*The payments to Orrick include reimbursement of the costs the City has incurred to the vendors and consultants the City has hired through Orrick, and that have been paid by Orrick. The vendors and consultants include but are not limited to Rust Omni [claims noticing agent], Segal Consulting [expert], Evolve [electronic discovery service] and court reporters. The City estimates that such reimbursements exceed \$500,000, and are less than \$1,000,000. It will file an updated chart within the next week.

**These expenses have been included in the bankruptcy fees disclosure because it is the position of the City that as a legal matter these costs are attributable to the bankruptcy case.
