### **Stockton Fire Department Invites Community to Open House** *Upgrades to Neighborhood Fire Station No. 12*

(Stockton, CA) – The Stockton Fire Department will host an Open House at Fire Station No. 12 at 4010 E. Main Street, Saturday, April 21, 2018, from 11:00 a.m. – 1:00 p.m.

Families, neighbors, community members, and service groups are invited to visit Company No. 12 to learn more about fire safety, gain an appreciation for what it takes to be a Stockton Firefighter, and see the most recent station upgrades.

Talk with local fire fighters and other members of the Stockton Fire Department, tour the station, enjoy free hot dogs and a jump house for kids, learn how to identify and use Safe and Sane fireworks, watch the “Jaws of Life” demonstration in action, and visit community information exhibits – with giveaways! Kids can learn about smoke alarms and what to do in case of a fire at the Fire Safety Trailer, and the Stockton Police Department will offer free fingerprinting for children.

“Community members are invited to stop by and check out this neighborhood fire station and see the recent upgrades finished at Station No. 12,” said Stockton Fire Chief Erik Newman. “The Stockton community has really embraced the open houses held at other stations over the past year. We hope to see even more of our neighbors at Company 12. Stop by, take a tour, ask questions, and enjoy this fun and educational event. Everyone is welcome.”
