abide by the covenants set forth herein for the benefit of the Successor Agency.

(d) Effectiveness of Judgment by Confession. The Judgment by Confession shall become effective without any further action by the 2004 Arena Bond Trustee and without any further notice to the City, and the 2004 Arena Bond Trustee shall have the right to proceed to collect any amounts due and owing by the City pursuant thereto.

ARTICLE 7
MISCELLANEOUS

Section 7.1 Amendments. This Agreement may not be modified, amended, or supplemented except by a written agreement executed by each of the Parties.

Section 7.2 No Admission of Liability.

(a) Except as otherwise set forth herein, the execution of this Agreement is not intended to be, nor shall it be construed as, an admission or evidence in any pending or subsequent suit, action, proceeding or dispute of any liability, wrongdoing, or obligation whatsoever (including, without limitation, as to the merits of any claim or defense) by any Party to any other Party or any other person with respect to any of the matters addressed in this Agreement.

(b) None of this Agreement (including, without limitation, the recitals and exhibits hereto) or any act performed or document executed pursuant to or in furtherance of this Agreement: (i) is or may be deemed to be or may be used as an admission or evidence of the validity of any claim or of any wrongdoing or liability of any Party or (ii) is or may be deemed to be or may be used as an admission or evidence of any liability, fault or omission of any Party in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. None of this Agreement or any act performed or document executed pursuant to or in furtherance of this Agreement shall be admissible in any proceeding for any purposes, except to enforce the terms of the Agreement, and except that any Party may file this Agreement in any action for any purpose, including, without limitation, in order to support a defense or counterclaim based on the principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

Section 7.3 Good Faith Negotiations. The Parties recognize and acknowledge that each of the Parties hereto is represented by counsel, and such Party received independent legal advice with respect to the advisability of entering into this Agreement. Each of the Parties acknowledges that the negotiations leading up to this Agreement were conducted regularly and at arm's length; this Agreement is made and executed by and of each Party's own free will; that each knows all of the relevant facts and its rights in connection therewith, and that it has not been improperly influenced or induced to enter into this Agreement as a result of any act or action on the part of any Party or employee, agent, attorney or representative of any party to this Agreement. The Parties further acknowledge that they entered into this Agreement because of their desire to avoid the further expense and inconvenience of litigation and other disputes, and to compromise permanently and settle the claims between and among the Parties settled by the execution of this Agreement.

Section 7.4 Rights and Immunities. Notwithstanding anything herein to the contrary, the 2004 Arena Bond Trustee is entitled to all of the rights, privileges and immunities set forth in the Bond Documents. The 2004 Arena Bond Trustee is executing this Agreement solely as trustee with respect to the 2004 Arena Bonds and not in its capacity as trustee with respect to any other obligations of the Agency, City or Successor Agency. Furthermore, nothing in this Agreement is intended to impair any rights, remedies and interests, including, without limitation, liens, of any of

the Parties hereto in any other capacity. NPPFG's right to direct the 2004 Arena Bond Trustee, from and after the Effective Date, is subject to the terms and conditions of the 2004 Arena Indenture, including without limitation, the condition that NPPFG has not failed to comply with its payment obligations under the 2004 Arena Bond Policy.

Section 7.5 No Third Party Beneficiaries. Nothing in this Agreement, express or implied, is intended or shall be construed to confer upon, or to give to, any person other than the Parties hereto and their respective successors and assigns any right, remedy or claim under or by reason of this Agreement or any covenant, condition or stipulation thereof, and the covenants, stipulations and agreements contained in this Agreement are and shall be for the sole and exclusive benefit of the Parties hereto and their respective successors and assigns.

Section 7.6 Professional Fees. [To be reviewed.] Each of the City, the Successor Agency, and NPPFG shall bear the fees and costs of its respective professionals (including, without limitation, its attorneys and financial advisors). Without limiting the foregoing, the City hereby waives any right to seek reimbursement of any fees and costs incurred by its professionals (including, without limitation, its attorneys and financial advisors as a result of the negotiation and drafting of this Agreement and the Amended and Restated Pledge Agreement, the Bankruptcy Case, the Eligibility Contest or the AB 506 Process). NPPFG hereby waives any right to seek reimbursement from the City for the fees incurred by its professionals (including, without limitation, its attorneys and financial advisors) under the Bond Documents through the date of this Agreement; *provided, however, that*, nothing herein is intended to constitute a waiver of (and NPPFG expressly reserves the right to assert) any claims for any fees and costs of NPPFG's professionals incurred as a result of breach by the City or the Successor Agency of this Agreement, the Amended and Restated Pledge Agreement or the Bond Documents from and after the date of this Agreement. The 2004 Arena Bond Trustee shall be entitled to recover its reasonable fees and expenses, including fees and expenses of its attorneys, from any funds held by the 2004 Arena Bond Trustee and from which such fees are recoverable pursuant to, and to the extent provided in, the Existing Bond Documents, whether such fees and expenses were incurred prior to, or after, the date of this Agreement; *provided, however, that*, in the event the amounts in such funds are insufficient to pay the fees and costs of the 2004 Arena Bond Trustee, the 2004 Arena Bond Trustee shall not be entitled to the payment of such fees and costs from the City's general fund, but shall have the right to recover such fees and expenses to the extent otherwise provided in the Bond Documents.

Section 7.7 Notices. All demands, notices, requests, consents, and other communications hereunder shall be in writing and shall be deemed to have been duly given (i) when personally delivered by courier service or messenger, (ii) upon actual receipt (as established by confirmation of receipt or otherwise) during normal business hours, otherwise on the first business day thereafter if transmitted electronically (by e-mail transmission), by facsimile or telecopier with confirmation of receipt, or (iii) three (3) Business Days after being duly deposited in the mail, by certified or registered mail, postage prepaid-return receipt requested, to the following addresses, or such other addresses as may be furnished hereafter by notice in writing, to the following Parties:

Section 7.8 Entire Agreement. This Agreement reflects the entire agreement between the Parties with respect to the matters set forth herein and therein and supersedes any prior agreements, commitments, drafts, communication, discussions and understandings, oral or written, with respect thereto, and is intended by each of the Parties to be the complete statement of the terms and conditions, and the final expression, of their agreement relating to the subject matter hereof and thereof.

Section 7.9 Interpretation. This Agreement and the Amended and Restated Pledge Agreement are the result of negotiations among, and have been reviewed by, counsel to the Parties, respectively, and are the product of all Parties. Accordingly, this Agreement and Agreement and the Amended and Restated Pledge Agreement shall not be construed against any Party merely because of the Party's involvement in the preparation thereof.

Section 7.10 Severability. Whenever possible, each provision of this Agreement and the Amended and Restated Pledge Agreement shall be interpreted in such a manner as to be effective and valid under all applicable laws and regulations. If, however, any provision of any of this Agreement or the Amended and Restated Pledge Agreement shall be prohibited by or be deemed invalid under any such law or regulation in any jurisdiction, the Agreement or the

Amended and Restated Pledge Agreement, as applicable, shall, as to such jurisdiction, be deemed modified to conform to the minimum requirements of such law or regulation, or, if for any reason it is not deemed so modified, at the option of the Party for whose benefit such provision existed (exercised in such Party's sole and absolute discretion) it shall be ineffective and invalid only to the extent of such prohibition or invalidity without affecting the remaining provisions of his Agreement or any of the agreements and documents executed pursuant hereto, or the validity or effectiveness of such provision in any other jurisdiction.

Section 7.11 Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement, and all signatures need not appear on any one counterpart.

Section 7.12 Headings. The headings of the Articles and Sections of this Agreement are inserted for convenience purposes only, are not part of this Agreement, do not (in any way) limit or modify the terms or provisions of this Agreement, and shall not affect the interpretation thereof.

Section 7.13 Binding Agreement on Successors and Assigns; Joint and Several Obligations. This Agreement shall be binding only upon the execution and delivery of this Agreement by the Parties listed on the signature pages hereto, subject to the occurrence of the Conditions Precedent set forth in Article 4 of this Agreement. This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors, assigns, administrators, assigns, constituents, and representatives. PLEDGE AND PLEDGE PAYMENTS

Section 3.01. Pledge. Subject only to the provisions of this Pledge Agreement permitting the application thereof for the purposes and on the terms and conditions set forth herein, the Tax Revenues are hereby pledged as follows to secure the payment of the Successor Agency's obligation to make Pledge Payments in accordance with their terms and the provisions of this Pledge Agreement. Said pledge shall constitute (i) a first lien on and security interest in "Tax Revenues" (as such term is defined in the Indenture) attributable to the Successor Agency from West End Urban Renewal No. 1 Redevelopment Project of the Former Agency and (ii) as to all other Tax Revenues, a lien on and security interest in such Tax Revenues on parity with all other enforceable obligations of the Successor Agency payable from Tax Revenues except to the extent such enforceable obligations have a prior, senior lien on special portions of such Tax Revenues under the specific provisions of documents securing such other enforceable obligations as shown in Exhibit B (the revenues pledged in clauses (i) and (ii) above, collectively, and subject to the priority described therein, the "Pledged Tax Revenues"). Said pledge shall attach, be perfected and be valid and binding from and after the Effective Date, without any physical delivery thereof or further act. Except for the Pledged Tax Revenues, no funds or properties of the Successor Agency shall be pledged to, or otherwise liable for, the satisfaction of the Successor Agency's obligations under this Pledge Agreement. The obligation of the Successor Agency to make Pledge Payments to the Trustee from the Pledged Tax Revenues as specified in Section 3.02 shall constitute an indebtedness of the Successor Agency incurred in carrying out the Redevelopment Project in accordance with the Redevelopment Plan and a pledge of the Pledged Tax Revenues to repay such indebtedness under the provisions of Section 16 of Article XVI of the Constitution of the State of California and under the Redevelopment Law.

Section 3.02. Pledge Payments.

(a) On each Pledge Payment Date throughout the term of this Pledge Agreement, the Successor Agency shall pay to the Trustee for deposit into the Revenue Fund held by the Trustee pursuant to the Indenture the Pledge Payments, which Pledge Payments on each such Pledge Payment Date shall constitute all of the Pledged Tax Revenues received by the Successor Agency since the last Pledge Payment Date not exceeding the amounts shown on Exhibit A attached hereto for each such Pledge Payment Date (but subject to the next succeeding paragraph). So long as it deposits, on a given Pledge Payment Date, all of the Pledged Tax Revenues received since the last Pledge Payment Date, not exceeding the amounts shown on Exhibit A attached hereto for each such Pledge Payment Date (but subject to the next succeeding paragraph), the Successor Agency shall have met its obligation to make the Pledge Payment for such Pledge Payment Date and shall not be in default under this Pledge Agreement even if the amount of Pledged Tax Revenues deposited on such Pledge Payment Date is less than the amount shown for such Pledge Payment Date in the attached Exhibit A. If the amount of Tax Revenues available to the Successor Agency is less than the amount needed to make payments on all enforceable obligations of the successor Agency entitled to payment pursuant to the Dissolution Act, the Successor Agency first shall make payments hereunder from amounts representing "Tax Revenues" (as such term is defined in the Indenture) derived from the Pledged Tax Revenues attributed to the West End Urban Renewal No. 1 Redevelopment Project of the

Former Agency, and second, subject to the payment of the Permitted Liens, shall make payments hereunder from the Pledged Tax Revenues attributed to other sources on parity with the Pledged Tax Revenues on a *pari passu* basis with other obligations of the Successor Agency payable from Tax Revenues.

If, on any Pledge Payment Date, available Pledged Tax Revenues allocable to this Pledge Agreement exceed the Pledge Payment due on such Pledge Payment Date as shown in the attached Exhibit A, and the Successor Agency had, on any preceding Pledge Payment Date, made a Pledge Payment that was less than the amount shown for such Pledge Payment Date, the Successor Agency shall pay to the Trustee an increased amount, derived from such excess Pledged Tax Revenues, and shall continue to make payments on future Pledge Payment Dates from future excess Pledged Tax Revenues, until all preceding shortfalls have been made up.

(b) Except as otherwise provided in the second paragraph of Section 3.02(a), Pledged Tax Revenues received by the Successor Agency since the last Pledge Payment Date in excess of the maximum amount payable on each Pledge Payment Date as shown on Exhibit A shall be released from the pledge and lien hereunder. The Successor Agency's pledge of Pledged Tax Revenues shall be renewed in connection with each subsequent Pledge Payment.

