Section 1. Recognition

Operating Engineers' Local 3, AFL-CIO, hereinafter referred to as the "Union," is the recognized employee organization for the Water Supervisory Unit, certified pursuant to Resolution No. 08-0143, adopted by the City Council on April 15, 2008.

Section 2. Union Security

2.1 Dues Deduction

(a) General. The Union may have the regular dues of its members within the representation unit deducted from employees' paychecks under procedures prescribed by the City for such deductions. The Union has the exclusive privilege of dues deduction for its members.

Authorization, cancellation or modification of payroll deductions shall be made upon forms provided or approved by the City. The payroll deduction authorization shall remain in effect until canceled or modified by the employee by written notice to the City or until the first day of the calendar month following the transfer of the employee to a unit represented by another employee organization as the representative of the unit to which the employee is assigned, or until employment with the City is terminated.

Additional authorization shall not be required for deduction of increased membership dues when such increase has been duly approved by the membership of the Union. Notification of such approval shall be forwarded to the City in the form of written notice on official Union letterhead and signed by the duly authorized Union official. Upon receipt of notification, the City shall authorize the payroll deduction of the increased amount.

If an employee is promoted to a position which is represented by another employee organization or to an unrepresented unit, membership dues for the former unit will not be deducted from the employee's paycheck by the City.

Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Union as the person authorized to receive such funds, at the address specified.

In addition to the deduction of dues, the City will deduct from the paychecks of Union members who request it, premiums for group insurance and investment

plans sponsored by the Union. Such deductions shall be made in one lump sum and only upon signed authorization from the employee upon a form satisfactory to the City.

The employee's earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in pay status during that pay period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made.

In this connection, all other required deductions have priority over the employee organization deduction.

(b) Indemnity and Refund. The Union shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Union dues or premiums for benefits. In addition, the Union shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.

2.2 Agency Fee

(a) Employee Rights

(1) The City and the Union recognize the right of employees to form, join, and participate in lawful activities of employee organizations and the equal, alternative right of employees to refuse to form, join and participate in employee organizations. Neither party shall exert pressure upon or discriminate against an employee in the exercise of these alternative rights.

(2) Accordingly, membership in the Union shall not be compulsory. A unit member has the right to choose, either: to become a member of the Union; or, to pay to the Union a fee for representation services; or, to refrain from either of the above courses of action upon the grounds set forth in Section (f) below.

(b) Unit Members' Obligation to Exclusive Representative

(1) A bargaining unit member who does not fall within one (1) of the exempted categories as set forth in Section (f) below, and who has not voluntarily made application for membership in the Union within the sixtieth (60) day following the date upon which said employee has been formally hired by the City as a bargaining unit employee, must as a condition of continued employment in the City pay to the Union a representation fee, in exchange for representation services necessarily performed by the Union in conformance with its legally imposed duty of fair representation on behalf of said unit member who is not a member of the Union.

(2) In the event that a unit member does not become a member of the Union or pay such fee directly to the Union, the City shall begin automatic payroll deduction. There shall be no charge to the Union for such mandatory agency fee deductions.

(3) Prior to beginning such automatic payroll deduction, the Business Representative of the Union will certify to the City in writing that the employee whose pay is to be affected by the deduction has: 1) refused to join the Union; and 2) has refused to tender the amount of the agency fee as defined herein; and 3) has not applied for an exemption under Section (f) herein. In addition the Union must also certify that it has provided the employee with a copy of the fee verification required by Section (e) herein.

(c) Definition of Agency Fee

(1) The agency fee collected pursuant to Section (b) above from unit members who are not members of the Union shall be an amount not to exceed the standard initiation fee, periodic dues and general assessments of the Union for the duration of this Agreement, minus any amount which is prohibited by the Constitution because such funds pay for political or ideological purposes not related to collective bargaining.

(2) Any dispute as to the amount of the representation fee shall be resolved pursuant to the provisions of Section (h) herein.

(d) Exceptions. Unit members on leave without pay and unit members who are in laid-off status shall be exempt from these provisions herein; except that the election as to membership or payment of a fee as set forth herein

must be exercised within the first ten (10) work days upon return to paid status.

(e) Annual Verification of Agency Fee by the Union. Prior to January 31, of each year and before the collection of an agency fee from any unit member pursuant to these provisions herein, the Union shall submit a written certification to the fee payers verifying that the total amount of its representation fee conforms to Section (c) above, and itemizing all component parts of such fee which shall provide an adequate explanation for the basis of the fee. Each year such amount shall be verified and submitted in writing to the fee payers by the Union prior to January 31st. The Union will submit a copy of such verification to the Director of Human Resources of the City. The parties agree that such annual verification is a condition precedent to the collection by either the City or the Union of a representation fee from a unit member.

(f) Employees Exempted From Obligation to Pay Union

(1) Any unit member shall be exempt from the requirements of Section (b) above, if such employee has a bona fide religious objection as defined by Section 3502.5 of the Government Code to the payment of any fee in support of a Union or "employee organization" as defined in Section 3540.1(d) of the Government Code.

