"The Information on this map is based on the City's best available information at the time the map was prepared and is only an approximate representation of areas that may be available for the use. This map should only be used as a guide and does not replace the need for an applicant's due diligence as to determining if a site complies with the proposed zoning and separation requirements. As the City Council has not adopted any ordinance regarding medical cannabis dispensaries, all zoning and separation requirements are subject to final adoption by the City Council."

The information on this map is based on the most current information available to the City of Stockton Geographic Information System Section. The information on this map is not intended to replace engineering, financial, or primary records research.