(c) The Successor Agency understands and agrees that the City has assigned its right, title and interest in this Pledge Agreement to the Trustee pursuant to the Assignment of Pledge for the benefit of the Owners and National, to which assignment the Former Agency has previously assented, and the Successor Agency hereby assents to and confirms the assignment as set forth in the Assignment of Pledge. The City hereby directs the Successor Agency, and the Successor Agency hereby agrees, to pay to the Trustee at the Trustee's principal corporate trust office in San Francisco, California, or to the Trustee at such other place as the Trustee shall direct in writing, all payments payable by the Successor Agency pursuant to this Section 3.02.

Section 3.03. Prepayment Option. The City hereby grants an option to the Successor Agency to prepay the principal component of the Pledge Payments, from any available funds, in full or in part, without premium.

Said option may be exercised on any date, commencing September 1, 2014. Said option shall be exercised by the Successor Agency by giving written notice to the City, National and the Trustee of the exercise of such option at least sixty (60) days prior to the date of prepayment. Such option shall be exercised in the event of prepayment in full, by depositing with said notice cash in an amount, which, together with amounts then on deposit in the Revenue Fund and the Insurance and Condemnation Fund, will be sufficient to pay all outstanding Bonds, together with accrued interest thereon, or, in the event of prepayment in part, by depositing with said notice cash in an amount divisible by \$5,000 equal to the amount desired to be prepaid. In the event of prepayment in part, the partial prepayment shall be applied against the principal component of Lease Payments in such manner as the Successor Agency shall determine and if the Successor Agency shall fail to make such determination, in inverse order of their payment dates. Pledge Payments due after any such partial prepayment shall be in the amounts set forth in a revised Pledge Payment schedule which shall be provided by, or caused to be provided by, the Successor Agency to the City and the Trustee and which shall represent an adjustment to the schedule set forth in Exhibit A attached hereto taking into account said partial prepayment.

Section 3.04. Development of Project. In consideration for the Former Agency's agreement to make specified proceeds of the Bonds available to the City pursuant to the Indenture and the Former Agency's execution and performance of the Pledge Agreement, the City used all Bond proceeds disbursed to the City pursuant to the Indenture for purposes of financing the completed Project.

ARTICLE IV

COVENANTS OF THE AGENCY

Section 4.01. Punctual Payment. The Successor Agency will punctually pay or cause to be paid to the Trustee the Pledge Payments in strict conformity with the terms of this Pledge Agreement, and it will faithfully observe and perform all of the conditions, covenants and requirements of it under this Pledge Agreement.

Section 4.02. Parity Obligations. The Successor Agency shall not create, incur, assume or suffer to exist any lien, pledge, encumbrance or security interest on any of the Pledged Tax Revenues either senior to or *pari passu* with the lien created pursuant to this Pledge Agreement other than the Permitted Liens, except that the Successor Agency may issue Parity Obligations, to the extent permitted by law, as follows:

(a) to pay in full or otherwise defease, pursuant to the terms of the Indenture, all Outstanding Bonds, plus all amounts due and payable under this Pledge Agreement as of the date of such prepayment; or

(b) to prepay in full the total maximum amounts of all Pledge Payments remaining unpaid plus all other amounts due and payable under this Pledge Agreement as of the date of such prepayment.

Section 4.03. Subordinate Obligations; Other Obligations.

(a) Only to the extent permitted by law, the Successor Agency may issue or incur Subordinate Obligations in such principal amount as shall be determined by the Successor Agency. The Successor Agency may issue or incur such Subordinate Obligations if, and to the extent, such Subordinate Obligations are payable from Pledged Tax Revenues within the Plan Limitations, provided that all Outstanding Bonds, Parity Obligations and Subordinate Obligations coming due and payable following the issuance or incurrence of such Subordinate Debt Obligations shall not exceed the maximum amount of Pledged Tax Revenues permitted within the Plan Limitations.

(b) Only to the extent permitted by law, the Successor Agency may issue or incur obligations not payable from Pledged Tax Revenues in such principal amount as shall be determined by the Successor Agency without regard to or limitation under this Pledge Agreement.

Section 4.04. Payment of Claims. The Successor Agency will pay and discharge, or cause to be paid and discharged, any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien or charge upon the properties owned by the Successor Agency or upon the Pledged Tax Revenues or any part thereof, or which might impair the security for the Successor Agency's obligations hereunder. Nothing in this Pledge Agreement contained shall require the Successor Agency to make any such payment so long as the Successor Agency in good faith shall contest the validity of said claims, or any payment in respect of the City's interest in the Project.

Section 4.05. Books and Accounts; Financial Statement. The Successor Agency will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the Successor Agency, in which complete and correct entries shall be made of all transactions relating to the Pledged Tax Revenues. Such books of record and accounts shall at all times during business hours be subject, upon prior written request, to the reasonable inspection of the Trustee (although the Trustee shall have no duty to undertake any such inspection), National, the Owners of any Bonds then outstanding, or their representatives authorized in writing.

Section 4.06. Payments of Taxes and Other Charges. The Successor Agency will pay and discharge, or cause to be paid and discharged, all taxes, service charges, assessments and other governmental charges which may hereafter be lawfully imposed upon the Successor Agency or the properties then owned by the Successor Agency in the Project Area, when the same shall become due. Nothing in this Pledge Agreement contained shall require the Successor Agency to make any such payment so long as the Successor Agency in good faith shall contest the validity of said taxes, assessments or charges. The Successor Agency will duly observe and conform with all valid requirements of any governmental authority relative to the Project Area or any part thereof.

Section 4.07. Protection of Security. The Successor Agency agrees to contest any assertion by any officer of any governmental entity or any other person with respect to the enforceability of the Successor Agency's obligations hereunder. From and after the issuance of the Bonds, the Successor Agency's obligations hereunder shall be incontestable by the Successor Agency.

Section 4.08. Continuing Disclosure. The Successor Agency hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Pledge Agreement, failure of the Successor Agency to comply with the Continuing Disclosure Certificate shall not constitute an Event of Default hereunder; *provided, however*, that National or the Trustee, at the direction of National, for the benefit of the Owners of the Bonds may take such actions as may be necessary and appropriate to compel performance by the Successor Agency of its obligations under this Section 4.08, including, without limitation, seeking mandate or specific performance by court order.

Section 4.09. Further Assurances. The Successor Agency will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of the obligations on its part under this Pledge Agreement and for the better assuring and confirming unto the Trustee and the Owners of the Bonds of the rights and benefits provided in Section 3.01 and this Article IV.

Section 4.10. Petition for Final and Conclusive Determination. Pursuant to the Dissolution Act, including Section 34177.5(i) of the Health and Safety Code, within ten (10) days of the execution of this Pledge Agreement, the Successor Agency shall petition the Department of Finance of the State to confirm that its determination that the Pledge Payments approved in the Recognized Obligation Payments Schedules required by the Dissolution Act

constitute enforceable obligations is final and conclusive, and that it has finally and conclusively approved of subsequent payments made pursuant to this Pledge Agreement.

Section 4.11. Filing of ROPS and Successor Agency Refunding Revenues. The Successor Agency shall timely file all Recognized Obligation Payments Schedules as required by the Dissolution Act and shall comply with all requirements of the Dissolution Act to ensure the allocation and payment to the Successor Agency of the Pledged Tax Revenues.

ARTICLE V

INDEMNITY

Section 5.01. Indemnity. The City covenants and agrees to indemnify and save the Successor Agency, the Trustee and its respective officers, directors, agents and employees, harmless against any loss, expense and liabilities which they may incur arising out of or in the exercise and performance of their powers and duties under this Pledge Agreement or the Indenture, including the costs and expenses of defending against any claim of liability, but excluding any and all losses, expenses and liabilities which are due to the negligence or willful misconduct of the Successor Agency or the Trustee, or their respective officers, directors, agents or employees. The obligations of the City under this paragraph shall survive the resignation or removal of the Trustee under the Indenture or any defeasance of the Bonds.

ARTICLE VI

EVENTS OF DEFAULT AND REMEDIES

Section 6.01. Events of Default. The following events shall constitute Events of Default hereunder:

(a) If sufficient Pledged Tax Revenues are available to the Successor Agency in accordance with the terms and provisions of this Pledge Agreement to make a Pledge Payment, failure by the Successor Agency to make such Pledge Payment when and as the same shall become due and payable.

(b) Failure by the Successor Agency to observe and perform any of the covenants, agreements or conditions on its part contained in this Pledge Agreement, other than as referred to in the preceding clause (a), for a period of sixty (60) days after written notice specifying such failure and requesting that it be remedied has been given to the Successor Agency by the Trustee; *provided, however*, that if in the reasonable opinion of the Successor Agency the failure stated in such notice can be corrected, but not within such sixty (60) day period, such failure shall not constitute an Event of Default if corrective action is instituted by the Successor Agency within such sixty (60) day period and thereafter is diligently pursued until such failure is corrected.

(c) The filing by the Successor Agency of a petition or answer seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America, or if a court of competent jurisdiction shall approve a petition, filed with or without the consent of the Successor Agency, seeking reorganization under the federal bankruptcy laws or any other applicable law of the United States of America, or if, under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the Successor Agency or of the whole or any substantial part of its property.

(d) If the Successor Agency ceases to be a public body, corporate and politic organized and existing by virtue of the laws of the State of California with the full legal right, power and authority under the laws of the State of California to carry out and consummate all transactions contemplated hereby.

(e) The occurrence and continuation of an "Event of Default" under the Indenture following the occurrence and continuation of a "Termination Event" under the Forbearance Agreement which has been neither deferred nor waived by National.

If an Event of Default has occurred and is continuing, the Trustee may, with the consent of National, and at the written direction of National or of the Owners of a majority in aggregate principal amount of the Outstanding Bonds, with the consent of National, the Trustee shall, subject to the provisions of the Indenture, exercise any remedies available to the Trustee in law or at equity. Immediately upon becoming aware of the occurrence of an Event of Default, the Trustee shall give notice of such Event of Default to the Successor Agency by telephone, fax or other telecommunication device, promptly confirmed in writing.

Section 6.02. Application of Funds Upon Default. All Pledged Tax Revenues received by the Trustee pursuant to any right given or action taken by the Trustee under the provisions of this Pledge Agreement, shall be applied by the Trustee as follows:

(a) *first*, to the payment of the fees, costs and expenses of the Trustee in declaring such Event of Default and in carrying out the provisions of this Article VI, including reasonable compensation to its agents, attorneys and counsel,

(b) *second*, to the payment of all installments of interest then due and unpaid, on a *pro rata* basis with respect to this Pledge Agreement and any Parity Obligations in the event that the available amounts are insufficient to pay all such interest in full,

(c) *third*, to the payment of all installments of principal then due and payable, on a *pro rata* basis with respect to this Pledge Agreement and any Parity Obligations in the event that the available amounts are installments of principal in full, and

(c) *fourth*, to the payment of interest on overdue installments of principal and interest, on a *pro rata* basis with respect to this Pledge Agreement and any Parity Obligations in the event that the available amounts are insufficient to pay all such interest in full.

Any remaining amounts shall be used to pay any Subordinate Obligations.

Section 6.03. No Waiver. Nothing in this Article VI or in any other provision of this Pledge Agreement, shall affect or impair the obligation of the Successor Agency, which is absolute and unconditional, to pay from the Pledged Tax Revenues and other amounts pledged hereunder, the principal of and interest and premium (if any) on the Bonds to the Trustee when due, as herein provided, or affect or impair the right of action, which is also absolute and unconditional, of the Trustee to institute suit to enforce such payment by virtue of the contract embodied in this Pledge Agreement.

A waiver of any default by the Trustee shall not affect any subsequent default or impair any rights or remedies on the subsequent default. No delay or omission of the Trustee to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy conferred upon the Trustee by the Redevelopment Law or by this Article VI may be enforced and exercised from time to time and as often as shall be deemed expedient by the Trustee.

If a suit, action or proceeding to enforce any right or exercise any remedy shall be abandoned or determined adversely to the Trustee, the Successor Agency and the Trustee shall be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

Section 6.04. Agreement to Pay Attorneys' Fees and Expenses. In the event either party to this Pledge Agreement should default under any of the provisions hereof and the nondefaulting party or the Trustee should employ attorneys or incur other expenses for the collection of moneys or the enforcement or performance or observance of any obligation or agreement on the part of the defaulting party herein contained, the defaulting party agrees that it

will on demand therefor pay to the nondefaulting party or the Trustee, as the case may be, the reasonable fees of such attorneys and such other expenses so incurred.

