PURPOSE

The Clean City Initiative was launched in 2021 to advance new and existing programs to reduce trash accumulation and illegal dumping across the City. Programs include the following focused events:

Beautification Events

“Adopt Our City”

Community Cleanup Events

Neighborhood Betterment

Drive-Thru Recycling Events

Encampment Cleanups

The initiative is a collaborative effort between the City Manager’s Office, Public Works Department, Stockton Police Department, Republic Services, Waste Management, and community volunteers.

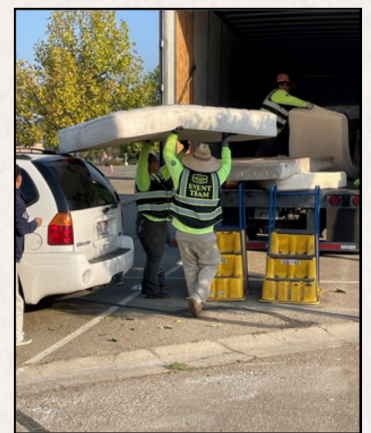

DRIVE-THRU RECYCLING EVENTS

There are **6** drive-thru recycling and compost giveaway events annually. These events provide no-cost recycling and disposal services to our residential customers. On-site confidential paper shredding and compost bag distribution are special services also available at these events.

COMMUNITY CLEANUP AND BEAUTIFICATION

The City of Stockton, together with numerous volunteer groups, focused on performing beautification projects and litter abatement in City parks.

Volunteer-led community cleanups and beautification events continue thanks to current and new partnerships within our community. In 2023, new partnerships were developed with Kiwanis Club of Stockton, the University of the Pacific, and ASM Global.

NEIGHBORHOOD SERVICES EVENTS

The Stockton Police Department's Neighborhood Services Section (NSS) worked with various communities to take proactive steps to improve quality of life by enforcing the removal of garbage and blight, working to reduce crime, and increasing the sense of safety.

The Neighborhood Betterment Team (NBT) is a two per year, 90-day program that includes a large-scale neighborhood cleanup day. Similarly, Code Enforcement Sweeps focus on blight, have a shorter duration, and provide a neighborhood cleanup day. The Police Department, together with Waste Management and Republic Services, hosted 5 Neighborhood Cleanup events at various locations citywide.

BY THE NUMBERS

Number of Events*: 4	Cars Served: 415	Trash Disposal: 47 tons
Appliances Recycled: 82	Tires Recycled: 98	Mattresses and Box Springs Recycled: 72
Electronic Waste Recycled: 3 tons	* One event rolled over to 2024.	

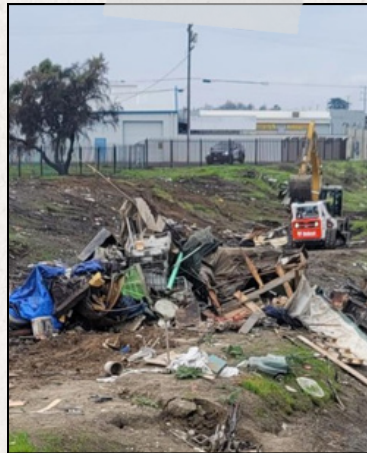

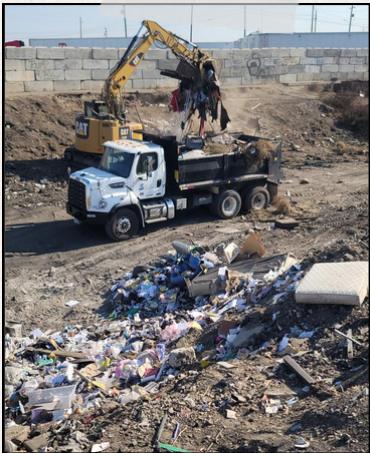

HOMELESS ENCAMPMENT CLEANUP EVENTS

The Public Works and Police Department work cooperatively together to remove encampment-associated debris regularly. This activity is important as it 1.) protects the health and safety of the homeless and nearby communities, 2.) prevents fire hazards by removing cardboard and other easily combustible debris, and 3.) allows staff access to inspect critical infrastructure and perform needed repairs.