(2) Such exempt unit member shall, as an alternative to payment of a representation fee to the Union, pay an amount equivalent to such representation fee to:

a. United Way.
b. American Cancer Society.
c. Any charity jointly agreed in writing by the parties.

(3) If a unit member desires to be exempted for reasons set forth in Section (f) herein, the unit member must first request such exemption in writing from the Union setting forth briefly the rationale for the exemption. If the Union notifies the unit member in writing that the Union will not honor the request, then the matter shall be referred automatically to a panel for determination according to the procedure set forth below. The panel shall be composed of one (1) person selected by the Union, one (1) person selected by the unit member, and an arbitrator selected by the parties chosen from a list submitted by the State Conciliation Service. If either

one or both parties fail to nominate a panel member, the process of hearing will continue without that party's panel member.

(4) The panel shall first receive arguments and evidence from the unit member requesting the exemption. Thereafter the Union may present any arguments or evidence. The proceedings shall be conducted in an informal manner, and the rules of evidence will not apply. The arbitrator shall act as chair and rule on all matters before the panel with the exception of the final determination of the panel. The panel shall prepare a written decision within fifteen (15) calendar days of the completion of the hearing which shall be final and binding upon the parties. Any expenses of the panel shall be borne by the parties incurring them.

(5) Upon receipt of the decision of the panel, the City shall release any funds held in escrow to the Union or to the charity. Any decision by the panel shall apply for the duration of this Memorandum of Understanding.

(6) In addition, the Union may require such exempt unit member to submit proof of payment of an amount equivalent to such representation fee to one (1) of the alternative funds or organizations listed above. If the bargaining unit member has not provided payment, the City will institute deductions pursuant to Section (b)(2), and forward such monies to a charity listed in Section (f)(2).

(7) Such payments shall be made on or before January 31, of each year or no more than thirty (30) days after commencing duties for any newly hired employee.

(g) Escrow Account. If any unit member either disputes the amount of the fee or disputes whether or not an exemption was appropriately denied, the City shall deposit the fee which was deducted and place such amount into a special escrow account established by the Union for such purposes.

(h) Procedure for a Unit Member Who Contests the Amount of the Fee

(1) The parties agree that in order to provide a uniform definition of the representation fee, any disputes involving the amount of such fee shall be referred to the Union's procedure for determination, provided that the parties have first complied with the other provisions of this Section.

(2) The Union shall notify the City in writing within twenty (20) days after it becomes aware that any employee disputes the amount of the fee.

(3) The Union will verify in writing to the City that all of the conditions of Section (b)(3) have been met prior to the City's initiation of the fee deductions set forth in Section (b)(2). Thereafter, the City will notify the affected employee in writing that such deductions will commence and a copy of the Union's written verification will be attached to the City's notice. Thereafter, the City will begin the deductions.

The monies held in escrow shall be released to the appropriate party upon the rendering of a final decision by the Union's internal procedure.

(i) Payment Method/Payroll Deduction

(1) A unit member may voluntarily sign and deliver to the City a written assignment authorizing deduction of the properly established representation fee as defined in Section (c) above, subject to the conditions set forth elsewhere in this agreement for payroll deductions, or the amount of the fee will be deducted automatically in accordance with Section (b)(2) herein.

(2) The City is under no obligation to make payroll deductions for the periods during which a unit member is either terminated from active employment, or not on the City's active payroll for any reason, including, but not limited to, layoff and voluntary leave of absence for more than thirty (30) days.

(3) Upon the rehiring of any unit member, or upon the recalling of any unit member from layoff status, the City will resume or initiate dues deductions for such unit member.

(j) Obligations of Parties

(1) City's Obligations. The City's obligation under this Article is to notify any unit member who has failed to comply with the provisions of this Section that, as a condition of continued employment with the City, such unit member must become an Union member, or pay a representation fee, or establish an exemption status and make payment pursuant to provisions of Sections (b) and (f) of this Agreement. Under no circumstances shall the City be required to dismiss or otherwise discipline any unit member for failure to fulfill their obligations to pay the fees established herein.

(2) Union's Obligations. Except as specified herein, the Union and not the City, shall be responsible for requiring unit members to fulfill obligations defined herein. It is the obligation of the Union to collect any representation fees which may be due and payable to the Union in consideration for its services as the exclusive representative of unit employees.

(k) Hold Harmless Provision. The Union shall hold the City harmless, and shall fully and promptly reimburse the City for any fees, costs, charges or penalties incurred in responding to or defending against any claims, disputes, challenges, whether formal or informal, which are actually brought, or attempted or threatened to be brought, against the City or any of its agents, or employees, in connection with the interpretation, application, administration or enforcement of any Section of this Agreement pertaining to representation fee. Such reimbursement shall include, but not be limited to, court costs, litigation expenses, and attorney's fees incurred by the City. The City shall have the right to be represented by its own attorney in any action in which it is a named party to the action. Disputes over the amount of reimbursement shall be automatically submitted to the arbitration provisions of this Memorandum, Section 8.3(e).

