

## Holiday Cooking Fats and Oils Clog Sewer Drains

Prevention is Simple with Proper Disposal of  
Fats, Oils and Grease

Use your time and money for shopping- not sewer problems. This holiday season try these simple tips to help prevent sewer clogs:

- Don't pour oil or grease down a drain.
- Avoid using a garbage disposal; instead use the trash.
- Place cooled cooking oil in a sealed container and dispose of in the trash.
- Wipe dishes with a paper towel prior to washing to remove excess grease.

*Happy Holidays*