Section 6.05. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee is intended to be exclusive of any other remedy. Every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity or by statute or otherwise, and may be exercised without exhausting and without regard to any other remedy conferred by the Redevelopment Law or any other law.

2004 Parking Indenture and the Parking Structure Lease Back, and the 2004 Parking Bond Trustee shall thereafter immediately have the right to exercise any and all of its respective rights and remedies available under, and subject to the terms and conditions of, the Bond Documents or otherwise, at law or in equity; *provided, however* that, nothing herein shall prevent NPMFG and the 2004 Parking Bond Trustee, at the direction of NPMFG, from deferring or waiving the rights and remedies available to them under the Bond Documents or otherwise, at law or in equity.

Section 2.6 SCC 16.

(a) Assignment of SCC 16 Lease. The City and the Parking Authority hereby assign absolutely and unconditionally to the 2004 Parking Bond Trustee, for the benefit of NPMFG and the holders of the 2004 Parking Bonds, any and all rights they may have (or with respect to the Parking Authority, may acquire in connection with this Agreement) in the SCC 16 Lease and in the SCC 16 Settlement. Each of the City and the Parking Authority further agrees that it shall not amend or consent to any waiver, forbearance, modification, termination, or other revision to the SCC 16 Lease or the SCC 16 Settlement without the prior written consent of the 2004 Parking Bond Trustee and NPMFG; *provided, that*, at the direction of NPMFG or the 2004 Parking Bond Trustee, the City or the Parking Authority shall take such actions as may be required by NPMFG or the 2004 Parking Bond Trustee to enforce the SCC 16 Settlement against SCC 16.

(b) Assignment of SCC 16 Settlement Payments and Other Rights. The City and the Parking Authority hereby assign absolutely and unconditionally to the 2004 Parking Bond Trustee, for the benefit of NPMFG and the holders of the 2004 Parking Bonds, any rights the City or the Parking Authority (by virtue of this Agreement) may have under the SCC 16 Settlement, including, without limitation, the right to receive any payments made by SCC 16 thereunder. In the event the City or the Parking Authority receives any payments from SCC 16 required to be made under the SCC 16 Settlement, the City or the Parking Authority (as applicable) shall promptly remit such payments to the 2004 Parking Bond Trustee.

(c) Default under the SCC 16 Lease. Promptly following the occurrence of an “Event of Default” as such term is used in the SCC 16 Lease or in the event that (i) the Subleased Space is abandoned by SCC 16 or (ii) the SCC 16 Lease is terminated for any reason, the Parking Authority shall provide notice thereof to the 2004 Parking Bond Trustee and to NPMFG. Subject to the rights of SCC 16 (if any), upon the occurrence of an “Event of Default” as such term is used in the SCC 16 Lease or in the event that (x) the Subleased Space is abandoned by SCC 16 or (y) the SCC 16 Lease is terminated for any reason, in addition to, or in connection, the exercise of all of the other rights granted to the 2004 Parking Bond Trustee, as assignee of the City and the Parking Authority, the 2004 Parking Bond Trustee shall have the right, with or without terminating the SCC 16 Lease, among other things, to reenter the Subleased Space, remove all persons and property therefrom and to relet the Subleased Space on behalf of the Parking Authority in accordance with the terms of the Parking Structure Lease Back, to any then-existing subtenants (including, without limitation, PG&E and USPS) thereof or to any other parties as the 2004 Parking Bond Trustee may determine and any reletting revenues derived therefrom shall be assigned, and paid directly to, the 2004 Parking Bond Trustee, to be applied to the payment of the principal of, and interest on, the 2004 Parking Bonds, at such times and in such manner as shall be determined by NPMFG; *provided, that*, other than as provided in the immediately preceding sentence or as required by the Installment Sale Agreement (in the event

of a prepayment by the Parking Authority of the Installment Payments due thereunder), in no event will the City or the Parking Authority be required to make any payment with respect to the SCC 16 Settlement from any source of funds other than the actual amounts, if any, received by the City or the Parking Authority with respect to the Subleased Space.

Section 2.7 Tax Exempt Status.

(a) No Adverse Effect Opinion. On the Effective Date, the City shall cause a nationally recognized bond counsel, reasonably acceptable to the City, the 2004 Parking Bond Trustee, and NPMG, to deliver the No Adverse Effect Opinion to NPMG and the 2004 Parking Bond Trustee for the benefit of the holders of the 2004 Parking Bonds. The No Adverse Effect Opinion shall provide, among other things, that the transactions contemplated herein and in the Installment Sale Agreement shall not cause interest on the 2004 Parking Bonds to be includable in the gross income of the holders of the 2004 Parking Bonds for federal income tax purposes.

(b) Continued Obligation to Maintain Tax-Exempt Status. The City and the Parking Authority hereby covenant and agree, for the benefit of NPMG and the holders of the 2004 Parking Bonds, not to take or cause to be taken any action or actions, or fail to take any action or actions, that would cause the interest payable on the 2004 Parking Bonds to be includable in the gross income of the holders thereof for federal income tax purposes, and will at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid on the 2004 Parking Bonds will be excluded from the gross income of the holders of the 2004 Parking Bonds for federal income tax purposes.

Section 2.8 Bond Documents Remain in Force and Effect. Except as otherwise may be expressly provided by the Agreement or the Installment Sale Agreement, the Existing Bond Documents shall remain in full force and effect, and each of the Parties (subject to the assignments effectuated pursuant to this Agreement or the Installment Sale Agreement) shall continue to comply with its respective obligations and covenants thereunder. For the avoidance of doubt, the Parking Authority shall occupy and maintain the Leased Parking Facilities in accordance with the terms of the Parking Structure Lease Back, and the Parking Authority shall be responsible for any costs and expenses required to be paid by the City under Article V of the Parking Structure Lease Back.

Section 2.9 Judgment by Confession. On the Effective Date, the Authority and the Parking Authority shall execute, and shall cause their counsel to execute, and provide to the 2004 Parking Bond Trustee, for the benefit of NPMG and the holders of the 2004 Parking Bonds, documents sufficient to authorize the Judgment by Confession to secure the Parking Authority's obligations under this Agreement and the other Bond Documents. Notwithstanding the Parking Authority's failure to make the Installment Payments, the 2004 Parking Bond Trustee may not enforce the Judgment by Confession unless it becomes effective pursuant to Section 6.2(d). The Authority and the Parking Authority also hereby waive all errors, rights of appeal and stays of execution.

Section 2.10 Annual Reporting. Commencing on January 15, 2015, and continuing annually thereafter on or before January 15 of such calendar year, the City, the Authority, and the Parking Authority shall deliver to the 2004 Parking Bond Trustee and NPMG a notice

certifying that (i) other than the Existing Defaults, there are no other events of default or defaults under the Bond Documents, and, to the knowledge of the City, the Authority, and Parking Authority, as applicable, no other event has occurred that, with the passage of time, the giving of notice, or both would result in an event of default under the Bond Documents and (ii) no Termination Event has occurred under this Agreement.

Section 2.11 Covenant Not to Transfer. The Parking Authority covenants that it shall not sell, transfer, encumber (other than as subject to the Permitted Liens), or otherwise compromise any assets transferred to the Parking Authority pursuant to, or in connection with, this Agreement, including, without limitation, the Leased Parking Facilities, the Additional Parking Assets, and the After-Acquired Parking Assets, in each case without the prior written consent of the 2004 Parking Bond Trustee, at the direction of NPMFG.

None of this Agreement or any act performed or document executed pursuant to or in furtherance of this Agreement shall be admissible in any proceeding for any purposes, except to enforce the terms of the Agreement, and except that any Party may file this Agreement in any action for any purpose, including, without limitation, in order to support a defense or counterclaim based on the principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

Section 7.3 Good Faith Negotiations. The Parties recognize and acknowledge that each of the Parties hereto is represented by counsel, and such Party received independent legal advice with respect to the advisability of entering into this Agreement. Each of the Parties acknowledges that the negotiations leading up to this Agreement were conducted regularly and at arm's length; this Agreement is made and executed by and of each Party's own free will; that each knows all of the relevant facts and its rights in connection therewith, and that it has not been improperly influenced or induced to enter into this Agreement as a result of any act or action on the part of any Party or employee, agent, attorney or representative of

any party to this Agreement. The Parties further acknowledge that they entered into this Agreement because of their desire to avoid the further expense and inconvenience of litigation and other disputes, and to compromise permanently and settle the claims between and among the Parties settled by the execution of this Agreement.

Section 7.4 Rights and Immunities. Notwithstanding anything herein to the contrary, the 2004 Parking Bond Trustee is entitled to all of the rights, privileges and immunities set forth in the Bond Documents. The 2004 Parking Bond Trustee is executing this Agreement solely as trustee with respect to the 2004 Parking Bonds and not in its capacity as trustee with respect to any other obligations of the Authority, the City or the Parking Authority. Furthermore, nothing in this Agreement is intended to impair any rights, remedies and interests, including without limitation, liens, of any of the Parties hereto in any other capacity. NPPG's right to direct the 2004 Parking Bond Trustee, from and after the Effective Date, is subject to the terms and conditions of the 2004 Parking Bond Indenture, including without limitation, the condition that NPPG has not failed to comply with its payment obligations under the 2004 Parking Bond Policy.

Section 7.5 No Third Party Beneficiaries. Nothing in this Agreement, express or implied, is intended or shall be construed to confer upon, or to give to, any person other than the Parties hereto and their respective successors and assigns any right, remedy or claim under or by reason of this Agreement or any covenant, condition or stipulation thereof, and the covenants, stipulations and agreements contained in this Agreement are and shall be for the sole and exclusive benefit of the Parties hereto and their respective successors and assigns.

Section 7.6 Professional Fees. [To be reviewed.] Each of the City, the Parking Authority, the Authority, and NPPG shall bear the fees and costs of its respective professionals (including, without limitation, its attorneys and financial advisors). Without limiting the foregoing, the City hereby waives any right to seek reimbursement of any fees and costs incurred by its professionals (including, without limitation, its attorneys and financial advisors as a result of the negotiation and drafting of this Agreement and the Installment Sale Agreement, the Bankruptcy Case, the Eligibility Contest or the AB 506 Process). NPPG hereby waives any right to seek reimbursement from the City for the fees incurred by its professionals (including, without limitation, its attorneys and financial advisors) under the Bond Documents through the date of this Agreement; *provided, however*, that nothing herein is intended to constitute a waiver of (and NPPG expressly reserves the right to assert) any claims for any fees and costs of NPPG's professionals incurred as a result of breach by the City, the Authority or the Parking Authority of this Agreement, the Installment Sale Agreement or the Bond Documents from and after the date of this Agreement. The 2004 Parking Bond Trustee shall be entitled to recover its reasonable fees and expenses, including fees and expenses of its attorneys, from any funds held by the 2004 Parking Bond Trustee and from which such fees and expenses are recoverable pursuant to, and to the extent provided in, the Existing Bond Documents, whether such fees and expenses were incurred prior to, or after, the date of this Agreement; *provided, however*, that in the event the amounts in such funds are insufficient to pay the fees and costs of the 2004 Parking Bond Trustee, the 2004 Parking Bond Trustee shall not be entitled to the payment of such fees and costs from the City's general fund, but shall have the right to recover such fees and expenses to the extent otherwise provided in the Bond Documents.

Section 7.7 Notices. All demands, notices, requests, consents, and other communications hereunder shall be in writing and shall be deemed to have been duly given (i) when personally delivered by courier service or messenger, (ii) upon actual receipt (as established by confirmation of receipt or otherwise) during normal business hours, otherwise on the first business day thereafter if transmitted electronically (by e-mail transmission), by facsimile or telecopier with confirmation of receipt, or (iii) three (3) Business Days after being duly deposited in the mail, by certified or registered mail, postage prepaid-return receipt requested, to the following addresses, or such other addresses as may be furnished hereafter by notice in writing, to the following Parties:

Stockton Public Financing Authority Lease Revenue Bonds,
Series 2004 (Parking and Capital Projects)
Settlement Relating to *In re City of Stockton, California*

Ladies and Gentlemen:

Stockton Public Financing Authority Lease Revenue Bonds, Series 2004 (Parking and Capital Projects) (the “Bonds”) were issued in the original aggregate principal amount of \$32,785,000 by the Stockton Public Financing Authority (the “Issuer”) on June 25, 2004, pursuant to an Indenture of Trust, dated as of June 1, 2004 (the “Indenture”), between the Issuer and Wells Fargo Bank, National Association, as trustee (the “Trustee”). Pursuant to a Site and Facility Lease, dated as of June 1, 2004 (the “Site and Facility Lease”), the City of Stockton (the “City”), as lessor, leased certain parcels of real property situated in San Joaquin County, State of California, and certain existing parking facilities to the Issuer, as lessee; and, pursuant to a Lease Agreement, dated as of June 1, 2004 (the “Lease Agreement” and, together with the Indenture and the Site Lease, the “Bond Documents”), the Issuer, as lessor, leased such parcels of real property situated in San Joaquin County, State of California, and the existing parking facilities and certain additional parking facilities (collectively, the “Leased Facilities”) to the City, as lessee, and the City agreed to make certain lease payments (the “Lease Payments”) to the Issuer pursuant to the Lease Agreement. Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Indenture.

