### FLSA:

Non-Exempt

### DEFINITION:

Under general supervision, receives 911 system emergency and non-emergency calls and dispatches assignments to established police procedures; operates various telecommunications center equipment; performs related work as assigned.

### CLASS CHARACTERISTICS:

This is a deep class in which incumbents may be assigned to any level, provided they possess the required education, certification, experience, and successfully demonstrate proficiency that meets the qualifications for the class to which they are to be assigned. Incumbents may be advanced to the higher levels depending upon the needs of the Police Department. Incumbents serve a one-year probationary period as Police Telecommunicator Call Taker and Police Telecommunicator I levels.

Police Telecommunicator Call Taker is the pre-entry/trainee level class in this series. Under close supervision, incumbents learn Police Department and City Policies and Procedures related to receipt and processing of incoming emergency and non-emergency calls.

Police Telecommunicator I is the entry level class in this series. Initially under close supervision, incumbents learn Police Department and City policies and procedures related to the dispatch of emergency and non-emergency calls. As experience is gained, duties become more diversified and are performed under more general supervision.

Police Telecommunicator II is the fully experienced class in this series, competent to perform telecommunications and dispatch work within established guidelines. Incumbents handle inquiries from irate citizens and evaluate and assist in training new staff.