2.3 Use of City Facilities

(a) The Union shall be allowed by the City department in which it represents employees' use of space on available bulletin boards for communications having to do with official Union business, such as times and places of meetings, provided such use does not interfere with the needs of the department. The Union may submit to the City Employee Relations Officer written communications having to do with official Union business for distribution by the City to identified shop stewards. Distribution may be by e-mail.

(b) Any representative of the Union shall give notice to the department head or designated representative when contacting department employees on City facilities during the duty period of the employees, provided that solicitation for membership or other internal Union business shall be conducted during the non-duty hours of all employees concerned. Pre-arrangement for routine contact may be made with individual department heads and when made shall continue until revoked by the department head.

(c) City buildings and other facilities may be made available for use by City Employees of the Union or their representatives in accordance with such

administrative procedures as may be established by the City Manager or department heads concerned.

2.4 Advance Notice

Except in cases of emergency, reasonable advance written notice shall be given to the Union if affected by any ordinance, resolution, rule or regulation directly relating to matters within the scope of representation proposed to be adopted by the City and shall be given the opportunity to negotiate if requested with the designated management representatives prior to adoption.

In cases of emergency when the foregoing procedure is not practical or in the best public interest, the City may adopt or put into practice immediately such measures as are required. At the earliest practicable date thereafter the Union shall be provided with the notice described above and be given an opportunity if requested to negotiate changes to said notice with the management representatives designated by the City Manager.

2.5 Attendance at Meetings by Employees

City employees who are official representatives or unit representatives of the Union shall be given reasonable time off with pay to attend meetings with City management representatives, or where matters within the scope of representation or grievances are being considered. Such employee representatives shall submit a request for excused absence to their respective department heads, in a manner satisfactory prior to the scheduled meeting whenever possible. Time spent for these purposes while a representative is not scheduled to work shall not be compensated by the City and shall not be considered as hours worked. Except by mutual agreement the number of the employees excused for such purposes shall not exceed three (3) per recognized bargaining unit.

2.6 Maintenance of Membership

All employees in the Supervisory Unit who are members of the Union, tendering periodic dues at the execution of this agreement, and all employees who thereafter become members of the Union shall, as a condition of employment, pay dues to the Union for the duration of this Memorandum of Understanding, and each year thereafter. For a period of thirty (30) days prior to January 1, 2009 and thirty (30) days prior to any January 1, thereafter, any employee in the aforementioned unit who is a member of the Union shall have the right to withdraw from the Union discontinuing dues payments and retain employment in

the City, subject to provisions of Section 2.2. Agency Fee. Said withdrawal shall be communicated by the employee in writing to the City. The provisions of this section shall be operative only to the extent that they are permissible under California law.

2.7 Assignment of Classifications

New job classifications established by the City shall be assigned to the bargaining unit pursuant to Section 8 (b) of the City's Employer-Employee Relations Resolution after providing notice and the opportunity to consult with the Union regarding such matters.

2.8 Contract Ratification

Ratification votes for Contract will be handled on city time during the day.

Section 3. Compliance with Federal Laws/Safety

3.1 Non-Discrimination. The City and the Union agree that there shall be no discrimination of any kind because of age (over 40), race, creed, color, religion, national origin, (ancestry), veterans status, physical or mental disability, marital status, sexual orientation, sex (sexual, gender based, pregnancy/childbirth), political affiliation or legitimate union activity or on any other basis prohibited by applicable federal and State law against any employee or applicant for employment.

3.2 Fair Labor Standards Act. The Union agrees to cooperate with the City to insure its members' compliance with the provisions of the Fair Labor Standards Act.

3.3 Safety. The Union shall cooperate with the City in promoting safety objectives as defined in Federal, State and local regulations by actively supporting safety programs, promoting safe work habits of members and encouraging an ongoing, active participation by its members in safety related procedures and practices as offered and promulgated by the City of Stockton.

Section 4. Probation

4.1 Purpose

The probationary period shall be utilized for closely observing the employee's work, for securing the most effective adjustment of a new employee to a position,

and for rejecting any probationary employee whose performance does not meet the required standards of work.

4.2 Original Entrance and Promotional Positions

All original appointments shall be subject to a probationary period of one (1) year with a review completed after 6 months from date of original appointment. Promotional appointments shall be subject to a probationary period of 6 months. The probationary period for original and promotional appointments will not be extended.

4.3 Retention/Rejection of Probationer

At the end of the probationary period, if the service of the probationary employee has been satisfactory to the appointing authority, then the appointing authority shall file with the Director of Human Resources a statement in writing to such effect and stating that the retention of such employee in the service is desired. The City will make a good faith effort to notify a probationary employee two (2) weeks before the end of the probationary period whether or not regular status is granted; however, a failure on the part of the appointing authority to file such a statement at the end of the probationary period shall constitute a rejection of the probationer as defined in Civil Service Rules.

During the probationary period an employee may be rejected at any time by the appointing authority. Any employee rejected during the probationary period following a promotional appointment, shall be reinstated to the position from which promoted unless charges are filed and the employee is discharged in the manner provided in Section 7 of this Memorandum of Understanding and in the Civil Service Ordinance and Civil Service Rules, which are consistent therewith.