The City is the debtor in a bankruptcy case under chapter 9 of Title 11 of the United States Code, Case No. 2012-32118 in the United States Bankruptcy Court for the Eastern District of California, Sacramento Division, styled *In re City of Stockton, California* (the “Bankruptcy Case”). In connection

with the Bankruptcy Case, the City has agreed to a settlement of the claims of National Public Finance Guaranty Corporation (“NPFG”), as insurer of the Bonds (as successor to Financial Guaranty Insurance Company), which settlement, among other things, calls for the City, the Parking Authority of the City of Stockton (the “Parking Authority”), NPFG and the Trustee, as directed by NPFG pursuant to the terms of the Indenture, to enter into a Forbearance Agreement, dated [____], 2014 (the “Forbearance Agreement”), pursuant to which NPFG and the Trustee will forbear from exercising any of their rights and remedies arising from the occurrence and continuation of certain defaults under the Bond Documents and the Parking Authority will make certain installment payments (the “Installment Payments”) to the Trustee pursuant to the terms of an Installment Sale Agreement, dated [____], 2014 (the “Installment Sale Agreement”), by and among the Parking Authority, the Trustee and NPFG. Such Installment Payments are to be paid from revenues of certain parking facilities located in and transferred by the City to the Parking Authority, including the Leased Facilities [which the City has subleased to the Parking Authority pursuant to a Sublease Agreement, dated [____], 2014 (the “Sublease”), by and between the City and the Parking Authority] (collectively, the “Settlement”).

In connection with the Settlement, as bond counsel to the Issuer, we have reviewed the Indenture, the Site and Facility Lease, the Lease Agreement, the Forbearance Agreement, the Installment Sale Agreement, [the Sublease Agreement,] certificates of the Issuer, the Authority, the Parking Authority, the Trustee, NPFG and others and such other documents, opinions and matters to the extent we deemed necessary to render the opinion set forth herein.

The opinion expressed herein is based on an analysis of existing laws, regulations, rulings and court decisions and covers certain matters not directly addressed by such authorities. Such opinion may be affected by actions taken or omitted or events occurring after the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions are taken or omitted or events do occur or any other matters come to our attention after the date hereof. We have assumed the genuineness of all documents and signatures presented to us (whether as originals or as copies) and the due and legal execution and delivery thereof by, and validity against, any party other than the Issuer. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the documents and of the legal conclusions contained in the opinions, referred to in the second paragraph hereof. Furthermore, we have assumed compliance with the Tax Certificate and all covenants and agreements contained in the Indenture (including any supplements or amendments thereto), excluding the filing of the Bankruptcy Case and the payment defaults that occurred on September 1, 2012 and September 1, 2013, but including (without limitation) covenants and agreements compliance with which is necessary to assure that actions, omissions or events on and after the date of issuance of the Bonds have not caused and will not cause interest on the Bonds to be included in gross income for federal income tax purposes. We have not undertaken to determine compliance with any of such covenants and agreements or any other requirements of law, and, except as expressly set forth below, we have not otherwise reviewed any actions, omissions or events occurring after the date of issuance of the Bonds or the exclusion of interest on the Bonds from gross income for federal income tax purposes. Accordingly, no opinion is expressed herein as to whether interest on the Bonds is excludable from gross income for federal income tax purposes or as to any other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Bonds. Nothing in this letter should imply that we have considered or in any manner affirm any of the matters covered in the opinion of Quint & Thimmig LLP rendered in connection with the issuance of the Bonds.

Based on and subject to the foregoing, and in reliance thereon, as of the date hereof, we are of the opinion that the execution and delivery of the Forbearance Agreement [and the Sublease Agreement] in accordance with the provisions of the Indenture, and the execution and delivery of the Installment Sale Agreement, will not, in and of themselves, cause interest on the Bonds to be included in gross income.

This opinion is furnished by us as bond counsel to the Issuer solely for purposes of Section 2.7(a) of the Forbearance Agreement. No attorney-client relationship has existed or exists between our firm and the Trustee or our firm and NPMG in connection with the Bonds or by virtue of this opinion, and we disclaim any obligation to update this opinion. This opinion is delivered to the addressees hereof pursuant to the Section 2.7(a) of the Forbearance Agreement and is not to be used or relied upon for any other purpose or by any person. This opinion is not intended to, and may not, be relied upon by owners of Bonds or any other party to whom it is not specifically addressed.

Very truly yours,

ORRICK, HERRINGTON & SUTCLIFFE LLP

The Parking Authority, the Trustee, and NPMG further agree that such possessory rights, title and interest in the Leased Parking Facilities shall be deemed conveyed to and vested in the Parking Authority upon the Effective Date following the delivery of this Agreement, subject only to Permitted Encumbrances. The Trustee shall take all actions necessary to vest in the Parking Authority all such possessory rights, title and interest in the Leased Parking Facilities.

Section 4.2 Term of Agreement. The Term of this Agreement shall commence as of the date hereof and shall end on March 1, 2047, or such earlier or later date on which the Parking Authority shall have paid in full all Installment Payments and other amounts due hereunder.

(b) Option to Prepay. Subject to the terms and conditions of this Section, the Parking Authority may prepay, in whole, but not in part, the Installment Payments. Said option may be exercised by the Parking Authority on any February 25 or August 25 during the Term of this Agreement, at the prepayment price (the "Optional Prepayment Price") equal to the sum of (i) the prepayment price for the applicable period set forth on Schedule II attached hereto, (ii) all Installment Payments previously due in accordance with the schedule of Installment Payments set forth on Schedule I attached hereto remaining unpaid and any applicable interest thereon, as of the date of the prepayment, and (iii) all amounts previously due and payable in accordance with the terms of the SCC 16 Settlement (as defined in the Forbearance Agreement) that remain unpaid as of the date of the prepayment. The Parking Authority shall give written notice to the Trustee and NPMF of the exercise of such option to prepay at least thirty (30) days prior to making such prepayment. Upon the prepayment by the Parking Authority of the Installment Payments as set forth herein, all remaining rights of the Trustee and NPMF under the SCC 16 Settlement shall be deemed to have been assigned and transferred to the Parking Authority, and the Parking Authority shall be entitled to exercise any rights and remedies available to the Trustee under the SCC 16 Settlement. The prepayment by the Parking Authority pursuant to this Section 4.3(b) shall be deemed a prepayment of the Lease Payments (as such term is defined in the Lease Agreement) by the Financing Authority pursuant to Section 4.4 of the Lease Agreement and shall be applied to redeem Bonds pursuant to Section 4.01 of the Indenture.

(c) Payment in Lawful Money; No Set-Off. Each Installment Payment and the interest thereon, if any, shall be paid by the Parking Authority in lawful money of the United States, which at the time of payment is legal tender for the payment of public and private debts to or upon the order of the Trustee to the Trustee at its address designated in Section 10.1 or at such other place as the Trustee shall designate in writing to the Parking Authority. (d) Deposit to Secure Payment of All Installment Payments. Notwithstanding any other provision of this Agreement, the Parking Authority may on any date

secure the payment of the Installment Payments by an irrevocable deposit in favor of the Trustee, in trust, of an amount and the amount of earnings calculated to accrue on any investments of such amounts in Federal Securities, including Refcorp interest strips, CATS, TIGRS and STRPS, or defeased municipal bonds rated “AA+” or higher by S&P or “Aa1” or higher by Moody’s (or any combination thereof), to maturity or applicable redemption date, that will be sufficient to pay the Optional Prepayment Price (as defined in subsection (b) above) with respect to the February 25 or August 25 on which such prepayment will occur (collectively, the “Defeasance Deposit”). In connection with such Defeasance Deposit, the Parking Authority shall (i) provide the Trustee and NPMG 30 days’ prior written notice of its intent to make a Defeasance Deposit; (ii) provide the Trustee and NPMG with the certification of an Independent Financial Consultant, chosen by the Parking Authority, calculating the necessary Defeasance Deposit pursuant to the terms of this Section 4.3(d); and (iii) execute any and all documents required by the Trustee and NPMG to evidence the Trustee’s security interest in the Defeasance Deposit. The holder of the Defeasance Deposit shall be the Trustee or a bank or other financial institution approved by the Trustee and NPMG. In the event of a deposit pursuant to this subsection, all obligations of the Parking Authority under this Agreement, and all security provided by this Agreement for said obligations, shall cease and terminate, excepting only the obligation of the Parking Authority to make, or cause to be made, the prepayment and any applicable Installment Payments and interest thereon from the deposit made by the Parking Authority pursuant to this subsection. Such deposit shall be deemed to be and shall constitute a special fund for the payment of Installment Payments and interest thereon, if any, in accordance with the provisions of this Agreement. Upon such deposit, the Trustee shall execute or cause to be executed any and all documents as may be necessary to evidence the release of any security provided for by this Agreement.

Section 4.4 [Reserved.]

Section 4.5 Special Obligation of the Parking Authority; Termination Event. The Parking Authority’s obligation to pay the Installment Payments shall be a special obligation, limited solely to Revenues. Under no circumstances shall the Parking Authority be required to advance any moneys derived from any source of income other than Revenues. No other funds or property of the Parking Authority shall be liable for the payment of the Installment Payments or any interest thereon. The obligation of the Parking Authority to make Installment Payments and the interest thereon, if any, does not constitute an indebtedness within the meaning of any constitutional or statutory debt limit or restriction. The Installment Payments are Operation and Maintenance Expenses of the Parking Authority and will be paid on parity with all such Operation and Maintenance Expenses.

The general funds of the Parking Authority (other than the Revenues) and the City are not liable for, and neither the faith and credit nor the taxing power of the City is pledged to, the payment of the Installment Payments or the interest thereon, if any. The Parking Authority has no taxing power.

Until such time as all of the Installment Payments and the interest thereon, if any, shall have been fully paid or prepaid or secured, the Parking Authority (i) will not suspend, abate or discontinue any payments provided for in Section 4.3 hereof; (ii) will perform and observe all other agreements contained in this Agreement; and (iii) will not terminate the Term of this

Agreement for any cause, including, without limiting the generality of the foregoing, the occurrence of any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, destruction of or damage or defect to the Facilities, the taking by eminent domain of title to or temporary use of all or any part of the Facilities, commercial frustration of purpose, any change in the tax or other laws of the United States or of the State of California or any political subdivision of either thereof or any failure of the Trustee or NPFPG to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with this Agreement other than as set forth in the Forbearance Agreement. Nothing contained in this Section shall be construed to release the Trustee or NPFPG from the performance of any of the agreements on their part contained herein or in the Forbearance Agreement and, in the event the Trustee or NPFPG shall fail to perform any such agreements on their part, the Parking Authority may institute such action against NPFPG or the Trustee, as applicable, as the Parking Authority may deem necessary to compel performance so long as such action does not abrogate the obligations of the Parking Authority contained in the first sentence of this paragraph. Notwithstanding the foregoing provisions of this Section 4.5, the Parking Authority may, at the Parking Authority's own cost and expense and in the Parking Authority's own name, prosecute or defend any action or proceeding or take any other action involving third persons which the Parking Authority deems reasonably necessary in order to secure or protect the Parking Authority's rights of possession, occupancy and use hereunder, and in such event the Trustee and NPFPG agree to cooperate fully with the Parking Authority and to take such action as is necessary to effect the substitution of the Parking Authority for one or both of the Trustee and NPFPG in such action or proceeding if the Parking Authority shall so request.

