

Special Event Planning  
**Closure of Water Ways**

Events taking place on San Joaquin County waterways required additional coordination's through the governing agency and additional fees may apply.

**San Joaquin Sheriff Department: Boating and Water Safety**

The Boating and Water Safety is responsible for law enforcement and rescue activities on the waterways in and around the City of Stockton. The unit will review applications involving use of waterways in order to determine if specific ordinances and laws are being met to provide permits to conduct an event on the waterways.