Section 5. Layoff

5.1 Layoff

Any employee may be laid off by an appointing authority in the event of the abolition of the employee's position by the City Council, or if a shortage of work or funds requires a reduction in personnel.

(b) Departments of the City are defined as follows:

(1) Administrative Services
(2) City Attorney

The City will give advance written notice of at least one pay period to employees who will be laid off.

5.4 Precedence by Employment Status

(a) No regular employees shall be laid off while employees working in an extra help, seasonal, temporary, provisional, or probationary status are retained in the same classification as such regular employee. The order of layoff among employees not having regular status shall be according to the following categories:

(1) extra help or seasonal
(2) provisional
(3) temporary

If two (2) or more employees have the same seniority, but were hired from separate ranked eligibility lists, the order of seniority shall be determined by lot.

(b) Any employee in the Supervisory Unit who is laid off may complete a City employment application for any position currently staffed by a part time, provisional, or temporary employee. The Human Resources Department will evaluate the employment application. If the laid off employee meets the minimum qualifications of that position, he/she shall have the option of displacing the part time, provisional, or temporary employee.

5.5 Employee Options

Employees laid off shall have any of the following choices:

(a) Displacing the employee in the same department and in the same or clearly comparable classification as determined by the Director of Human Resources as having the least seniority in that classification. This option shall be exercised before any other option.

(b) Taking a voluntary demotion within the department to a classification in which the employee had prior regular status, thus displacing the employee working in the classification who has the least seniority in that classification.

5.6 Health and Welfare Benefits during Layoff

Regular employees who are laid off will have an option of maintaining their existing health and welfare benefits for thirty-six (36) months from the date of layoff, provided timely payments of the premiums by the employee are made to the City, according to City regulations, and provided the employee otherwise meets the requirements of Federal and State regulations.

Section 6. Reemployment

(a) The name of each employee who is laid off in accordance with Section 5 shall be placed at the head of the eligibility list for the class of positions which that employee held, and shall be given preference in filling vacancies in that class.

(b) An employee laid off in accordance with this Section shall be placed on the eligibility list or lists for any lower or comparable class or classes in the same department, provided that the appointing authority and the department head in charge of this lower or comparable class determine that the employee is competent to perform the duties thereof in strict accordance with the class specifications. This right of a laid off employee shall remain effective for two (2) years from the date of latest separation from the service. The employee shall not be placed on said eligibility list or lists without first submitting a written request. Employee's place on said list or lists shall be at the head of the eligibility list for the class of positions for which qualified as hereinabove set forth and shall be given preference in filling vacancies except for those persons placed on said list or lists of reemployment in the same positions previously held. An employee who waives reemployment to a full time position three times shall have his/her name removed from this reemployment list unless mutually agreed to by the Department and employee. Upon certification for appointment to a new position never having been held by this employee, the probationary period must be completed as required in this Memorandum of Understanding.

Section 7. Discipline

Disciplinary action, including discharge, suspension, reduction in pay or demotion, may be taken against any employee for cause.

Upon the employee's written request and department head's approval, all written reprimands shall be removed from the employee's official personnel file after a period of one (1) year, if there has been no reoccurrence of the infraction and the

employee has a good work record. Upon the employee's written request and department head's approval, all other disciplinary records shall be removed from the employee's official personnel file after two (2) years, if there has been no reoccurrence of the infraction and the employee has a good work record. In no event, upon the employee's written request, shall written reprimands remain in the employee's official personnel file after five (5) years from the date of written notice.

7.1 Predisciplinary Rights

An employee facing potential disciplinary action will be entitled to the following predisciplinary rights:

(a) Notice of proposed discipline.

(b) Date(s) proposed discipline will be effective.

The appointing authority may discharge, suspend or demote any employee in the classified service provided the Stockton Municipal Code provisions and the rules and regulations of the Civil Service Commission and any applicable provisions of law are followed. Such provisions allow the employee suspended, demoted or discharged to appeal such action. The employee may take only one (1) of the following actions:

(a) File no appeal.

(b) File an appeal with the Civil Service Commission within ten (10) calendar days of written notification of the action. (Such filing will foreclose use of the grievance procedure.)

(c) File a grievance as provided for in Section 8 within ten (10) calendar days of written notification of the action.

If the employee fails to do (b) or (c) above within the prescribed time frames, these rights will have been waived.

Section 8. Grievance Procedures

8.1 Definition

A grievance is any dispute which involves the interpretation or application of those rules, regulations and resolutions which have been, or may hereafter be, adopted by the City Council to govern personnel practices and working conditions, including such rules, regulations and resolutions as may be adopted by either the City Council or the Civil Service Commission to affect Memoranda of Understanding which result from the meeting and conferring process.

8.2 Filing Deadline

(a) No grievance involving demotion, suspension, discharge or other employment penalty will be entertained unless it is filed in writing with the Director of Human Resources within ten (10) calendar days of the time at which the affected employee received written notification of such action. All other grievances must be filed within thirty (30) calendar days from the time the employee knew or had reason to know of the facts giving rise to the grievance.