The obligations of the Parking Authority to make the Installment Payments and the interest thereon, if any, from Revenues and to perform and observe the other agreements contained herein shall be absolute and unconditional. Until such time as all of the Installment Payments due hereunder shall have been paid in full (or provision for the payment thereof shall have been made pursuant to this Agreement), the Parking Authority will not discontinue or suspend the payment of any Installment Payments or the interest thereon, if any, required to be made by it under this Agreement when due, whether or not the Facilities or any part thereof is operating or operable or defective, or its use is suspended, interfered with, reduced or curtailed or terminated in whole or in part, and such payments shall not be subject to reduction whether by offset or otherwise and shall not be conditional upon the performance or nonperformance by any party of any agreement for any cause whatsoever; provided that, notwithstanding anything to the contrary in this Agreement, the amount of any Lease Payment or portion thereof paid by the City under the Lease Agreement from and after the Effective Date shall be credited to and reduce in equal amount the Parking Authority's obligation to make Installment Payments pursuant to this Agreement.

Following waiver of the Termination Event and reinstatement of the Forbearance Agreement pursuant to the terms of the Forbearance Agreement, the remaining amounts due as set forth on Schedule I shall be recalculated by an Independent Financial Consultant, chosen by the Parking Authority, to account for the delay in payment (without addition of any interest or other fees or charges for such period of time as the Termination Event continued) and, at the option of the Parking Authority, extended by an amount of time less than or equal to the period during which the Termination Event continued.

Section 4.6 Pledge of Revenues; Application of Revenues.

(a) Pledge of Revenues. The Parking Authority hereby agrees that the payment of the Installment Payments and the interest thereon, if any, shall be, and hereby are, secured by a pledge of and charge and a first lien upon the Revenues, senior to all other liens or encumbrances on the Revenues or any portion thereof, and, except as herein otherwise provided, all of the Revenues are hereby pledged, charged, assigned, and set over by the Parking Authority to the Trustee for the purpose of securing payment of the Installment Payments and the interest thereon, if any, provided that such amounts shall be payable on parity with all other Operation and Maintenance Expenses. The Revenues and any interest earned on the Revenues shall be held in trust by the Parking Authority for the security and payment of the Installment Payments and the interest thereon, if any, and all other Operation and Maintenance Expenses. The Parking Authority agrees that none of the Revenues will be used for any other purposes unless and until the then required payments of the Installment Payments and the interest thereon, if any, and all other Operation and Maintenance Expenses have been made. The Parking Authority hereby further covenants that it will not encumber or create a lien on Revenues superior to or on parity with the pledge of the Revenues created hereunder and the pledge of Revenues hereunder shall constitute a first and prior lien on all of the Revenues. In accordance with Section 5451 of Title 1, Chapter 5.5 of the California Government Code, this pledge shall constitute a first and prior lien on and security interest in all of the Revenues for the payment of Installment Payments and the interest thereon, if any, on parity with all other Operation and Maintenance Expenses, which shall immediately attach to the Revenues and be effective, binding and enforceable against the Parking Authority, its successors, creditors and all others asserting rights therein relating to the Installment Payments, to the extent set forth in this Agreement, irrespective of whether those parties have notice of the pledge and without the need for any physical delivery, recordation, filing or further act.

(b) Use and Withdrawal of Revenues. Revenues shall be set aside and expended by the Parking Authority in the following order of priority, each such use to be fully paid or provided for prior to the application to the next item in the below list:

(i) Operation and Maintenance Expenses Including Installment Payments. The Installment Payments and interest on the Installment Payments, if any, shall be paid or provided for from time to time when, in accordance with the terms of this Agreement, they become due and payable. All other Operation and Maintenance Expenses shall be paid from time to time as they arise. In the event of any insufficiency of Revenues to make the payments described in this paragraph, moneys shall be applied ratably to Operation and Maintenance Expenses, including Installment Payments, based on the respective principal amounts without any discrimination or preference; provided that the Trustee, at the direction of NPFG, may at any time consent to the payment of any other Operation and Maintenance Expenses prior to Installment Payments.

Following a determination by the Parking Authority that the Parking Authority will have in such Fiscal Year Revenues sufficient for payment of all of the amounts referenced in clause (i) above:

(ii) General Parking Authority Purposes. For any lawful purpose of the Parking Authority, including, but not limited to, any costs of capital improvements to the Facilities and Debt Service, if any.

Section 4.7 Rate Covenant.

(a) The Parking Authority shall, on or before June 1 of each Fiscal Year, determine, based upon preliminary results from such Fiscal Year and projected results for the following Fiscal Year, fix rents, rates, fees and other charges for the following Fiscal Year at levels projected to produce (i) Revenues that will be equal to at least 1.0 times budgeted Operation and Maintenance Expenses for such Fiscal Year (including all Installment Payments to become due and payable), and (ii) Net Revenues that, less budgeted Operation and Maintenance Expenses, will be equal to at least 1.1 times Debt Service (if applicable) for such Fiscal Year. The Parking Authority shall notify the Trustee and NPMG on or before the beginning of each Fiscal Year of the results of such determination for such Fiscal Year. The Parking Authority may make adjustments from time to time in such rates and charges and may make such classification thereof as it deems necessary, but shall not reduce the rates and charges then in effect unless the Revenues from such reduced rates and charges will at all times be sufficient to meet the requirements of this Section 4.7(a).

(b) [Parking Consultant provision TBD.]

Section 4.8 Limitations on Debt. The Parking Authority will not issue or incur any bonds or obligations of any kind or nature payable from or enjoying a lien on the Revenues unless all of the following conditions are met:

(a) The Parking Authority is in full compliance with all of the covenants and undertakings in connection with this Agreement and all debt and other obligations of the Parking Authority then outstanding and payable from Revenues or Net Revenues.

(b) The issuance of Debt shall have been duly authorized, including, but only to the extent required by law, at an election held pursuant to applicable law.

(c) The Net Revenues for the last Fiscal Year for which audited financial statements are available when added to the estimated amount of the increase in the Revenues (including any increase due to any increase in rates which is scheduled to take effect prior to or simultaneous with the issuance and delivery of such Debt) for the first twelve-month period in which improvements, extensions, additions, or betterments of the Facilities to be financed with the proceeds of the Debt then proposed to be issued will be in operation (such estimated amount to be evidenced by a certificate of an Independent Financial Consultant), are equal to at least 1.1 times the Maximum Annual Debt Service on all Debt then outstanding plus the Debt then proposed to be issued. Any such lien on Revenues shall be made expressly subordinate to the first and prior lien on the security interest on Revenues securing the payment of Installment Payments (and interest thereon) as set forth herein.

(d) If the additional Debt is to be issued solely for the purpose of refunding a portion of the Installment Payments or other Debt then outstanding then, for the purpose of making the calculation required under the foregoing paragraph, the Maximum Annual Debt Service on the Installment Payments and any Debt outstanding in any future years shall take into consideration only the Installment Payments and Debt that will remaining outstanding after the issuance of such Debt; provided that if before the issuance and delivery of such Debt the Installment Payments will have been retired, nothing herein contained shall limit or restrict the issuance of any such Debt.

(e) Debt may be issued only for the purpose of improving, extending, reconstructing, maintaining, or repairing the Facilities or acquiring or constructing Additional Facilities, or for the purpose of refunding the Installment Payments or any Debt then outstanding, or for any combination of such purposes.

The Parking Authority shall also pay from Revenues any taxes and assessments or other governmental charges lawfully levied or assessed upon or in respect of the Facilities or upon any part thereof or upon any of the Revenues therefrom, and duly observe and conform to all valid requirements of any governmental authority relative to any such properties; provided that with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Parking Authority shall be obligated to pay only such installments as are required to be paid during the Term of this Agreement as and when the same become due. The Parking Authority shall not be required to pay any federal, state or local income, inheritance, estate, succession, transfer, gift, franchise,

gross receipts, profit, excess profit, capital stock, corporate, or other similar tax payable by the Trustee or NPFPG or their successors.

The Parking Authority may, at the Parking Authority's expense and in its name, in good faith contest any such taxes, assessments, utility and other charges and, in the event of any such contest, may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom; provided that prior to such nonpayment the Parking Authority shall furnish the Trustee and NPFPG with the opinion of Independent Counsel acceptable to the Trustee and NPFPG to the effect that, by nonpayment of any such items, the Facilities or any part thereof will be subject to loss or forfeiture, otherwise, the Parking Authority shall promptly pay such taxes, assessments or charges, or provide the Trustee and NPFPG with full security against any loss which may result from nonpayment, in form satisfactory to the Trustee and NPFPG.

Section 5.2 Modification of Facilities. The Parking Authority shall, at its own expense, have the right to make additions, modifications and improvements to the Facilities. Such additions, modifications and improvements shall not in any way damage the Facilities or cause it to be used for purposes other than those authorized under the Parking Law; and the Facilities, upon completion of any additions, modifications and improvements made pursuant to this Section 5.2, shall have a value at least equal to the value of the Facilities immediately prior to the making of such additions, modifications and improvements. All such additions, modifications and improvements shall comply with all building, electrical, plumbing, health and fire codes of the City and the County of San Joaquin. The Parking Authority covenants not to use, or to permit the use of, the Facilities in any manner that will constitute waste, nuisance or unreasonable annoyance to owners or occupants of adjacent properties.

Section 5.3 Public Liability and Property Damage Insurance. The Parking Authority shall maintain or cause to be maintained, throughout the Term of this Agreement, insurance policies, including a standard comprehensive general liability insurance policy or policies, in protection of the Parking Authority and the City, their officers, agents, and employees. Any such policy or policies shall name the Parking Authority and the Trustee as an additional insured. Said policy or policies shall provide for indemnification of said parties against direct or contingent loss or liability for damages for bodily and personal injury, death or property damage occasioned by reason of the construction or operation and maintenance of the Facilities. Said policy or policies shall provide coverage in the minimum liability limits of \$1,000,000 for personal injury or death of each person or of two or more persons in a single accident or event, and in a minimum amount of \$100,000 (subject to a deductible clause of not to exceed \$5,000) for damage to property resulting from each accident or event. Such public liability and property damage insurance may, however, be in the form of a single limit policy in the amount of \$1,000,000 covering all such risks. Such liability insurance may be maintained as part of or in conjunction with any other liability insurance coverage carried by the Parking Authority. [Self insurance subject to review.] The Net Proceeds of such liability insurance shall be applied toward extinguishment or satisfaction of the liability with respect to which the insurance proceeds shall have been paid.

Section 5.4 Errors and Omissions Insurance. The Parking Authority shall procure and maintain, or cause to be procured and maintained, throughout the Term of this Agreement a

policy of errors and omissions insurance for the protection of the members of the Parking Authority.

Section 5.5 Fire and Extended Coverage Insurance. The Parking Authority shall procure and maintain, or cause to be procured and maintained throughout the Term of this Agreement, insurance against loss or damage to any insurable structures constituting any part of the Facilities (excluding, for example, metered parking spaces of streets, roads and other public thoroughfares) by fire and lightning, with extended coverage insurance. Any such policy or policies shall name the Trustee as an additional insured. A maximum deductible amount of \$50,000 for any one loss shall be allowable. Such insurance shall be in an amount equal to one hundred percent (100%) of the replacement cost of such Facilities. Such insurance may be maintained as part of or in conjunction with any other fire and extended coverage insurance carried or required to be carried by the Parking Authority. [Self insurance subject to review.] The Net Proceeds of such insurance shall be applied as provided in Section 6.2(a) hereof.

Section 5.6 Workers Compensation. The Parking Authority shall procure and maintain, or cause to be procured and maintained, throughout the Term of this Agreement a policy of workers compensation with employer's liability limits not less than five hundred thousand dollars (\$500,000) per accident. Any such policy or policies shall name the Trustee as an additional insured. [Self insurance subject to review.]

Section 5.7 Business Automobile Liability. The Parking Authority shall procure and maintain, or cause to be procured and maintained, throughout the Term of this Agreement a policy of business automobile liability insurance with limits not less than one million dollars (\$1,000,000) each occurrence combined single limit for bodily injury and property damage, including owned and non-owned and hired auto coverage, as applicable. Any such policy or policies shall name the Trustee as an additional insured. [Self insurance subject to review.]

Section 5.8 Insurance Proceeds; Form of Policies. All proceeds of the insurance required by Section 5.5 hereof shall be payable to the Parking Authority for deposit into the Insurance and Condemnation Fund as provided in Section 6.2(a) hereof. The Parking Authority shall pay or cause to be paid when due the premiums for all insurance policies required by this Agreement. All such policies shall provide that the Trustee and NPPG shall be given thirty (30) days' notice of each expiration thereof, and any intended cancellation thereof or reduction of the coverage provided thereby. The Trustee and NPPG shall not be responsible for the sufficiency of any insurance herein required, and the Trustee and NPPG shall be fully protected in accepting payment on account of such insurance or any adjustment, compromise, or settlement of any loss agreed to by them. The Parking Authority shall cause to be delivered to the Trustee and NPPG annually on or before September 1 a Certificate of a Parking Authority Representative stating that the insurance policies or self-insurance required by this Agreement are in full force and effect and that all required premiums, if any, have been paid or an insurance certificate evidencing such coverage. Promptly following the request of the Trustee or NPPG, the Parking Authority shall cause to be delivered to the Trustee and NPPG a copy of any insurance obtained pursuant to this Agreement.

