JOIN US FOR A COMMUNITY AQUATICS MEETINGS

(Stockton, CA) – The City of Stockton Community Services Department is holding a public meeting to discuss the current condition of the City's community pools and aquatics programs offered through the City. The meeting will be held at the Stockton Memorial Civic Auditorium, 525 N. Center Street, on Wednesday, November 9, from 5:30p to 7:00p. All community members are invited to attend and encouraged to participate in the discussion.

The purpose of the meeting is to provide the community with information about the current condition and use of the City's community pools, gain a better understanding of community needs and interests, and to determine future possibilities for the aquatics facilities and programming. Extensive community involvement and participation is essential to determining what would best benefit the community. The final assessment will serve as the City's blueprint for future decisions regarding aquatic facilities and aquatics programming.