(b) With written consent of the Director of Human Resources or his/her designee and the Union Business Agent or his/her designee, time limits may be extended and/or Steps 1, 2 and/or 3 of the Grievance Procedure waived.

8.3 Grievance Processing

(a) Step 1 - Departmental Review. Any employee claiming to have a grievance may discuss the complaint with such management official in the department where employed as the department head may designate. If the issue is not resolved within the department within twenty (20) calendar days from the day of presentation or if the employee elects to submit the grievance directly to the Union recognized as the representative of that employee's classification, or if

the employee/Union official notifies the Director of Human Resources, in writing, that a grievance exists, the procedure hereinafter specified may be invoked.

(b) Step 2 - Director of Human Resources Review. If the employee is not satisfied with the response at level one, then the employee may appeal the grievance to the Director of Human Resources within twenty (20) calendar days of the receipt of written response at level one. Such appeal must state with particularity: 1) the specific policy, rule or provision which is alleged to have been violated; 2) the statement of facts comprising the violation; and 3) the requested remedy. The Union may file and process grievance(s) on behalf of the specifically named employee. The Director of Human Resources shall have twenty (20) calendar days in which to investigate the issues, meet with the complainant and attempt to reach a satisfactory resolution of the problem. No grievance may be processed under the following two (2) paragraphs which has not first been filed and investigated in accordance with this paragraph, except for the resolution of compensation complaints.

(c) Step 3 - Arbitration. If the parties are unable to reach a mutually satisfactory accord on the grievance at Step 2 within twenty (20) calendar days either the Union or the City may require that the grievance be referred to an impartial arbitrator mutually selected by the parties, or if the parties are unable to mutually agree, from a list of seven (7) arbitrators provided by the State Conciliation Service. The arbitrator shall be chosen by the alternative strike method, with first choice being determined by lot. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by both parties. Each party, however, shall bear the cost of its own presentation, including preparation and post hearing briefs, if any.

(d) Effect of Decision. Decisions of arbitrators on matters properly before them shall be final and binding on the parties hereto except as provided otherwise herein.

8.4 Scope of Arbitration

(a) No arbitrator shall entertain, hear, decide or make recommendations on any dispute unless such dispute involves a position in a unit represented by the Union and unless such dispute falls within the definition of a grievance as set forth in paragraph 8.1.

(b) Proposals to add to or change this Memorandum of Understanding or written agreements or addenda supplementary hereto shall not be arbitrable and no proposal to modify, amend or terminate this Memorandum of Understanding,

nor any matter or subject arising out of or in connection with such proposal, may be referred to arbitration under this Section. No arbitrator selected pursuant to this Section shall have the power to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.

No changes in this Memorandum of Understanding or interpretations thereof (except interpretations resulting from arbitration proceedings hereunder) will be recognized unless agreed to by the Director of Human Resources and the Union.

8.5 Other Provisions

If the Director of Human Resources or City Manager, in pursuance of the procedures outlined above, resolves a grievance which involved suspension or discharge, they may agree to payment for lost time or to reinstatement with or without payment for lost time, but in the event the dispute is referred to arbitration and the arbitrator finds that the City had cause to take the action complained of, the arbitrator may not substitute his judgment for the judgment of management and if the findings are that the City had such right, the arbitrator may not order reinstatement and may not assess any penalty upon the City.

Complaints which allege the employee is not being compensated in accordance with the provisions of this Memorandum of Understanding shall be considered as grievances and processed pursuant to Section 8.3. Any other matters of compensation are to be resolved in the meeting and conferring process and if not detailed in the Memorandum of Understanding which results from such meeting and conferring process shall be deemed withdrawn until the meeting and conferring process is next open for such decision. No adjustment shall be retroactive for more than one-hundred and eighty (180) calendar days from the date upon which the complaint was filed.

Specified time limits may be modified only in writing. All appeals and responses must be provided in writing.

A grievant will be provided release time without loss of pay for all required meetings with management. The City cannot discriminate or retaliate in any manner against an employee for filing a grievance or exercising rights under this Section.

The provisions of this Section shall not abridge any rights to which an employee may be entitled under the Stockton Municipal Code and/or Civil Service Rules and Regulations, nor shall it be administered in a manner which would abrogate

any power which, under the Stockton Municipal Code, may be within the sole province and discretion of the Civil Service Commission.

All grievances of employees in representation units represented by the Union shall be processed under this Section. If the Stockton Municipal Code and/or the Civil Service Rules and Regulations requires that a differing option be available to the employee, no action under paragraph (c) of Subsection 8.3 above shall be taken unless it is determined that the employee is not utilizing such option.

No action under paragraph (c) of Subsection 8.3 above shall be taken if action on the complaint or grievance has been taken by the Civil Service Commission or if the complaint or grievance is pending before the Civil Service Commission.

If any award by an arbitrator requires action by the City Council or the Civil Service Commission before it can be placed in effect, the City Manager and the Director of Human Resources will recommend to the City Council or the Civil Service Commission, as appropriate, that it follow such award.

