Helpful Hints

- ⇒ Create an inside green waste bin that can be emptied daily into your large cart.
- ⇒ Do not put diapers, pet waste (including cat litter) or sanitary products in your green cart.
- ⇒ Minimize odors by keeping cart in a shady location and rinsing it out after pick up.
- ⇒ Remember to shut the lid of your green waste cart tightly to prevent insect infestation.
- ⇒ Use paper bags to collect yard waste to eliminate putting plastic in your cart.
