Name: Jesús Andrade

**List any post high school education you possess.**

I graduated from Sacramento State with a B.A. in Philosophy, and a minor in Business Administration. I'm also an alumnus of the prestigious CA Capital Fellows Program.

**What is your vision for Stockton?**

I want Stockton to not only fully recover from bankruptcy, but to be the envy of the Central Valley. I want us to have the best schools, thriving neighborhoods, and a robust local economy. I know we've hit a rough patch recently, but I remain optimistic about the future of our city. I believe in the people that live here and I believe we can turn the city around with the right leadership in key positions.

**How have you been involved in the community?**

I'm involved in my community by volunteering in my children's sports programs and through volunteering at my children's school.

**Describe any work experience you feel translates to public office.**

All of the work I've done professionally and as a volunteer since graduating from Sacramento State as the Student Body President has equipped me to hold public office in Stockton. My passion for public service is obvious when looking at my resume. I've worked as a legislative fellow in Sacramento, I've worked with Latino communities across the state on issues regarding housing and economic opportunities, and I've helped parents advocate for the right to have a choice over which schools to enroll their children.

**Why would you make a good Mayor or Councilmember?**

I will make a good Councilmember because I'm passionate about this city, and because I'm already doing the work of making our neighborhoods safe. As a member of the Stockton City Council I'll have greater ability to address the root causes of crime in my neighborhood – which lack educational options and quality employment opportunities. I'm leading an initiative that's geared towards increasing small businesses and job training programs, and improving education outcomes by involving parents in education advocacy work. As a father of school-age children, public safety is extremely important to me.

Completion of this form is voluntary. It is made available to the public, the newspaper and other media in response to inquiries about candidates.

Elections Code §20440

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold, in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties that merit this criticism.
- (2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.
- (3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on a candidate's actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.
- (4) I SHALL NOT USE OR PERMIT any dishonest or unethical practice that tends to corrupt or undermine our American system of free elections, or that hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.
- (5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.
- (6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group, that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics, that I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.
- (7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.

***I, the undersigned, candidate for election to public office in the State of California or treasurer or chairperson of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.***