Section 9. Leaves

9.1 Vacation Leaves

Employees in this bargaining unit shall have a choice of enrolling themselves and their eligible dependents in any of the City sponsored medical, dental and visions plans or Operating Engineer Health and Welfare Trust Fund Plan (PPO Plans A, B, C, and D, and Kaiser HMO Plans A and B). The City shall offer two or more medical plans to regular employees.

(b) Eligibility. Employees shall become eligible for Medical insurance on the first day of the month subsequent to completion of thirty (30) days of continuous service with the City. Employees shall become eligible for Dental insurance on the first day of the month subsequent to completion of sixty (60) days continuous service with the City. An eligible employee and eligible dependent may be enrolled in a City offered medical plan either as a subscriber in a City offered medical plan or, as the dependent spouse/registered domestic partner or another eligible City employee, but not both. If an employee is also eligible to cover their dependent child, the child will be allowed to enroll as a dependent on only one employee plan (i.e., an employee and his or her dependent cannot be covered by more than one City-offered health plan).

(c) City Contribution towards the cost of insurance programs. Effective upon the first full pay period following ratification of this Memorandum of Understanding by the Union and approval by the City Council on its regular agenda in accordance with the Brown Act:

- The City shall contribute up to $543.00 per month toward the cost of the monthly premium for employee-only medical/dental/vision plan coverage.

- The City shall contribute up to $1,313.00 per month toward the cost of the monthly premium for employee plus two or more dependents medical/dental/vision plan coverage.

These contributions are based on full-time employment; regular part-time employees shall receive a prorated contribution based on their percentage of full-time employment. The City shall maintain its IRS 125 Plan to allow for employee contributions for medical/visions/dental to be pre-tax premium conversion.

(d) Plan Rules. Employees may insure themselves and their eligible dependents under the medical, vision and dental plans provided by the City, in accordance with the rules and regulations applicable to the

The City costs to administer the health plans offered to employees and retirees are incorporated into the monthly rates for City sponsored medical, dental and vision insurance paid by the City and the plan participants. Effective upon the first full pay period following ratification of this Memorandum of Understanding by the Union and approval by the City Council on its regular agenda in accordance with the Brown Act the City will add to the monthly plan costs for the Operating Engineer sponsored plans offered to employees those City administrative overhead costs associated with these plans in addition to the City sponsored plans. Only costs associated with the OE3 plans will be charged to those plans. As of July 1, 2015, the cost was $26.98 per month per employee participating in the OE3 plan and will be updated each plan year.

14.3 Long Term Disability Insurance

The City shall provide, at no cost to the employee, long term disability insurance coverage. Plan benefits shall be as described in the Plan document, but shall include:

(a) Each disability - sixty-six and two thirds percent (66 2/3%) of salary up to the maximum salary replacement amount as specified in the City's long term disability plan.

(b) Disability income payments shall commence after a ninety (90) day waiting period. Employees may use sick leave and other leave balances to cover this waiting period, or leave without pay.

In addition, employees shall have the opportunity to purchase additional voluntary life insurance through their union or through the City's IRS125 vendor.

14.5 Retiree enrollment in City sponsored Medical Plans

An eligible retiree and eligible dependent may be enrolled in a City offered medical plan either as a subscriber in a City offered medical plan or, as the dependent spouse/registered domestic partner or another eligible City employee/retiree, but not both. If an employee/retiree is also eligible to cover their dependent child, the child will be allowed to enroll as a dependent on only one employee or retiree's plan (i.e., a retiree and his or her dependent cannot be covered by more than one City-offered health plan). However, the City may discontinue the enrollment of retirees in City sponsored medical plans at its discretion as per the City's Bankruptcy plan of Adjustment. The City does not provide any retiree medical program, allowance, or City contribution for employees.

Nothing in this section shall be construed to create vested rights to benefits for employees or retirees after the expiration of this MOU.

Section 15. Salaries

15.1 Salary Rates

The salary table for all employees in the aforementioned representation unit will be as set forth in Appendix "A," which is attached hereto and made a part hereof.

The rates of pay set forth in Appendix "A" do not include reimbursement for actual and necessary expenses for traveling, subsistence and general expenses authorized and incurred incident to City employment.

On the first full pay period following ratification of this Memorandum of Understanding by the Union and approval by the City Council on its regular

agenda in accordance with the Brown Act, employees will receive a base salary increase of 2%.

Dependent upon agreement to changes in section 13.11 (c), the Plant Operations Supervisor job classification will receive a base salary increase of approximately 18%, effective upon the first full pay period following ratification of this Memorandum of Understanding by the Union and approval by the City Council on its regular agenda in accordance with the Brown Act.

15.2 Salary upon Appointment

Except as herein otherwise provided, the entrance salary for a new employee entering the classified service shall be the minimum salary for the class to which appointed. When circumstances warrant, the Director of Human Resources may approve an entrance salary which is more than the minimum salary for the class to which an employee is appointed. Such a salary may not be more than the maximum salary for the class to which that employee is appointed.