Any insurance policies obtained in satisfaction of the requirements of Sections 5.3, 5.5 and 5.7 shall provide the following:

(i) If obtained by a person other than the Parking Authority, name as additional insureds the Parking Authority and the Trustee and, as applicable, their officers, agents and employees.

(ii) That such policies are primary insurance to any other insurance available to the additional insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought.

(iii) All policies shall provide thirty (30) days advance written notice to the Parking Authority of cancellation.

(iv) Should any of the required insurance be provided under a claims-made form, the Operator or the Parking Authority, as applicable, shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three (3) years beyond the expiration of this Agreement, to the effect that, should occurrences during the contract term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.

(v) Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above. Should any required insurance obtained by an Operator lapse during the term of this Agreement, Operator requests for payments originating after such lapse shall not be processed until the Parking Authority receives satisfactory evidence of reinstate coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, the Parking Authority shall, at its sole option, obtain the necessary insurance on behalf of the Operator or, within 60 days of such non-reinstatement, employ a replacement Operator.

Notwithstanding anything to the contrary in this Agreement, any policy of insurance required pursuant to this Agreement may be obtained from a joint powers authority authorized and existing under the laws of the State.

Section 5.9 Advances. If the Parking Authority fails to perform any of its obligations under this Article, the Trustee may, but shall have no obligation, take such action as may be necessary to cure such failure, including the advancement of money, and the Parking Authority shall be obligated to repay all such advances as soon as possible, with interest thereon at the lesser of the rate of twelve percent (12%) per annum or the maximum legal rate of interest for public agencies from the date of the advance to the date of repayment.

Section 5.10 Subcontracting. The Parking Authority may employ one or more Operators to operate all or any portion of the Facilities in connection with the discharge of the Parking Authority's related duties and covenants under this Agreement. The Parking Authority

shall provide notice to the Trustee and NPMG within fifteen (15) days of appointing or replacing any Operator.

The Parking Authority shall remain obligated to discharge all of its duties under this Agreement following appointment of an Operator; provided that, the Parking Authority shall not be liable, and the Trustee and NPMG hereby waive all claims against the Parking Authority, for any damages relating from the gross negligence or willful misconduct of any such Operator.

Section 5.11 Installation of Parking Authority's Equipment. The Parking Authority may at any time and from time to time, in its sole discretion and at its own expense, install or permit to be installed items of equipment or personal property in or upon the Facilities. All such items shall remain the sole property of the Parking Authority, in which the Trustee and NPMG shall not have any interest, and may be modified or removed by the Parking Authority at any time, provided that the Parking Authority shall repair and restore any and all damage to the Facilities resulting from the installation, modification or removal of any such items. Subject to the provisions of Section 4.8 hereof, nothing in this Agreement shall prevent the Parking Authority from purchasing items to be installed pursuant to this Section under a conditional sale or lease purchase contract, or subject to a vendor's lien or security agreement, as security for the unpaid portion of the purchase price thereof.

Section 5.12 Records and Accounts. The Parking Authority covenants that it shall keep proper books of records and accounts of the Facilities, separate from all other records and accounts, in which complete and correct entries shall be made of all transactions relating to the Facilities and Revenues. Said books shall at all times be subject to the inspection by NPMG or the Trustee.

ARTICLE VI DAMAGE, DESTRUCTION AND EMINENT DOMAIN; USE OF NET PROCEEDS

Section 6.1 Eminent Domain. If all or any part of the Facilities shall be taken by eminent domain proceedings (or sold to a government agency threatening to exercise the power of eminent domain), the Net Proceeds therefrom shall be deposited in the Insurance and Condemnation Fund pursuant to Section 6.2(b) hereof and shall be applied and disbursed by the Parking Authority as follows:

(a) If the Parking Authority reasonably determines that such eminent domain proceedings have not materially affected the operation of the Parking Authority or the ability of the Parking Authority to meet any of its obligations under this Agreement, and if the Parking Authority determines that such proceeds are not needed for repair or rehabilitation of the Facilities, upon delivery to the Trustee and NPMG of a certificate of an Independent Engineer or Independent Financial Consultant to the effect that such taking will not have a material effect on the Facilities and that the rate covenant of the Parking Authority set forth in Section 4.7 of this Agreement, based on projections of said engineer or financial consultant, will continue to be satisfied following such taking, the City shall apply such proceeds to the prepayment of Installment Payments in the manner provided in Article IV hereof.

(b) If the Parking Authority reasonably determines that such eminent domain proceedings have not materially affected the operation of the Facilities or the ability of the Parking Authority to meet any of its obligations under the Agreement, and if the Parking Authority reasonably determines that such proceeds are needed for replacement, repair or rehabilitation of the Facilities, the Parking Authority shall pay from said proceeds such amounts as the Parking Authority may reasonably expend for such replacement, repair or rehabilitation, upon the filing with the Trustee and NPPG of a certificate of an Independent Engineer or Independent Financial Consultant to the effect that such replacement, repair or rehabilitation will not have a material effect on the Facilities and that the rate covenant of the Parking Authority set forth in Section 4.7 of this Agreement, based on projections of said engineer or financial consultant, will continue to be satisfied following such repair, replacement or rehabilitation.

(c) If less than all of the Facilities shall have been taken in such eminent domain proceedings, and if the Parking Authority reasonably determines that such eminent domain proceedings have materially affected the operation of the Facilities or the ability of the Parking Authority to meet any of its obligations under the Agreement, or if all of the Facilities shall have been taken in such eminent domain proceedings, then the Parking Authority shall apply all such proceeds to the prepayment of Installment Payments in the manner provided in Article IV hereof.

Section 6.2 Application of Net Proceeds.

(a) From Insurance Award. The Net Proceeds of any insurance award resulting from any damage to or destruction of the Facilities, or any part thereof, by fire or other casualty shall be deposited by the Parking Authority in a separate fund known as the Insurance and Condemnation Fund (the "Insurance and Condemnation Fund") promptly upon receipt thereof, and, if the Parking Authority Representative notifies the Trustee and NPPG in writing of the Parking Authority's determination, and a certificate of an Independent Engineer and/or Independent Financial Consultant, to the effect that the replacement, repair, or restoration of the Facilities, or any part thereof, is not economically feasible or in the best financial interest of the Parking Authority, the Trustee and NPPG, based on projections of said engineer or financial consultant, then such Net Proceeds shall be promptly transferred to the Trustee and applied to the prepayment of the Installment Payments in accordance with Section 4.3(b) or Section 4.3(d) hereof. All such Net Proceeds deposited in the Insurance and Condemnation Fund and not so transferred shall be applied to the prompt replacement, repair, or restoration of the damaged or destroyed portions of the Facilities by the Parking Authority. Any balance of the Net Proceeds of any insurance award remaining after the replacement, repair or restoration of the damaged or destroyed portion of the Facilities has been completed [and final accounting TBD] shall be transferred to the Parking Authority as Revenues.

(b) From Eminent Domain Award. The net proceeds of any eminent domain award or settlement resulting from any event described in Section 6.1 hereof shall be deposited in the Insurance and Condemnation Fund and shall be held and applied in the same manner as Net Proceeds as set forth in Section 6.2(a) hereof.

ARTICLE VII
DISCLAIMER OF WARRANTIES; INDEMNIFICATION

Section 7.1 Disclaimer of Warranties. THE TRUSTEE AND NPFPG MAKE NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OF THE FACILITIES OR ANY PART THEREOF OR AS TO THE FITNESS OF THE FACILITIES FOR THE USE CONTEMPLATED BY THE PARKING AUTHORITY OF THE FACILITIES OR ANY PARTS THEREOF, OR ANY OTHER REPRESENTATION OR WARRANTY WITH RESPECT TO THE PROJECT OR ANY PARTS THEREOF. IN NO EVENT SHALL THE TRUSTEE OR NPFPG BE LIABLE FOR INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT OR THE ACQUISITION, CONSTRUCTION, EXISTENCE, FURNISHING OR FUNCTIONING OF THE FACILITIES OR THE PARKING AUTHORITY'S USE OF THE FACILITIES.

The Parking Authority acknowledges that the Parking Authority is not relying on the Trustee or NPFPG having made any inquiry as to the condition of the Leased Parking Facilities. The Parking Authority acknowledges and agrees that the Parking Authority will be purchasing the Trustee's possessory interest in the Leased Parking Facilities based solely upon its inspection and investigations of the Leased Parking Facilities and that the Parking Authority will be purchasing the possessory interest "AS IS" and "WITH ALL FAULTS" based upon the condition of the Leased Parking Facilities as of the date of this Agreement. By accepting the possessory interest hereunder, the Parking Authority hereby releases the Trustee and NPFPG, each of their affiliates and each of their respective shareholders, members, partners, officers, directors, employees, servants, agents and counsel their directors and officers, and their successors, (collectively, the "Indemnified Parties") from any and all liability in connection with any claims which the Parking Authority may have against the Indemnified Parties, and the Parking Authority hereby agrees not to assert any claims for damage, loss, compensation, contribution, cost recovery or otherwise against the Indemnified Parties, whether in tort, contract, or otherwise, relating directly or indirectly to the condition of the Leased Parking Facilities.

Section 7.2 Indemnification. The Parking Authority shall and hereby agrees to indemnify and save harmless the Indemnified Parties from and against any and all claims, losses, damages, penalties and liabilities, including legal fees and expenses, arising out of or in connection with (i) the acquisition, construction, use, maintenance, condition, management, disposition or sale of the Facilities, or from any work or thing done on the Facilities by the Parking Authority, (ii) any breach or default on the part of the Parking Authority in the performance of any of its obligations under this Agreement, and (iii) the Trustee's interest in the Transferred Interests, the Transferred Interests, and the Trustee's possession of the Facilities and/or sale of the Transferred Interests pursuant to the terms hereof. No indemnification is made under this Section or elsewhere in this Agreement for willful misconduct, gross negligence, or breach of duty under this Agreement by the Trustee or NPFPG, or their officers, employees or successors. The indemnity provided for in this Section shall survive termination of this Agreement.

ARTICLE VIII
NO ASSIGNMENT

Section 8.1 No Assignment of this Agreement. This Agreement may not be assigned by the Parking Authority to any other party.

ARTICLE IX
EVENTS OF DEFAULT AND REMEDIES

Section 9.1 Events of Default Defined. The following shall be “events of default” under this Agreement, and the terms “event of default” and “default” shall mean, whenever they are used in this Agreement, any one or more of the following events:

(i) Failure by the Parking Authority to pay any Installment Payment or the interest thereon or other payment required to be paid hereunder at the time specified herein for payment; provided that, if the Parking Authority has, in good faith, taken actions to increase Revenues or otherwise increased rates, fees and charges, or to reduce Operation and Maintenance Expenses, and an Independent Engineer certifies that such actions, expense reductions or rate increase are expected to result in payment in full of the next succeeding Installment Payment on the date on which it will become due pursuant to Schedule I, together with any previously unpaid Installment Payments and accrued interest to be due and payable on such date, then such failure will not be an event of default under this Agreement.

(ii) Failure by the Parking Authority to observe and perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in clause (i) of this Section, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied has been given to the Parking Authority by the Trustee or by the Trustee at the direction of NPPFG; provided, however, if the failure stated in the notice cannot be corrected within the applicable period, the Trustee and NPPFG shall not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Parking Authority within the applicable period and diligently pursued until the default is corrected.

(iii) The filing by the Parking Authority of a voluntary petition in bankruptcy, or failure by the Parking Authority promptly to obtain relief from any execution, garnishment or attachment, or adjudication of the Parking Authority as a bankrupt, or assignment by the Parking Authority for the benefit of creditors, or the entry by the Parking Authority into an agreement of composition with creditors, or the approval by a court of competent jurisdiction of a petition applicable to the Parking Authority in any proceedings instituted under the provisions of the Federal Bankruptcy Statute, as amended, or under any similar acts which may hereafter be enacted.

(iv) An event of default shall have occurred and be continuing with respect to any Debt which requires or permits the immediate acceleration thereof.

