

OPEN ENROLLMENT

MAY 10 - 28, 2021

Don't miss your chance to learn more about new benefits and complete your enrollment!

To ensure you have a complete understanding of your benefits and to help make the choices best suited for your needs, Benefit Counselors are available to review plan options and assist you with enrolling.

Benefit Counselors are available by appointment only. To pre-schedule a dedicated time to speak with a Benefit Counselor use the online scheduling tool.

Make Your Appointment Today

To select your appointment time, please click on the link below.

Reserving your time only takes a few seconds. Make your reservation **before May 7th** if you wish to speak with a Benefit Counselor.

CLICK HERE or go to www.mycityofstocktonbenefits.com to schedule your appointment.

Follow the step-by-step instructions to make your appointment.

An email/text confirmation will be sent to you.

A reminder email/text will be sent to you 24 hours prior to your scheduled time. You will also receive a reminder email/text 3 hours prior to your scheduled time.

At the time of your appointment, a Benefit Counselor will call you from a **205** area code.
