

Take a second and imagine...

A NEWLY RENOVATED
ANDERSON PARK

The City of Stockton is applying for grant funding from the California Department of Parks & Recreation (Proposition 68) to renovate Anderson Park.

We're inviting park neighbors to participate:

- Do you or don't you use the park? Come let us know why!
- Tell us when/why/how you use the park. *Or would, if...*
- What recreational features would you like to see?
- We want YOU to design this park.
- What stays...what goes...and where do things go?!

Please join us at one of these meetings to share your ideas:

Tuesday, July 9, 5:30-7 p.m.
at
Seifert Community Center
128 W. Benjamin Holt Dr.

Wednesday, July 10, 1-3 p.m.
