## **City to Hold Informational Meetings on Proposed Wastewater (Sewer) Rate Adjustments**

STOCKTON, Calif. – The City of Stockton Municipal Utilities Department will host two informational meetings about the wastewater (sewer) proposed rate adjustments on:

- Thursday, April 25, 2019, 6:00 p.m., at Arnold Rue Community Center, 5758 Lorraine Ave., and
- Thursday, May 2, 2019, 6:00 p.m., at Stribley Community Center, 1760 E. Sonora St.

At the meetings, City of Stockton representatives will present the final report for the comprehensive Wastewater Rate Study, answer questions about the proposed wastewater rate adjustments, explain why adjustments are necessary and impact on City of Stockton utility customers.

The City of Stockton Municipal Utilities Department is responsible for the collection, treatment and disposal of wastewater (also known as sewer) while meeting strict State and Federal Clean Water Standards and regulatory requirements. This is a vital service that supports public health. The City is committed to providing high-quality, safe, and reliable wastewater services at the lowest possible cost.