15.3 Salary Equivalents

Any monthly, daily or hourly rate of pay may be converted into an equivalent rate of pay or to any other time bases when, in the judgment of the City Manager, such a conversion is advisable. In determining equivalent amounts on different time bases the City shall provide tables or regulations for the calculation of payment for service of less than full time, and for use in converting monthly salaries to hourly rates, as well as for calculating hourly rates. Overtime rate and premium pay shall be calculated according to the provisions of the Fair Labor Standards Act.

15.4 Salary Step Plan

There shall be six (6) salary steps in each range.

The first step shall be the minimum rate and shall be the normal hiring rate for the class. (In a case where a person possesses unusual qualifications, the Director of Human Resources may authorize appointment above the first step after receiving the recommendation of the department head. The same provision shall apply to hourly paid and part-time employees.)

If a department head recommends to withhold increases to salary steps two (2) through six (6) because an employee has not achieved the level of performance required, notice must be received by the Human Resources Department at least

four (4) weeks in advance of the employee's eligibility date. The affected employee shall be furnished a copy of the department head's recommendation. Failure to abide by the above four-week limitation shall not automatically cause a step increase to be granted; however, if an employee does not receive notice by the actual anniversary date, the increase shall be automatically granted.

The second step shall be paid upon the satisfactory completion of six (6) months service at the first step.

The third step shall be paid upon the satisfactory completion of one (1) year service at the second step.

The fourth step shall be paid upon the satisfactory completion of one (1) year service at the third.

The fifth step shall be paid upon the satisfactory completion of one (1) year service at the fourth step and upon written recommendation of the department

The sixth step shall be paid upon the satisfactory completion of one (1) year service at the fifth step and upon written recommendation of the department head.

Regardless of an employee's length of service, step advancements in any given class may be made upon recommendation of the department head with the approval of the Director of Human Resources, but not above Step No. 6 for a given range.

Salary step increases shall be effective the first day of the pay period following appointment or revision. If the date of appointment or revision is the first day of a pay period, salary step increases shall be as of that date.

Changes in an employee's salary because of promotion, demotion, postponement of salary step increase or special merit increase will set a new salary anniversary date for that employee, which date shall be as stated in the preceding paragraph.

Salary range adjustments for a classification will not set a new salary anniversary date for employees serving in that classification.

15.5 Salary Step after Military Leave

All employees who have been granted military leave shall, upon their return to the City service, be entitled to the automatic salary advancements within the range of their classification for the period they were in the military service.

15.6 Salary Step When Salary Range is Increased

Whenever the monthly schedule of compensation for a class is revised, each incumbent in a position to which the revised schedule applies shall be entitled to the step in the revised range which corresponds to the employee's step held in the previous range, unless otherwise specifically provided for by the Director of Human Resources.

15.7 Salary Step After Promotion or Demotion

(a) When an employee is promoted from a position in one class to a position in a higher class, and at the time of promotion is receiving base salary equal to, or greater than, the minimum rate for the higher class, that employee shall be entitled to the next step in the base salary of the higher class which is a minimum of five percent (5.0%) above the employee's current base salary, except that the next step shall not exceed the maximum salary of the higher class. Add pays are not included in the calculation of base salary for purposes of this section. When an employee is promoted into another bargaining unit, the new bargaining unit's salary on promotion rules shall apply.

(b) When an employee is demoted, whether such demotion is voluntary or otherwise, that employee's compensation shall be adjusted to the salary prescribed for the class to which demoted.

(1) If the salary of the employee is reduced for cause or disciplinary reasons, the employee shall receive the salary at the same step prior to promotion.

(2) If the salary of the employee is reduced through no fault of the employee (i.e., layoff), the salary at demotion shall be at the nearest lower salary to that which was received prior to the demotion.

15.8 Transfer

An employee may be transferred from a class in one department, or to a position of the same class in another department, or to a comparable class, with the approval of both the employee and Department Heads. In the case of a comparable class, the employee must be qualified, as determined by the Director of Human Resources. The Director of Human Resources, in making such a determination, must assure that the maximum salary rate for the classes in question must be equal to or less than the employee's current top step salary, and shall consider, among other things, whether the employee possesses the minimum qualifications for such class, and is able to demonstrate through education, experience, or successful completion of pertinent tests, that he/she is qualified for the transfer. If the transfer involves a change from the jurisdiction of one appointing authority to another, both must consent thereto.

15.9 Salary on Reinstatement

If a former employee is reinstated in the same position previously held or to one carrying a similar salary range, the employee's salary shall not be higher than the salary at the time of separation unless there has been an increase within the salary range.

If a former employee is reinstated to a position in a lower class, the employee's salary shall be set at the same step previously held, but in the pay range of the lower classification.

15.10 "Y" Rate

When an employee's classification is changed to a lower paid classification as the result of a classification study or other action, the employee may be placed on a "Y" rate. A "Y" rate means that the monthly compensation for the employee shall remain in effect until such time as further changes in the pay range of the new classification exceeds the "Y" rate.