(v) A Termination Event (as that term is defined in Section 6.1 of the Forbearance Agreement) shall occur under the Forbearance Agreement.

Section 9.2 Remedies on Default. Whenever any event of default referred to in Section 9.1 hereof shall have occurred and be continuing, the Trustee, at the direction of NPPFG, shall without any further demand or notice:

(a) declare all the unpaid Installment Payments, together with accrued interest thereon, if any, to be immediately due and payable, whereupon the same shall become due and payable;

(b) apply to and obtain from any court of competent jurisdiction such decree or order as may be necessary to require officials of the Parking Authority to charge and collect rates and charges for services provided by the Facilities sufficient to meet all requirements of this Agreement;

(c) take whatever action at law or in equity may appear necessary or desirable to collect the Installment Payments and the interest thereon, if any, then due or thereafter to become due during the Term of this Agreement, or enforce performance and observance of any obligation, agreement or covenant of the Parking Authority under this Agreement;

(d) partially foreclose the lien on the Revenues granted hereby in any manner and for any amounts secured hereby then due and payable as determined by NPPFG and the Trustee in their sole discretion including, without limitation, the following circumstances: (i) in the event Parking Authority defaults beyond any applicable grace period in the payment of one or more Installment Payments, the Trustee, at the direction of NPPFG, may foreclose the lien on the Revenues granted hereby to recover such delinquent payments, or (ii) in the event the Trustee, at the direction of NPPFG, elects to accelerate less than the entire outstanding balance of the Installment Payments, the Trustee, at the direction of NPPFG, may foreclose the lien on the Revenues granted hereby to recover so much of the Installment Payments as the Trustee, at the direction of NPPFG, may elect to accelerate and such other sums secured hereby as the Trustee, at the direction of NPPFG, may elect. Notwithstanding one or more partial foreclosures, the Revenues shall remain subject to the lien and security interest created hereby to secure payment of sums secured hereby and not previously recovered; and/or

(e) take or exercise all or any one or more of the rights, powers, privileges and other remedies available NPPFG and the Trustee, as applicable, against the Parking Authority under this Agreement or any of the other documents, instruments or agreements executed and delivered by, or applicable to, the Parking Authority or at law, in equity or otherwise, at any time and from time to time, whether or not all or any of the Installment Payments shall be declared due and payable, and whether or not the Trustee shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of this Agreement or any of the other documents, instruments or

agreements executed and delivered in connection herewith. Any such actions taken by the Trustee or NPMFG shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as the Trustee and NPMFG may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of the Trustee or NPMFG permitted by law, equity or contract or as set forth herein or in the other documents, instruments and agreements executed in connection herewith. Without limiting the generality of the foregoing, the Parking Authority agrees that if an event of default is continuing, all liens and other rights, remedies or privileges provided to the Trustee and NPMFG, as applicable, shall remain in full force and effect until the Trustee and NPMFG have exhausted all of their remedies against the Parking Authority and the Revenues, the lien on the Revenues granted hereby has been foreclosed, sold and/or otherwise realized, and the Installment Payments and all other amounts due or to become due hereunder have been paid in full.

Section 9.3 No Remedy Exclusive. No remedy herein conferred upon or reserved to the Trustee or NPMFG is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Trustee and/or NPMFG to exercise any remedy reserved to it in this Article IX, it shall not be necessary to give any notice, other than such notice as may be required in this Article or by law.

Section 9.4 Agreement to Pay Attorneys' Fees and Expenses. In the event a party to this Agreement should default under any of the provisions hereof and the non-defaulting party should employ attorneys or incur other expenses for the collection of moneys or the enforcement or performance or observance of any obligation or agreement on the part of the defaulting party herein contained, the defaulting party agrees that it will on demand therefor pay to the non-defaulting party the reasonable fees of such attorneys and such other expenses so incurred by the non-defaulting party.

Section 9.5 No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 9.6 Liability Limited to Revenues. Notwithstanding any provision of this Agreement, the Parking Authority's liability to pay the Installment Payments and the interest thereon, if any, and other amounts hereunder shall be limited solely to Revenues as provided in Sections 4.5 and 4.6 hereof. In the event that the Revenues shall be insufficient at any time to pay any Installment Payment or interest thereon, if any, in full, the Parking Authority shall not be liable to pay or prepay such Installment Payment or interest other than from the Revenues, but shall be liable to pay to the Trustee, for the benefit of NPMFG and the owners of the Bonds, the amount of any deficiency in the payment of Installment Payments, but solely from Revenues thereafter received.

2. Parties agree that past accrued interest on the Stockton Marina loans will be waived by DBW and no penalties or interest will accrue to the loans as long as the City continues its cooperation with DBW as outlined in this Agreement..
3. Prior to the adoption of the annual Marina budget by the City Council, the City agrees to timely provide DBW with a copy of the proposed budget in order to give DBW the time to provide the City with its input prior to the budget's adoption; as part of this process, the City further agrees to give meaningful consideration to DBW's input regarding the preparation of the City's budgets for Marina operations, and the City agrees to meet with DBW staff if requested during the preparation of the City's annual budget, and further agrees to give meaningful consideration to suggestions from DBW on budget issues,. The City also agrees to give meaningful consideration to DBW's suggestions regarding the selection of an appropriate Marina operating entity, and regarding the City's efforts to increase Marina revenues.
4. The City agrees to make annual principal repayments to DBW from Stockton Marina gross revenues after operating costs, necessary for maintenance and operation of the marina facility are paid. "Operating Costs" shall be as defined by GAAP: OpEx (Operational expenditure) refers to expenses incurred in the course of ordinary business, such as sales, general and reasonable administrative expenses (and excluding cost of goods sold, taxes, depreciation and interest). The City may at its sole discretion supplement Marina operations with an annual subsidy from the General Fund (currently approximately \$140,000 per year), but is not obligated to do so. The City's General Fund is not obligated to repay the loan. The City agrees to make its best efforts to repay the \$10.8 million DBW loan as soon as possible dependent on the availability of the Stockton Marina gross revenues as defined above.

5. If at any time DBW is dissatisfied with the City's operation of the Marina and/or the City's progress regarding repayment of the \$10.8 million loan principal, upon no less than 120 days notice to the City, DBW may take possession of the Marina, collect marina gross revenues as defined in Section 4 of this Supplemental Agreement, and use those revenues to repay the remainder of the principal from the City's \$10.8 million loan received from DBW, to the extent that revenues are available after payment of operating costs as defined in Section 4 above. The City will not be obligated to maintain any General Fund subsidy.. DBW may also, in its sole discretion, choose to return possession of the marina to the City.
6. The City shall annually submit to DBW the City's Audited Financial Statements which shall include detailed reporting and notes for the Marina Enterprise Fund. These statements may be submitted electronically.

PRICE SETTLEMENT DOCUMENT

SETTLEMENT AGREEMENT

This Settlement Agreement is entered into by and among INTERFAITH COUNCIL OF SAN JOAQUIN and GEORGE BAKER, on behalf of Richard Price, George Baker, Stanford Cobbs, Dwain Henderson, Lucinda Watson, Lance White and Interfaith Council of San Joaquin (PRICE JUDGMENT CREDITORS), and Debtor CITY OF STOCKTON, CALIFORNIA and the CITY COUNCIL OF THE CITY OF STOCKTON (CITY).

1. RECITALS

This Settlement Agreement (Price Settlement Agreement) is entered into based upon the following facts:

- 1.1 On or about January 13, 2006, a Judgment Pursuant to Settlement Agreement was entered by the U.S. District Court, Eastern District, in *Richard Price, et al. v. City of Stockton, California, et al.*, Case No. Civ. S-02-0065 LKK KJM. That case was filed by the PRICE JUDGMENT CREDITORS against the CITY, the former Stockton Redevelopment Agency, and other parties (Defendants) on or about January 10, 2002. The PRICE JUDGMENT CREDITORS, Plaintiffs in Case No. S-02-0065, alleged in their complaint that Defendants had violated certain state and federal redevelopment, relocation assistance, and fair housing laws. The parties settled the action pursuant to a settlement agreement, dated as of January 9, 2006. A true and correct copy of the Judgment Pursuant to Settlement Agreement and Settlement Agreement are attached hereto as Exhibit A (collectively referred to herein as Price Judgment).
- 1.2 Among other things, the Price Judgment requires the construction of 340 lower income housing units to replace units that were demolished as a result of redevelopment (Replacement Units), the creation of a \$1.45 million relocation assistance fund to pay the relocation assistance claims of eligible persons who were displaced as a result of redevelopment (Relocation Fund), and a preference for a Replacement Unit for certain eligible displaced persons.
- 1.3 As of January 13, 2006, Defendants were credited with the construction of 155 units at the Hotel Stockton, subject to certain restrictions, leaving a balance of 185 Replacement Units that were required to be completed by December 31, 2010. Of the 185 Replacement Units, 100 Replacement Units are required under the Price Judgment to be available to and occupied by Extremely Low Income households, and 85 units are to be available to and occupied by households with incomes at or below 60% of the area median income. The Replacement Units are required to remain affordable at the requisite income levels for a period of not less than 55 years; the units may not be restricted for seniors only; and long-term affordability covenants must be recorded with the San Joaquin County Recorder.
- 1.4 The Relocation Fund was required under the Price Judgment to be distributed to eligible displaced persons by January 13, 2011. Any remaining balance of the Relocation Fund that was not distributed to eligible displaced persons by that date was required to be set

aside in a restricted fund of the former Stockton Redevelopment Agency to be used exclusively for the construction of housing units that are affordable to extremely low income households. As of January 13, 2011, the balance of the Relocation Fund that had not been distributed was \$994,348.00.

- 1.5 In 2010 and 2011, the parties to the Price Judgment engaged in meet and confer discussions in an effort to resolve an alleged breach of the PRICE JUDGMENT by Defendants involving the Replacement Units and the Relocation Fund. Before those negotiations were completed, the California Legislature enacted Health & Safety Code §§34161 et seq. effective June 29, 2011 to dissolve redevelopment agencies.
- 1.6 On or about February 1, 2012, the former Stockton Redevelopment Agency was dissolved by operation of law pursuant to California Health & Safety Code §34161 *et seq.* The City of Stockton became the Successor Agency and the Housing Successor of the former Redevelopment Agency pursuant to City Council Resolution No. 11-0251 dated August 23, 2011. On or about February 1, 2012, the assets, functions and obligations of the former Redevelopment Agency transferred to the City, in its capacity as Successor Agency. The Successor Agency and the CITY are separate and distinct public entities pursuant to California Health & Safety Code §34173(g).
- 1.7 On or about June 28, 2012, the CITY, a Municipal Corporation, filed a Voluntary Petition for bankruptcy pursuant to Chapter 9 of the Bankruptcy Code in *In re City of Stockton, California*, U.S. Bankruptcy Court, E.D. of California, Case No. 12-32118 (Bankruptcy Proceeding). The Successor Agency is not a party to the Bankruptcy Proceeding.
- 1.8 The PRICE JUDGMENT CREDITORS and the CITY participated in mediation in the Bankruptcy Proceeding conducted by Judge Elizabeth Perris. The Parties desire to fully settle and resolve the PRICE JUDGMENT CREDITORS' claims against the CITY on the terms and conditions set forth herein, and to include this Price Settlement Agreement in an Amended Plan for Adjustment.
- 1.9 This Price Settlement Agreement is subject to approval by the City Council which is expected on or about January 28, 2014.
- 1.10 INTERFAITH COUNCIL OF SAN JOAQUIN and GEORGE BAKER are authorized to execute a supplement, modification, or amendment of the Settlement Agreement pursuant to paragraph VIII.4.E of Ex. A to the PRICE JUDGMENT.

SETTLEMENT TERMS AND CONDITIONS

3. RECITALS AND DEFINITIONS INCORPORATED.

- 3.1 The above recitals and definitions are incorporated into and made a part of this Price Settlement Agreement.

