-more-more-more-

The City of Stockton anticipates receiving annual entitlement federal funds from the U.S. Department of Housing and Urban Development (HUD) for the general purpose of targeting extremely low-income homeless persons or those at risk of homelessness, and also low and moderate income persons to obtain decent housing, a suitable living environment, and expanded economic opportunities. Estimated funds are based on the previous year’s final allocations, and ESG-CV (Emergency Solutions Grant – CARES Act) funds.