15.11 Acting Pay

Any employee in this unit who is assigned by a supervisor to work in a higher paid classification for two (2) or more hours in one (1) day, shall receive the rate of pay in the step of the higher classification which would have been received if the employee had been promoted into that classification, or at least five percent (5%) more than the employee's salary in the present classification, whichever is

greater. Out-of-class assignment pay during overtime status will commence at the first hour worked.

15.12 Special Assignment Pay

The department head with the concurrence of the Director of Human Resources may approve additional compensation in an amount not to exceed one additional salary step when an employee is assigned in writing by the supervisor to perform additional duties and responsibilities for the duration of the special assignment.

15.13 Special Certification Pay

Water Operations Supervisor who possesses a Distribution Operator Certificate issued by the California Department of Health Services shall receive an additional three percent (3.0%) of base pay.

15.14 Salary Adjustments

The City recognizes that there may be a need for special salary adjustments for selected classifications as a result of recruitment problems, reclassifications, and/or organizational changes. The City, in its sole discretion, may make such adjustments, but agrees to discuss with the Supervisory Unit.

Section 16. Severability of Provisions

In the event that any provision of this Memorandum of Understanding is declared by a court of competent jurisdiction to be illegal or unenforceable that provision of the Memorandum of Understanding shall be null and void but such nullification shall not affect any other provisions of this Memorandum of Understanding, all of which other provisions shall remain in full force and effect.

In the event that Federal legislation changes the current applicability of the Fair Labor Standards Act, both parties agree to consult and/or confer on the impacts of such legislation to the extent required by law.

Section 17. Past Practices and Existing Memoranda of Understanding

Continuance of working conditions and practices not specifically authorized by ordinance or by resolution of the City Council is not guaranteed by this Memorandum of Understanding.

This Memorandum of Understanding shall supersede all existing Memoranda of Understanding between the City and the Union.

Section 18. Scope of Agreement

Except as otherwise specifically provided herein, this Memorandum of Understanding including Appendices "A" and "B", which are attached to this Agreement and by this reference incorporated herein, and fully and completely incorporates the understanding of the parties hereto and constitutes the sole and entire agreement between the parties on any and all matters subject to meeting and conferring. Neither party shall, during the term of this Memorandum of Understanding, demand any change therein nor shall either party be required to negotiate with respect to any matter; provided that nothing herein shall prohibit the parties from changing the terms of this Memorandum of Understanding by mutual agreement.

Section 19. Duration of Agreement

This Memorandum of Understanding shall be effective the date of execution, through June 30, 2016.

Section 20. Maintenance of Operations/City Rights

(a) It is recognized that the need for continued and uninterrupted operation of City services is of paramount importance. Therefore, the Union and each employee represented thereby agrees that from the date of execution, through exhaustion of the impasse process/mediation/fact finding as set forth in the Employer/Employee Relations Resolution, the Union or any person acting in its behalf, or each employee in a classification represented by the Union, shall not cause, authorize, engage in, encourage, or sanction a work stoppage, slowdown, refusal of overtime work, refusal to operate designated equipment (provided such equipment is safe and sound), or picketing, other than informational picketing, against the City or the individual or concerted failure to report for duty or abstinence from the full and faithful performance of the duties of employment, including compliance with the request of another labor organization or bargaining unit to engage in such activity in an attempt to induce a change in wages, hours, and other terms and conditions of employment.

(b) An employee shall not be entitled to any wages or City paid benefits whatsoever if the City Council, by majority vote, determines to its satisfaction, that the employee is, or has, engaged in any activity prohibited by subsection (a) of this Section. The City may take other action which it deems appropriate.

(c) If the City Council, by majority vote, determines to its satisfaction, that subsection (a) of this Section has been violated by the Union, the City may take such remedial action as it deems appropriate.

(d) The Union recognizes the duty and obligation of its representatives and members to comply with the provisions of this Memorandum of Understanding and to make every effort toward inducing all employees in this unit to fully and faithfully perform their duties. In the event of any activity prohibited by subsection (a) hereinabove, the Union agrees to take supererogatory steps necessary to assure compliance with this Memorandum of Understanding.

The rights of the City as set forth in Section 5 of Resolution No. 32,538, dated August 4, 1975, are incorporated herein by reference.

Section 21. Bankruptcy

Operating Engineers' Local 3, AFL-CIO Water Supervisory Unit (hereinafter "Water Supervisors"), which is defined for the purposes of this section as including without limitation bargaining unit members, officials, attorneys and affiliates, agrees that this MOU shall supersede the terms of all prior MOUs, side letters, and any other agreements between the parties as to the subjects covered herein. Water Supervisors further agree that it shall file no claims in the City's bankruptcy case upon the terms of any agreements that precede this or prior MOUs. However, nothing in this paragraph shall limit Water Supervisors' ability to challenge any breach of this MOU.

Water Supervisors further agree that the City is eligible for chapter 9 relief, and that it will not oppose the City's eligibility should eligibility be contested by another party. Water Supervisors agree to support any plan of adjustment consistent with the terms of this MOU.