4. REPLACEMENT UNITS.

- 4.1 **Completed and Pipeline Units.** There is disagreement between the parties to this Price Settlement Agreement as to the number of units the CITY has produced that may be counted toward fulfillment of the remaining obligation for 185 Replacement Units. With regard to the units the CITY would desire to apply to the satisfaction of this obligation, there are units that have already been built or are otherwise subject to final and binding agreements with third-parties ("Completed Units"), and others that are planned or in progress, but are not yet the subject of final executed agreements ("Pipeline Units"). A table of the Completed Units and Pipeline Units reflecting the name of each development, number of units at each development, and affordability levels of units that the CITY desires to count is attached hereto as Exhibit B. The parties to this Price Agreement agree to resolve their disagreement as to the Pipeline Units and Completed Units that may be counted toward the remaining obligation pursuant to the provisions of sections 4.2 and 4.3, respectively, to this agreement.
- 4.2 **Pipeline Units.** These units include Bradford Apartments (3 Extremely Low Income units), Zettie Miller’s Haven (61 Extremely Low Income units), and any other units that the CITY may substitute in the future to achieve the remaining Replacement Units. As to these units, or any other units in new developments or projects that the CITY seeks to

count, in order that they may be eligible to be counted towards the CITY's production obligation, the CITY will do the following:

- 4.2.1. The CITY will ensure that the terms described in the Amended Regulatory Agreement Template attached hereto as Exhibit C, with the exception described in paragraph 4.2.3 below, will be included in all regulatory agreements for any Pipeline Units the CITY proposes to count as Replacement Units under this Price Settlement Agreement. The CITY will provide the PRICE JUDGMENT CREDITORS' counsel with a copy of the proposed regulatory agreement for each Pipeline development it wishes to count for counsel's review before the regulatory agreement is executed by the CITY and the developer.
 - 4.2.2. The applicable regulatory agreement(s) will provide for rent at the required rent levels for 55 years. The required rent levels are those set forth for each development in Exhibit B. The required rent level for any units that are substituted for units identified on Exhibit B must be the same rent level applicable to the development listed on Exhibit B that is substituted.
 - 4.2.3. The CITY will make its best efforts to include the preference provision contained in Exhibit C in the regulatory agreement(s) referred to in paragraph 4.2.1. If it is unable to do so, the Persons listed on the "Price Preference List" addressed in paragraph 5.1 below will only be entitled to a preference for the Pipeline Units the CITY desires to count towards its Replacement Unit obligation if the development receives funding that imposes a preference right for displaced persons.
 - 4.2.4. The Pipeline Units will be counted towards the CITY's Replacement Unit obligation when the regulatory agreement(s) described in paragraph 4.2.1 above has been executed and recorded with the San Joaquin County Recorder's office. A copy of the recorded Regulatory Agreement will be promptly provided to the PRICE JUDGMENT CREDITORS' counsel.
- 4.3 **Completed Units.** The developments that are considered to be completed because they have recorded regulatory agreements include: Winslow Village (31 Extremely Low Income units and 3 60% units), Villa Montecito Townhomes (7 Extremely Low Income units and 20 60% units), Marquis Place (2 Extremely Low Income and 10 60% units), Wysteria (7 Extremely Low Income units and 52 60% units), Gleason Park Apartments (11 Extremely Low Income units), Vintage Plaza (3 Extremely Low Income units), San Joaquin Apartments (7 Extremely Low Income units), Sutter Street Apartments (3 Extremely Low Income units), and Casa de Esperanza (17 Extremely Low Income units). The parties to this Price Settlement Agreement agree that the recorded regulatory agreements for San Joaquin Apartments and Sutter Street Apartments are satisfactory, and that those units count toward the remaining Replacement Units obligation.

- 4.3.1. The following Completed Units do not have recorded regulatory agreements with the CITY ensuring the affordability levels set forth in Exhibit B: Marquis Place, Wysteria, Gleason Park, and Vintage Plaza. These developments have recorded regulatory agreements with the state pursuant to tax credit requirements, however, that ensure the same affordability levels set forth in Exhibit B. With respect to these developments, the CITY will use its best efforts to enter into an amended regulatory agreement as described in paragraph 4.2.1 above to be executed and recorded with the San Joaquin County Recorder. The CITY will provide the PRICE JUDGMENT CREDITORS' counsel with a copy of the proposed amended regulatory agreement for each of the developments identified in this paragraph for counsel's review before the amended regulatory agreement is executed by the CITY and the developer. The CITY will make its best efforts to have such amended regulatory agreements executed and recorded within three months from execution of this Price Settlement Agreement. When the regulatory agreement described in paragraph 4.2.1 above has been executed and recorded with the San Joaquin County Recorder's office for any development identified in this paragraph, a copy of the recorded amended regulatory agreement will be promptly provided to the PRICE JUDGMENT CREDITORS' counsel. If despite its best efforts, the City is not successful in having the amended regulatory agreement executed and recorded for each of the developments identified in this paragraph, the Completed Units for that development will be counted toward the remaining Replacement Units obligation on the basis of the development's tax credit regulatory agreement referred to above.
- 4.3.2. The following Completed Units do not have recorded regulatory agreements with the City ensuring the affordability levels set forth in Exhibit B: Winslow Village (31 Extremely Low Income units). For the Winslow Village units to be counted, the CITY will amend the regulatory agreement to ensure that those units are secured at the affordability levels set forth in Exhibit B for 55 years from the date of the recordation of the original regulatory agreement. The CITY will provide the PRICE JUDGMENT CREDITORS' counsel with a copy of the proposed amended regulatory agreement for Winslow Village for counsel's review before the amended regulatory agreement is executed by the CITY and the developer. The 31 Extremely Low Income units attributable to Winslow Village will be counted toward the CITY's remaining Replacement Units obligation when the regulatory agreement described in paragraph 4.2.1 above has been executed and recorded with the San Joaquin County Recorder's office. A copy of the recorded amended regulatory agreement will be promptly provided to the PRICE JUDGMENT CREDITORS' counsel.

5. PRICE PREFERENCE FOR REPLACEMENT UNITS.

- 5.1. CITY and counsel for PRICE JUDGMENT CREDITORS will work together to draft, within three months of execution of this Price Settlement Agreement, a list of persons entitled to "preference". This preference list will be based on the last updated Displaced

Person Identification List referred to in the Price Judgment (the “Preference List”) which will be modified to remove names pursuant to the grounds set forth in paragraph 5.4.

- 5.2. To the extent a preference is applicable to a development, the preference to be provided is a one-time right to secure an applicable available unit. The CITY will make its best efforts to require applicable developers to notify the CITY when a person on the Preference List secures a unit.
- 5.3. The CITY may remove names from the Preference List, as appropriate, but the CITY has no obligation to do so, or to otherwise update the Preference List. If the CITY removes names from the Preference List it will provide the revised Preference List to counsel for PRICE JUDGMENT CREDITORS, and retain documentation verifying the reason for removal. The CITY will retain the Preference List in the Economic Development Department of the CITY.
- 5.4. Appropriate cause for removing names from the Preference List includes: a) the individual has secured a Replacement Unit that is counted pursuant to paragraphs 4.2 or 4.3 above, and the CITY has provided documentation of that fact to plaintiffs’ counsel; or b) the individual is deceased.
- 5.5. The CITY will provide the Preference List by e-mail to applicable developers and to service and support agencies by July 1, 2014 or thirty calendar days following the parties having agreed on the Preference List, whichever is later, and will communicate to those whom the CITY provides the Preference List, its purpose. Counsel for PRICE JUDGMENT CREDITORS will provide the CITY with a list of service and support agencies by June 1, 2014, including the agency e-mail contact information, to whom the Preference List should be provided. Thereafter, the CITY will make its best efforts to re-circulate the Preference List by e-mail to the agencies and applicable developments on an annual basis for the next 30 years. If for any reason the CITY fails to distribute the Preference list, the PRICE JUDGMENT CREDITORS’ sole remedy is to remind the CITY, and the CITY will distribute the Preference List at that time or show that it has distributed the Preference List.

6. OUTREACH NOTICES.

- 6.1. The CITY will send a General Notice of Replacement Units to the service and support agencies referred to in paragraph 5.5 above that identifies the Replacement Units counted towards the CITY’s Replacement Unit obligation by July 1, 2014 or thirty calendar days following the parties having agreed on the Preference List, whichever is later. It also will retain that Notice in the Economic Development Department of the CITY and post it on the CITY’s website. Thereafter, the CITY will make its best efforts to re-circulate the General Notice of Replacement Units to the service and support agencies referred to in paragraph 5.5 on an annual basis for the next 30 years. If for any reason the CITY fails

to send the General Notice of Replacement Units, the PRICE JUDGMENT CREDITORS' sole remedy is to remind the CITY, and the CITY will send the Notice at that time or show that it has sent the Notice.

- 6.2. For units that are newly constructed or rehabilitated that the CITY desires to count towards its Replacement Unit obligations, the CITY will make its best efforts to negotiate a requirement that the developers place advertisements in the Record or minority newspapers advertising the availability of affordable units when the units are first offered for rent.
- 6.3. For units that are newly constructed or rehabilitated that will count toward the CITY's Replacement Unit obligations, the CITY will send a Notice of Availability of those units to the service and support agencies described in paragraph 5.5. The Notice of Availability will be sent reasonably in advance of the application process.

7. SHORTAGE OF REPLACEMENT UNITS.

- 7.1. The CITY believes that upon recordation of the amended regulatory agreements for Completed Units, recordation of regulatory agreements for the Pipeline Units, and construction of the Pipeline Units that it will have met its Replacement Unit obligation as set out in the Price Judgment. However, there remains uncertainty surrounding the execution and recording of amended regulatory agreements and the viability of the projects supplying the Pipeline Units.
- 7.2. The CITY shall provide a written update to PRICE JUDGMENT CREDITORS' counsel on its progress toward achieving its goals for unit production by December 31, 2014. Should the CITY have failed to meet its Replacement Unit obligation by July 15, 2015, the parties will meet and confer in good faith in an effort to come to agreement as to how the CITY's obligation then outstanding is to be addressed. If the parties are unable to reach agreement on how to address the CITY's obligations, the PRICE JUDGMENT CREDITORS reserve their right to enforce the outstanding Replacement Unit obligation; however, any remedy may not include any requirement for the CITY to expend general funds to meet any remaining obligation.

8. RENT INFORMATION.

- 8.1. The CITY will continue to monitor rents on an annual basis as required by funding sources. On an annual basis the CITY will post HUD's schedule of maximum allowable rents applicable to federally funded affordable housing developments on its website.

9. RELOCATION ASSISTANCE PAYMENTS.

- 9.1. The CITY's obligations with regard to the relocation assistance provisions of the Price Judgment shall be extinguished upon execution of this agreement.

10. ATTORNEYS' FEES AND COSTS.

- 10.1. Any claim for attorneys' fees or costs by attorneys for the PRICE JUDGMENT CREDITORS will be subject to bankruptcy laws applicable to unsecured creditors.

11. EFFECTUATION OF THIS PRICE SETTLEMENT AGREEMENT AND RESERVATION OF RIGHTS.

- 11.1. As to the SUCCESSOR AGENCY, the parties shall not seek to alter its obligations under the Price Judgment by amendment of its terms, and the PRICE JUDGMENT CREDITORS reserve their rights with respect to the SUCCESSOR AGENCY.
- 11.2. As to the CITY, the terms of this Price Settlement Agreement will be incorporated in an Amended Plan of Adjustment to be filed in the Bankruptcy Proceeding and, except as provided herein, the CITY will be released from any further obligations arising from the Price Judgment.

12. OTHER PROVISIONS.

- 12.1. Breach.** In the event that any Party to this Price Settlement Agreement believes that another Party is in breach of any of the terms set forth in this Price Settlement Agreement, the Party asserting a breach shall give written notice to the other Party of the breach, which notice shall set forth with reasonable particularity the alleged breach and action required to remedy the alleged breach. The Parties shall meet, confer, and attempt to resolve the alleged breach within sixty (60) days of such notice. If the Parties cannot resolve the alleged breach within such time, any party may seek enforcement of this Price Settlement Agreement. The notice in this subsection shall be effective upon personal service or receipt by overnight courier or other mailed service providing for evidence of delivery/receipt, or by facsimile with evidence of completion of transmission, or by email with acknowledgement of receipt, to the attorney of Party to whom notice is to be given.
- 12.2. 4 as Exhibit A to the parties' January 11, 2006 filing. Neither this Judgment Pursuant to
5 Stipulation, nor the Settlement Agreement, is a finding on the merits and shall not be construed
6 as an admission of a violation of any state or federal statutory or common law. The Court,
7 having considered the Settlement Agreement:

8 IT IS HEREBY ADJUDGED, ORDERED AND DECREED that

- 9 1. The terms of the Settlement Agreement attached hereto as Exhibit A are
10 entered as the Judgment in the above-entitled case. The parties are hereby
11 ordered to comply with the terms of the Settlement Agreement.
12 2. This Court retains jurisdiction with respect to the implementation of all terms
